“Young” is the operative word when referring to the 2003-04 South Dakota State wrestling team.

The Jackrabbit wrestling program will field one of its youngest teams in the Jason Liles era. Of the 29 wrestlers on the roster, only four are either juniors or seniors.

The Jackrabbit wrestling team turned in its 10th consecutive top-10 finish at the NCAA Division II Championships last season.

Jackrabbit wrestlers Bryan Cowdin, Tyler Jones and Tim Boldt earned All-America honors as SDSU finished 10th in the team standings. Jones was national runner-up at 184 pounds for the second consecutive season, while Boldt was fifth in the 197-pound weight class and Cowdin placed seventh at 174 pounds.

In the dual season, SDSU put together its eighth consecutive winning season with a 12-9 dual record.

Boldt, a sophomore from Arlington, compiled a 34-10 record during his freshman campaign enroute to a fifth-place finish at the 2003 NCAA championships.

Cowdin, a junior from Worthington, Minn., went 18-13 in his first season with the Jackrabbits after transferring from Minnesota West Community College as he placed seventh at the national tournament in the 174-pound division.

National tournament qualifiers Jeremy Roe and Jared Barnes return to the Jackrabbit lineup in the lower weights.

Roe, a junior, has made consecutive national tournament appearances and was the North Central Conference champion at 141 pounds in 2002.

Barnes led the team in victories with a 34-10 record at 149 pounds during his redshirt freshman season a year ago.

Joe Kenton, who was seconds away from qualifying for nationals at 157 pounds a year ago, returns along with senior Scott King at 184 pounds.

A crop of newcomers and redshirts will vie for lineup spots, especially at the first two weight classes. The heavyweight position will be handled by former Jackrabbit football player Craig Martinmaas or last year’s regular starter Cody Nehl.

Championship Change

With a shift in NCAA Championship policy, the North Central Conference will now compete in the NCAA North Regional in order to qualify for the NCAA Division II Wrestling Championship. Because of this change, there will no longer be an NCC Wrestling Tournament in February. The NCC team champion will be determined by the dual record of the schools in NCC competition. NCC individual champions will be the highest NCC finishers in each weight at the NCAA Regional competition. The top 3 NCC finishers at each weight division at the regional will be declared members of the All-NCC team. The regional will be held February 29 at St. Cloud State.

SOUTH DAKOTA’S LARGEST

With 10,651 students enrolled for the 2003 fall semester, SDSU continues to be the largest of all the state’s institutions of higher education.

More than 200 majors, minors and options are available with more than 2,500 different course offerings. Master’s degrees are offered in more than 30 areas, and doctorates are available in eight fields. The University also offers degree programs through the Sioux Falls Center for Public Higher Education. Evening, RDTN, Internet, and off-campus courses are available through the Office of Academic Affairs and Outreach.

Seventy-five percent of entering freshman are in the upper-half of their high school graduating class and 40 percent are in the top 25 percent. Seventy percent are residents of South Dakota, 20 percent come from 46 states and 41 international countries.

EARTH HISTORY

South Dakota State University, the state’s land grant institution, was authorized in 1881 by the Territorial Legislative Assembly. Territorial council member John O’Brien Scobey, failing to obtain the penitentiary for Brookings, managed to secure Dakota Agricultural College for his city.

Although allocations fell short of the actual cost, the school was able open in the fall of 1884 because the president, George Lilley, was willing to advance $500 (one third of his salary) to finish three rooms in the new Central building. "Old Central" was soon joined by South (1885) and North (1887), forming the nucleus of campus activities for a decade and a half.

Land-grant universities are designed to provide a comprehensive education to students in many fields. That’s why diversity is an important trademark of a SDSU education.

DEVELOPMENT

During the first year of operation, only preparatory classes were held. College classes started in 1885 with 5 teachers and 17 freshman and 61 preparatory students. Growth was slow and erratic for many years, but by the turn of the century there were 242 students. By 1990 SDSU had an enrollment of over 9,000 students with nearly 8,100 at the Brookings campus. It has granted over 46,500 degrees since the college was chartered in 1881.

COLLEGES ESTABLISHED

The structure of the college became more complex as enrollments increased. The first nine chairs of instruction established in 1884 included agriculture, science, mathematics, English, modern languages, military tactics, veterinary science, practical business, political and domestic economy, and music.

By 1907, the year the name of the institution was changed to South Dakota State College of Agriculture and Mechanic Arts, there were 22 departments on campus. Reorganization into the five divisions which formed the basis for the designation of colleges was completed under President Charles W. Pugsley in 1923.

In 1964, when "State College" was renamed South Dakota State University, there were six colleges - Arts a Science, Agricultural and Biological Sciences, Home Economics, Engineering, Nursing, and Pharmacy and a Graduate Division. A seventh, General Registration, was added later. In 1975 the Division of Education was created, which became the College of Education and Counseling in 1991.

Today, degrees are offered through these eight colleges:
- Agricultural and Biological Sciences
- Arts and Science
- Education and Counseling,
- Engineering
- Family and Consumer Sciences
- General Registration
- Nursing
- Pharmacy
- Graduate School

271 ACRE CAMPUS

South Dakota State University has grown from a campus of eighty acres when the institution was founded by the Territorial Legislature in 1881, to a 271 acre campus with facilities worth over $220 million. The University owns or leases another 15,000 acres of land for research throughout the state.

Peggy Gordon Miller became SDSU’s eighteenth president on January 1, 1998 following the retirement of Robert T. Wagner.
Peggy Gordon Miller
President

Peggy Gordon Miller became South Dakota State University’s 18th president on January 1, 1998 following the retirement of Robert T. Wagner.

Before becoming president of SDSU, Miller was a senior fellow and acting vice president for Academic and International Programs at the American Association of State Colleges and Universities in Washington, D.C. She has extensive higher education leadership experience at The University of Akron, where she served as president from 1992 to 1996, and Indiana University Northwest, where she was chancellor from 1983 to 1992.

Miller earned her doctorate in secondary education from Indiana University, her master’s in English and secondary education from Northwestern University, and her bachelor’s in English from Transylvania University. She taught high school in Gary, Indiana, and moved into various teaching and administrative positions in the Indiana University system. She amassed a broad range of national experience and made extensive contacts in the Washington community.

Fred Oien
Athletic Director/Head of HPER

Dr. Fred Oien became the 11th athletic director at South Dakota State University on July 1, 1990. Oien earned his Bachelor’s Degree at SDSU in 1972 and has been on the SDSU staff since 1979, serving as athletic business/ticket manager since 1981.

Oien is a 1968 graduate of Baltic, SD, High School. He added a Master’s Degree at SDSU in 1975, then completed his doctorate (Ed.D) at the University of Massachusetts-Amherst in 1979.

Oien taught physical education and health at the Brookings Middle School 1973-76, during which time he was varsity golf coach for both boys and girls, and middle school basketball and football coach. His golf teams won state championships for both boys and girls.

Oien was also women’s golf coach at SDSU, guiding the Jacks to one North Central Conference championship. The SDSU women’s golf team of 1982 was voted South Dakota Women’s College Team of the Year.

Oien, and his wife, Mary, have two children. Son John is on the Jackrabbit golf team.
The Jacks’ dual record under Liles is more impressive when you consider the Jacks’ schedule, which is one of the toughest in Division II. The team regularly duals Division I schools like Iowa, Wyoming, and Nebraska.

His teams at MSU-N won NAIA District-12 championships in 1988, 1990, 1991 and 1992. During his career at MSU-N he posted a dual record of 89-33, coached six individual national champions (including the Outstanding Wrestler at the 1990 national tournament), and produced 48 All-Americans.

And his teams produced eight academic All-Americans, with the team showing a 3.00 cumulative grade point average for 1987-1993.

Prior to joining the staff at MSU-N, Liles was assistant wrestling coach at Miami University in Ohio (1981-84). He played an integral part in developing three NCAA Division I All-Americans. Miami won the Mid-America Conference title in 1984 and had an alternate to the 1984 USA Olympic Freestyle team.

Liles was head coach at Arcadia High School in Arcadia, Ohio, for two seasons, producing back-to-back Blanchard-Valley Conference championships in 1980 and 1981 when his teams were 20-6 in duals.

He is married to the former Holly Dees of Kremlin, MT. They have two sons, Walker and Hunter.
