Brookings Businesses 1879-1965

Arranged by Year

This material was compiled by George Norby. It is arranged as follows: Year-Business

Data is missing for the following years: 1936, 1948, 1952, 1956, 1963

Information may include: year, business located in Brookings during that year. Some entries include owner, type of business, address, and/or other relevant information that may be of interest to researchers.

Information for some years may be arranged by category within the year.

The following information is as accurate as possible and was gathered from the following sources:

- Brookings County Press, October 22, 1879—April 1948
- Brookings Register, June 3, 1890- 2003
- Brookings County Sentinel, various issues, 1882—1889
- Brookings Telephone Directories and Business directories, various issues, 1901—2003
- 1908 business listing published in the Brookings Register June 29, 1979
- Brookings City Publications
- Brookings County election returns
- Brookings County Commission Minutes
- Records in the Brookings Count Register of Deeds office

It is recommended that researchers verify information from more than one source in order to conduct an accurate search.
