Men’s Season Preview

After losing its top senior class in the NCAA Division I-era, the South Dakota State men’s golf team struggled at times during the 2009-10 season. However, with a young core of talent gaining experience, the future could be bright for the Jackrabbits.

“We’ve got a lot of young talent; we don’t have any seniors,” head coach Jared Baszler said. “We had a lot of young guys get a lot of experience last year.”

“The sky is the limit as far as our potential goes. It’s just a matter of what they want to do with it.”

Junior Nolan Meyer competed in every event and had the team’s best scoring average last season at 76.64 in 28 rounds. He posted three top-25 finishes. Meyer also tied for the lowest 18-hole score of the season with a 69 in the second round at the Mizzou Tiger Intercollegiate. Meyer won the South Dakota Golf Association Men’s Match Play Championship this past summer.

Baszler said, “He has a lot of physical ability. I expect him to have a really good year as a junior.”

Junior Brian Wynia saw more rounds last year. He competed in eight events and compiled a scoring average of 78.63 in 22 rounds. His best finish was a tie for seventh at the Jackrabbit Invitational, where he shot a 220 (78-73-69). His seventh place finish was the men’s best individual finish of the season.

“Brian Wynia had a lot of solid finishes in his first two years here,” said Baszler. “He has the ability to be one of our better players.”

The Jacks brought in four freshmen for the 2009-10 campaign – Kyle Cooper, Parker Edens, Greg Fehrman and David Smith – and they each saw significant playing time.

Edens established himself as a regular on SDSU’s five-man tournament roster, competing in every event while carding a 77.78 scoring average in 28 rounds. His best finish of the season came at the Jackrabbit Invitational, where he tied for 11th with a 222 (76-75-71).

Smith, a U.S. Amateur qualifier in the summer of 2009, performed well in his college debut at the Fairway Club Invitational. The Plymouth, Minn., native, who was competing as an individual, finished in a tie for 14th after shooting a 218 (74-71-73).

Smith competed in six events, compiling a scoring average of 78.76 in 17 rounds. He shot the lowest 36-hole (145) and 54-hole (218) scores amongst the Jackrabbit players in the fall season.

Cooper played in five events last year. He tied for 19th at the Bill Ross Intercollegiate after shooting a 227 (81-72-74). Cooper averaged 77.50 in 14 rounds.

Fehrman competed in five events with a scoring average of 76.80 in 15 rounds. He tied for 19th at the Hawkeye Invitational (Iowa) shooting a 222 (73-76-73).

Junior Matthew Erickson competed in three events, posting an 81 average in eight rounds.

The Jackrabbits also add two freshmen this fall, Hudson Carpenter and Lukas Davison. Carpenter, from Stillwater Minn, was the top ranked junior golfer in Minnesota. Davison, from Fargo, N.D., was a three-time all-state golfer, and he led his conference in scoring average as a senior.

SDSU shot its low 18- (301), and 54-hole (908) team scores at the Hawkeye Invitational. The Jacks’ best 36-hole score was a 603 at the Mizzou Tiger Intercollegiate. The Jacks’ finished seventh at both the Jackrabbit Invitational and the Hawkeye Invitational, their best team finishes of the season. SDSU had a scoring average of 307.39 in 28 rounds.

The Jackrabbit men finished eighth at The Summit League Championships, just seven strokes away from finishing in the top five.

“I think we have a chance to be really good. Conference-wise, the teams to beat last spring lost a lot of kids,” said Baszler.

The Jacks have five scheduled events for the fall and five scheduled events for the spring, including the annual Dakota Cup.

The SDSU men’s and women’s golf teams are hosting the Jackrabbit Invitational in Primm, Nev. March 14 and 15. The men are playing the 7,065-yard, par-71 Desert Course. (See page 6 for more information)
Women’s Season Preview

The South Dakota State women’s golf team rewrote the school’s Division I record book last season. They also finished in second place at The Summit League Championship, and the Jackrabbit women have six players back from last year’s squad.

The women had 12 individual top-25 finishes and three individual top-10 finishes. They posted the lowest 18- (303), 36- (614) and 54-hole (935) scores during the Xavier International at LPGA International on Oct. 9-11. In 10 events, the Jackrabbits posted a scoring average of 319.13, more than four shots better than the previous years single-season school record of 323.68.

“The women have the potential to have their best year ever,” said head coach Jared Baszler. “We set a lot of records last year.”

Morgan Fitts picked up right where she left off in high school, carding an 80.86 average in 29 rounds. Her best finish was 13th at The Summit League Championship, where she shot a 240 (83-78-79).

“Morgan Fitts is a sophomore, and there’s always a big jump in golf between freshmen and sophomores,” Baszler noted. “She was able to come in right away as a freshman and contribute to our team’s success.”

SDSU added Rachel Hanigan, a junior transfer from Nebraska, to the spring 2010 roster. Hanigan compiled a scoring average of 80.50 in 14 rounds. She had a career-best finish of fifth place at The Summit League Championships, shooting a 235 (76-80-79).

“Rachel Hanigan finished fifth at the conference tournament, said Baszler. “She just has to be a bit more consistent. She had a lot of really good rounds.

“She can be one of the better players in the conference; she has the ability to do it.”

Brittany Hanten carded an 80.37 scoring average in 29 rounds. She finished in fourth place, the highest individual finish of the season, at the Creighton Classic shooting a 161 (81-80).

“Brittany Hanten had a great spring season last year and really improved,” said Baszler.

Rebecca Swords compiled a scoring average of 81.86 in 29 rounds. She had a season best finish of 15th at the Creighton Classic shooting a 168 (83-85).

Whitney Schrader, who has played 72 career rounds, posted a scoring average of 84.21 in 23 rounds last season. She competed as an individual at the Creighton Classic and finished in a tie for 22nd place, her best finish of the season, shooting a 176 (87-89).

Senior Abby Feehan competed in three events, posting an 87.55 scoring average in nine rounds.

The Jackrabbit women also add freshman Katie Purcell from Ames, Iowa. Purcell won back-to-back state championships as a junior and senior in high school.

With so many returning golfers, the Jackrabbit women have high expectations and goals.

“One of the small goals this year is to win a golf tournament as a team. We’ve got the ability to do it. We’ve just got to get it done,” said Baszler.

In regards to the conference, Baszler said, “I expect us to be in the top two or three for sure after it’s all said and done.”

The Jacks scheduled five events for the fall and five for the spring, including the annual Dakota Cup.

The SDSU men’s and women’s golf teams are hosting the Jackrabbit Invitational at Primm, Nev. March 14 and 15. The women are playing the 6,022-yard, par-72 Lakes Course. (See page 6 for more information)
Jared Baszler (pronounced BAYZ-ler) enters his eighth season as head coach of both the men’s and women’s golf teams at South Dakota State University.

After coaching on a part-time basis for five years, Baszler was promoted to a full-time position on Aug. 5, 2008. He helped the Jacks through the transition to Division I and into their first year of postseason eligibility.

The Jackrabbit men had a successful 2008-09 season under Baszler, winning four tournaments – the only Division I victories in school history – and breaking numerous records. The Jacks broke all the major school records, including season scoring average (295.59), and low 18- (280), 36- (566) and 54-hole (857) scores.

SDSU graduated its best class since moving to Division I – Trent Peterson, Geoff Mead and Tim Kalil. Peterson, who was named The Summit League Men’s Golfer of the Year and also made the PING All-Central Region Team, became the first Jackrabbit to qualify for NCAA D-I postseason play when he was selected as an at-large pick for the South Central Regional. Peterson and Mead had two individual victories apiece between 2007-08 and 2008-09, and they are the only Jacks in school history to post D-I wins. Peterson and Mead, who were both first-team all-league performers in 2009, also hold every season and career school record since the team moved to Division I.

The 2009-10 men’s team struggled at times compared to the previous year. They did gain valuable experience though. With most of those players back, they should be improved this season.

Baszler has also worked hard to turn around the women’s program through solid recruiting. The roster featured just four players during the spring 2007 season, however, the number quickly grew to eight in 2007-08, 12 in 2008-09, eight last year and seven this fall.

The Jacks finished second at The Summit League Women’s Golf Championship last year, following a fifth-place finish the year before. The women also return all but two of their golfers from last season.

Both teams again excelled off the golf course in 2009-10, producing 11 academic all-conference student-athletes (seven men and four women).

Additionally, the men made the Golf Coaches Association of America All-Academic Team in 2008 and 2009 after posting a GPA of 3.0 or higher.

Baszler earned Midwest Conference medalist honors two times (1999 and 2002) during his collegiate playing career at Grinnell College (Iowa). He also earned team most valuable player honors three times (1999, 2000 and 2002), before earning a bachelor’s degree in computer science in 2002.

During his prep career at De Smet High School, Baszler qualified for the state Class B tournament five times, earning runner-up honors as a freshman. Baszler helped lead De Smet to the Class B state team title his junior year, while also competing on three state runner-up teams.

Baszler married his wife, Ashley, in July of 2009.

Steve Klock enters his fourth year as an assistant coach for both the men’s and women’s golf teams at South Dakota State after having a four-year playing career at SDSU. Klock is also a teaching professional in Sioux Falls.

As a senior at SDSU in 2006-07, Klock had three top-25 finishes, including one top-10. His career-best finish was a tie for ninth at the Fort Lauderdale Spring Classic. In 23 rounds, he posted a scoring average of 75.35, which is the ninth-best mark by a Jackrabbit since the move to Division I.

During the 2005-06 season, Klock posted five top-25s and a scoring average of 75.43 in 23 rounds. He took 11th at the NCAA Division I Independent Championships. As a sophomore in 2004-05, the school’s first at the Division I level, Klock had a 76.69 scoring average in 26 rounds.

Klock was named honorable mention to both the 2004-05 and 2005-06 Division I All-Independent golf teams.

Klock’s name can be seen in several areas of the school’s Division I career record book. He is fifth in rounds played (72), fourth in scoring average (75.86) and top-25s (12), and tied for fourth in top-10s (3).

Klock, a native of Sioux Falls, graduated from Lincoln High School, where he was team captain and MVP his final two seasons.

2010 Summit League Men’s Championship

ST. GEORGE, Utah - The South Dakota State men's golf team finished eighth in The Summit League Men's Golf Championship April 27, at the Entrada at the Snow Canyon Country Club.

The Jackrabbits fired a third round 304, which combines with the two-round total of 619 (309-310) for a 923 total. The Jackrabbits followed seventh-place team Centenary by two strokes.

Nolan Meyer carded a final-round 75 to combine with the first day's score of 152 (77-75) for a total of 227 and tie for 16th place. He shared the tie with UMKC's Viktor Mikaelsson (75-76-76).

Parker Edens took a tie for 22nd place with a three-day tally of 231 (78-77-76). He shared the tie with Jakob Ziegler (80-76-75) of Oakland.

Greg Fehrman finished in a tie for 28th place and a 54-hole total of 233 (75-79-79).

Justin Jenkins shared a tie for 39th place with a final-round score of 81, which combines with Monday's total of 158 for a total score of 239.

Brian Wynia followed Jenkins by two strokes with a final score of 241 (82-85-74) and a tie for 43rd place.

Oral Roberts led the 10-team field with a first place finish and a score of 885 (298-294-293). UMKC followed by one stroke with a score of 886 (291-300-295) and Western Illinois by two strokes with an 887 (293-296-298).

Oral Roberts' David Holtgrewe (71-72-73) and UMKC's Korbin Kuehn (69-74-73) shared the first-place spot with scores of 216. Kuehn defeated Holtgrewe in a one-hole playoff for individual honors. Holtgrewe missed the par put while Kuehn sunk his to decide the hole. Jake Weeber of Western Illinois earned third place with a score of 217 (71-73-73).

* – joined team in Spring of 2010
TULSA, Okla. - The South Dakota State women’s golf team took second place at The Summit League Women’s Golf Championship April 20, in Tulsa, Okla. The Jackrabbits carded a final-round 330 to combine with the first day’s 635 for a total score of 965, 33 strokes behind first-place team Oral Roberts.

Rachel Hanigan led the Jacks for the second day with a fifth-place finish. Her score of 235 (76-80-79) earned her a spot on the all-tournament team. The fifth-place finish and 54-hole total are career bests. Morgan Fitts finished in a career-best 13th place with a 54-hole total of 240 (83-78-79).

Sydney Sturdevant finished with a tie for 14th place with a score of 244 (76-82-86). She shared the tie with Southern Utah’s Sadie Palmer (78-80-86).

Brittany Hanten’s score of 248 (79-81-88) put her in a tie for 20th place, which she shared with Southern Utah’s Jamie Coking (84-81-83) and Oakland’s Alanna Gerber (85-80-83).

Rebecca Swords rounded out the Jackrabbits with a score of 255 (84-85-86) and a tie for 29th finish, which she shared with Southern Utah’s Morgan Kerber (84-85-86).

UMKC followed the Jacks by six strokes, while Western Illinois followed by eight strokes.

Championship MVP: Amber Hensley, Oral Roberts
Newcomer of the Championship: Amy Anderson, North Dakota State
Coach of the Year: Lance Watson, Oral Roberts
MORTON, Minn. — The South Dakota State University men’s and women’s golf teams retained the Dakota Cup, winning both of their matchups in the four-team combined match-play event May 2, at the Dacotah Ridge Golf Club.

The top-seeded Jackrabbits opened the event with an 11-2 victory over the University of South Dakota on Saturday. The SDSU women’s team won all five of its matches, including a 5-and-4 victory by freshman Morgan Fitts.

SDSU squared off against North Dakota State in Sunday’s championship and came away with a 9-5 victory. The Jackrabbit men won five of the eight head-to-head matchups, with the women holding a 4-2 advantage over the Bison.

The Dakota Cup concludes the season for the Jackrabbit golf teams.

* South Dakota State competed in Division II and the North Central Conference until moving to Division I in 2004.

The National Golf Coaches Association named the women to the All-Academic Team in 2005-06. In order to qualify, a team needed to post one of the top-25 GPAs in all divisions of women’s golf.
Administration

DAVID CHICOINE
President

Appointed in 2007, President David L. Chicoine ’69 is the third alumnus to sit in the South Dakota State University president’s office.

President Chicoine spent the majority of his 30 years away from State in higher education at the University of Illinois, where he held administrative posts, including Vice President of Technology and Economic Development and Dean of the College of Agriculture.

While vice president at the University of Illinois, President Chicoine helped launch IlliniSVENTURES, LLC, a seed and early-stage technology investment firm. He also reached new milestones each year in restructuring the university’s technology licensing offices.

As its dean, President Chicoine transformed the College of Agriculture, leaving it with seven academic departments and an Information Technology unit in place of the previous 14 administrative units. He raised $134 million in private gifts (surpassing the campaign’s goal of $115 million) and increased the endowment to $60 million.

Of the eight siblings in President Chicoine’s family, five attended State, including President Chicoine and his brother Jeff, who finished school here the year before him.

The president and his wife, Marcia, live in Woodbine Cottage. Their family includes son Joshua, a Chicago-based musician; daughter-in-law Laura Ellsworth; granddaughter Sylvie; and their late son Jason. President Chicoine is the 19th president of the University and the 17th to live in the cottage.

JUSTIN SELL
Athletic Director

Justin Sell became the 12th director of athletics at South Dakota State on May 29, 2009, taking over for Dr. Fred Oien, who retired on April 8, 2009 after 18 years. Sell came to SDSU after 10 years at the University of Northern Iowa, most recently as the Senior Associate Athletic Director for the Panthers.

Sell played a vital role in community engagement for UNI athletics. As president and co-founder of the Cedar Valley Sports and Entertainment Commission, he designed, implemented and managed a fundraising plan that raised more than $260,000 to bid and attract statewide, regional and national level events to the local communities.

Sell went to UNI in May 1999 as the Operations Manager for Athletic Facilities before earning a promotion to Assistant Athletic Director for Operations in 2000. He worked his way up to Associate Athletic Director in 2002, where he began sport management of nine sports and direct oversight of more than 100 employees.

Prior to UNI, Sell worked as the Director of Ticket Operations and Assistant Facility Director and Intramural Director at Villanova from 1995-99, where he oversaw facility capital projects.

Before arriving at Villanova, he worked at Syracuse University and Ohio State.

Sell graduated from Bowling Green State University in 1991, earning a degree in Sport Management. He received his master’s in Sport Administration in 1992 from Ohio State, where he worked as a graduate assistant for facilities, summer camps and compliance.

He and his wife, Jennie, have four children - Abbie, Zach, Josh and Eric.

MYLO HELLICKSON
Faculty Representative

Dr. Mylo Hellickson started as South Dakota State University’s faculty representative to the North Central Conference and NCAA in 1977, and as such also serves as chairman of the Athletic, Intramural and Recreation Committee on campus.

He also filled in as interim Athletic Director from January-May 2009 upon the retirement of longtime AD Fred Oien and before Justin Sell took over on a full-time basis on May 29, 2009.

On the SDSU Staff since 1969, Hellickson returned to the classroom as a professor in agricultural engineering after serving several years as director of agriculture Extension at SDSU. He also served as a professor in agricultural engineering until he earned an appointment as head of that department during the summer of 1982.

Dr. Hellickson’s specializes in the area of livestock structures and environment with recent emphasis on solar energy use in agriculture. A native of Belfield, N.D., he earned a bachelor’s degree in agricultural engineering from North Dakota State University in 1964, added a master’s degree in agricultural engineering from NDSU in 1966, then earned a Ph.D. in engineering at West Virginia University in 1969.

The North Central Conference presented Hellickson with its Meritorious Service Award at the November 1990 meeting.
Brookings Country Club History
Around 1920, a group of young men that included Horace and Van Fishback, Elmer Sexauer, Earl Bartling and a few others created the first golf course by mowing the pasture behind Fishback’s barn. Tomato cans were used to make the nine holes. The 8 foot wide greens were constructed with sand and oil. In 1921, the young men leased 50 acres of land from A.J. Kendall for $175 a year.

The course was designed by Earl Bartling and Ward Waltz, because the club had no money to hire a golf architect. Their club started with approximately 30 members who paid $20 each per year for dues.

In 1926, a new clubhouse was constructed. It was 28x50 feet in size with porches on the north and east sides. A dance floor, basement, concession room, locker rooms and a kitchen were also included.

In 1945, the greens were redone, and in the 1960s, nine new holes were added.

Recently, additions were made to the clubhouse, and the practice facility now features a driving range, two putting/chipping greens and a wedge green with an 80-yard range and bunkers.

Course Records
Former Jackrabbit Trent Peterson holds the men’s course record of 61, shot in 2007. Current Jackrabbit Morgan Fitts broke the women’s course record with a 68 during the Club Championship in August 2009. She broke her own record of 70.

Tournaments Hosted
Brookings Country Club has hosted several high profile golf tournaments over the years, including the South Dakota Golf Association Men’s Match Play Championship in 1982, 1991 and 2006, and the SDGA Men’s Amateur Championship in 1981, 1988 and 1997. In 2001, the Division II Women’s Regional Tournament was played there. The United States Senior Amateur Qualifying was held there in the summer of 2007 and 2009. It will host the 2011 SDGA Amateur Championship.

</table>
As The Summit League concludes its third decade as an NCAA Division I athletics conference, the ascending level of performance among the 10 member institutions and over 3,000 student-athletes in 19 championship sports continues.

Since its inception in 1982, The Summit League has had several transcendent moments on the national stage. In 1986, Cleveland State upset third-seeded Indiana in the first round of the NCAA Men’s Basketball Tournament on its way to a berth in the Sweet 16. A decade later, Valparaiso captured the nation’s attention when Bryce Drew hit “the shot” to defeat No. 4 seed Mississippi in an NCAA first-round game and spark its Sweet 16 run.

More recently, Oral Roberts’ baseball program finished the 2004 campaign with a national-ranking and became the first Summit League school to reach an NCAA Super Regional in 2006. Three years later, North Dakota State’s 2009 softball team became the first League member to win an NCAA regional and advance to the Super Regional round. During the 2008-09 basketball season, South Dakota State’s women’s team was nationally-ranked throughout the year and capped its season with an NCAA Tournament first round victory.

The League has produced five NCAA champions, four Olympic athletes and several All-Americans in the sports of track and field, swimming and diving and cross country. Numerous professionals and several draft choices have come directly from The Summit League, including three Major League Baseball first round picks, a pair of NBA first-rounders and one WNBA selection. Former Summit League athletes Kevin Duckworth (NBA) and Kevin Seitzer (MLB) each were two-time all-stars during their professional careers.

Recent and historical success coupled with an increased growth among its membership base gives The Summit League a promising future on the landscape of college athletics.
About South Dakota State University

EXCELLENCE

With a record enrollment of 12,376 students in the fall of 2009, South Dakota State University remains the state’s largest institution of higher education. Students from all 50 states and more than 40 nations attend SDSU, a public, land-grant institution. SDSU has granted nearly 70,000 degrees since its charter in 1881, with degrees offered through these nine colleges:

- Agriculture and Biological Sciences
- Arts and Sciences
- Education and Counseling
- Engineering
- Family and Consumer Sciences
- General Studies
- Nursing
- Pharmacy
- Graduate School

SDSU also offers degree programs through the University Center in Sioux Falls. The Office of Continuing and Extended Education coordinates evening, RDTN, Internet and off-campus courses.

SDSU offers more than 200 majors, minors and options, with more than 2,500 different course offerings. Students can choose from more than 200 clubs and organizations active on campus.

Master’s degrees can be earned in more than 30 areas, with doctorates available in eight fields.

SDSU maintains a student-faculty ratio of 18:1.

The University as a whole employs more than 2,000 people, with a total operating budget of nearly $208 million in fiscal year 2008.

At 165 feet tall, South Dakota State University’s most recognizable landmark, the Coughlin Campanile sits just south of the South Dakota Art Museum

FACILITIES

South Dakota State University provides its student-athletes the opportunity to train and compete in some of the finest facilities in The Summit League. Within the past five years, SDSU added or enhanced several Jackrabbit athletic facilities, including:

- Construction of new on-campus baseball and softball competition fields;
- Construction of a new equestrian center;
- Installation of new video boards and scoreboards at Coughlin-Alumni Stadium and Frost Arena;
- Completion of a practice soccer field

SDSU further enhanced its student-athlete facilities in 2009 with the completion of the Dykhouse Student-Athlete Center. Located in the north end zone of Coughlin-Alumni Stadium, the Dykhouse Student-Athlete Center houses an academic center for use by all Jackrabbit student-athletes, as well as new locker room and training facilities for the SDSU football team.

Construction on the Dykhouse Student-Athlete Center marks the first stage of a master plan to dramatically modernize athletic facilities at SDSU.

The $6 million donated by Sioux Falls bankers Dana Dykhouse and T. Denny Sanford in the fall of 2007 set in motion the construction of the first major athletic building on campus since Frost Arena in 1973.

Future additions to the Dykhouse Student-Athlete Center, which would be included in a comprehensive athletic facilities master plan, would house offices, meeting rooms and locker facilities for all outdoor sports at South Dakota State University.
About South Dakota State University

INNOVATIVE

The Innovation Campus at South Dakota State University marks the state’s first and only university-affiliated research park. Located on 125 acres just east of campus, it provides an environment that fosters partnerships among the University, business, government and the community to grow the sciences and technology-based economy.

SDSU boasts the highest percentage of undergraduates involved in research of any South Dakota public university. SDSU is large enough to offer competitive research opportunities, yet small enough to foster student faculty learning opportunities.

Major areas of research at SDSU include:
- Engineering and technology research into photovoltaic devices, nanotechnology, materials science, wind power, surface transportation systems, signal and image processing, water treatment, computer sciences, software engineering and computational science and statistics
- Agricultural sciences research on crops and livestock, including food manufacturing, bio-based energy, economics and horticulture
- Management and conservation of natural resources
- Health sciences, nutritional sciences and wellness research programs in pharmaceutical sciences, nutrition and exercise physiology
- Renewable energy research develops bio-based energy technologies, while promoting diversification and environmental sustainability of America’s agriculture
- The federal government awarded SDSU and six other universities $69 million in federal funds over the next five years to serve as Vanguard centers for the National Children’s Study. The NCS studies more than 100,000 children from across the country from conception to age 21

PROGRESSIVE

South Dakota State University continues to experience unprecedented growth, both in enrollment and building projects.

Projects recently completed or currently under way include:
- The $48 million, 144,000-square-foot Avera Health and Science Center;
- Harding Hall South, a 30,000-square-foot building that houses an expansion within the College of Engineering;
- The $6 million Dykhouse Student-Athlete Center;
- Caldwell Hall, with work beginning on additional suite-style residence halls;
- A $7.8 million campus wellness center

The SDSU Foundation’s “It Starts With State” campaign, a comprehensive fund-raising initiative designed to raise $190 million over the next several years, continues to identify additional facility projects and enhancements to academic programs.

The impact of scholarships, endowments, facility enhancements, professorships, endowed chairs and the Funds for Excellence reaches every academic college and program on campus.
COMMUNITY

Located in Brookings, a growing community of about 18,700 people, South Dakota State University sits 20 miles west of the Minnesota border and 50 miles north of Sioux Falls in east-central South Dakota. Brookings can be found at the intersection of U.S. Highway 14 and Interstate 29.

Brookings and the surrounding area feature tremendous recreational and cultural opportunities. The city features a vibrant downtown area with shopping and nightlife opportunities, maintains an extensive park and recreational trail system, features two 18-hole golf courses, and serves as a gateway to first-class fishing and hunting areas.

South Dakota State University also houses several facilities, including museums and gardens, which highlight South Dakota history and heritage.

The South Dakota Art Museum houses several collections, including early Sioux Indian tribal art, the famed Harvey Dunn paintings of pioneer life and the exclusive Vera Way Marghab linens. The State Agricultural Heritage Museum transformed the former Stock Judging Pavilion into a home for exhibits that record and preserve the agrarian heritage of South Dakota.

The 70-acre McCrory Gardens and South Dakota Arboretum, located south and east of campus, provide a beautiful setting for area residents and tourists to enjoy a stroll through the radiant colors and fragrances of one of the top-10 small ornamental gardens in the nation. Adding to its honors, McCrory Gardens earned the distinction of being named an All-American Display Garden, one of only 13 in the nation.

The community houses several recognizable companies including Rainbow Play Systems, Minnesota Mining and Manufacturing (3M), Larson Manufacturing and Daktronics, a leading manufacturer of scoreboards and display systems.

THE JACKRABBITS

South Dakota State University currently offers 21 varsity sports with Jackrabbit teams competing at the NCAA Division I level. Football competes in the Division I Football Championship Subdivision in the Missouri Valley Football Conference, while 18 sports compete in The Summit League. Wrestling competes in the Western Wrestling Conference, while equestrian currently competes without conference affiliation.

Evolution of a Nickname

Two theories exist as to how and why SDSU’s athletic teams became known as the Jackrabbits.

Most believe that the name “Jackrabbits” came from a story and cartoon sketch that appeared in a Minneapolis newspaper following a 1905 football game between the University of Minnesota and South Dakota State College. Many believe that a reporter for the newspaper, knowing of the preponderance of jackrabbits in the Brookings area, wrote that the SDSC team was as quick as jackrabbits. Many people believe that the school adopted the Jackrabbits as its official nickname from that beginning.

The other theory about the origin of the nickname came in “The Jackrabbit”, SDSU’s yearbook. A poem in the 1907 yearbook put forth the idea that the yearbook is called “The Jackrabbit” because a group of juniors wished to immortalize themselves by changing the name of the yearbook. Athletic teams followed suit, adopting the nickname.

Prior to the adoption of the Jackrabbit nickname, fans knew the school athletic teams as the Barn Yard Cadets, which made sense, because the school went by the name of South Dakota State College of Agriculture and Mechanic Arts in 1907.

The Jackrabbit can run at speeds of 30-to-35 miles per hour, with bursts up to 45, making it the second fastest animal in North America, second only to the pronghorn antelope, which can run at speeds up to 60 miles per hour.

Properly speaking, Jackrabbits should not be called rabbits but hares, with longer feet and longer ears than rabbits. Most hares live in open country, whereas rabbits - like cottontails - live in brushy habitats.

Jackrabbits can grow up to two feet long; weigh from six to nine pounds, with ears up to eight inches long. Hares do not eat meat; they eat tender herbs in the summer and woody twigs and bark in the winter.
Academics

ACADEMIC OVERVIEW

The following list includes the more than 300 majors, minors and options available in the classroom at South Dakota State University:

- Indicates options within the major

COLLEGE OF GENERAL STUDIES AND OUTREACH PROGRAMS

General Registration — the most popular freshman option

Liberal Studies (B.S.)

General Studies (A.A.)

Applied Technical Science (B.A.T.S.)

Applied Agriculture

General Supervision

General Technology

Industrial Sales

Industrial Supervision

Pre-Professional Programs

Pre-Chiropractic

Pre-Dental

Pre-Law

Pre-Medicine

Pre-Ministerial

Pre-Mortuary Science

Pre-Optometry

Pre-Physical Therapy

Pre-Physician’s Assistant

Pre-Veterinary Medicine

COLLEGE OF AGRICULTURE AND BIOLOGICAL SCIENCES

Ag Business (B.S., Minor)

Ag & Resources Economics (B.S.)

Environmental Economics

Ag Education (B.S.)

Ag Journalism (B.S.)

Ag Marketing (Minor)

Ag Systems Technology (B.S., Minor)

Business

Environmental Systems

Processing

Production

Agronomy (B.S., M.S., Ph.D., Minor)

Business

Production

Science

Animal Sciences (B.S., M.S., Ph.D., Minor)

Business and Production

Science
