This tool examines current knowledge regarding telehealth. There are no right or wrong answers. Please be honest and report your true reaction to each question by circling the number for the response that best describes your answer.

	How do you rate your <i>knowledge</i> regarding the nurse's role in telehealth?					How do you rate your <i>confidence in teaching</i> the following telehealth competencies to students?				
	Not at all Knowledgeable	Somewhat Knowledgeable	Neutral	Knowledgeable	Very Knowledgeable	Not at all confident	Somewhat confident	Neutral	Confident	Very confident
1. Integration of telehealth into client assessment	1	2	3	4	5	1	2	3	4	5
2. Integration of telehealth into client diagnosis	1	2	3	4	5	1	2	3	4	5
3. Integration of telehealth into identification of desired outcomes	1	2	3	4	5	1	2	3	4	5
4. Integration of telehealth into plan of care	1	2	3	4	5	1	2	3	4	5
5. Integration of telehealth into plan implementation	1	2	3	4	5	1	2	3	4	5
6. Integration of telehealth into evaluation	1	2	3	4	5	1	2	3	4	5
7. Integration of telehealth into referrals	1	2	3	4	5	1	2	3	4	5
8. Establishment of therapeutic relationship with client	1	2	3	4	5	1	2	3	4	5

9. Creation of sense of nursing presence that engages client	1	2	3	4	5	1	2	3	4	5
10. Assessment and adjustment of communication techniques to maximize nurse-client relationship	1	2	3	4	5	1	2	3	4	5
11. Assessment of the appropriateness of specific telehealth technologies for individual situations	1	2	3	4	5	1	2	3	4	5
12. Assessment of the appropriateness of specific telehealth technologies for populations	1	2	3	4	5	1	2	3	4	5
13. Determination of whether client needs can be met with telehealth	1	2	3	4	5	1	2	3	4	5
14. Abilities required to make appropriate changes to the management plan based on client needs	1	2	3	4	5	1	2	3	4	5
15. Skills required to seek, use, and provide consultation	1	2	3	4	5	1	2	3	4	5
16. Interdisciplinary collaboration to meet clients' needs	1	2	3	4	5	1	2	3	4	5

17. Skills required to effectively utilize specific telehealth technology and relevant telehealth clinical skills	1	2	3	4	5	1	2	3	4	5
18. Abilities to ensure that clients are informed of their choices	1	2	3	4	5	1	2	3	4	5
19. Abilities to ensure that public and institutional policies related to privacy, informed consent, and information security are employed during telehealth	1	2	3	4	5	1	2	3	4	5
20. Utilization of results of telehealth performance improvement activities to modify practice	1	2	3	4	5	1	2	3	4	5
21. Documentation and integration of the structure, process, and outcomes of telehealth events	1	2	3	4	5	1	2	3	4	5
