First Annual
Pasqueflower Undergraduate Research Award
with the Native Plant Initiative

Student will receive

1. Mentorship on research, literature review, and scientific presentation from the Native Plant Initiative
 2. \$1000 stipend (\$500 at the beginning of the project and \$500 at completion)
 3. Funds for research materials and travel to a professional society conference to present findings
- ✓ Research will be developed based on the student's interest in the biology, ecology, or production of native plants
 - ✓ No major or college requirement **Students from any major at SDSU are welcome to apply**

Requirements:

1. Interest in plants native to South Dakota
2. 3.0 GPA
3. A minimum of 2 semesters left before graduation
4. Students must agree to present findings at professional society conference or annual meeting

To apply, email SDSU.nrm.NativePlants@sdstate.edu by Oct. 11, 2022

- ✓ 1 page essay explaining your career interests and interests in either learning to perform research or in native plants
- ✓ Copy of transcripts (unofficial is ok)
