CHOICE RECIPE - HOW TO BE A GOOD CHURCH MEMBER

Take one full measure of regeneration and mix with this a heaping bowlful of personal consecration, well seasoned with love and loyalty to Jesus Christ, and mix them into the mind and heart of a healthy, sensible personality. To these should be added a daily measure of Bible Reading and Prayer, regular attendance at Sunday School and Church services and a resolution to do good every day in the name of Jesus. Pass these through the sieve of divine testing and then stir all together in the melting pot of divine services. Put these on the fire of divine love and keep them there until they become a perfect piece of divine character in Jesus Christ.

If You Will

If God can make—of an ugly seed,
With a bit of earth and air;
And dew and rain, sunshine and shade—
A flower so wondrous fair;
What can He make—of a soul like you,
With the Bible and faith and prayer,
And the Holy Spirit—if you do His will,
And trust His love and care!

HELPFUL KITCHEN HINTS

To reheat bread or rolls, place in a paper bag, sprinkle with water and heat in a 400 degree oven for 10 minutes.

Put a little vinegar into the water you soak your slightly wilted vegetables and see how crisp and fresh it makes them.

For cakes, eggs should be at room temperature (about 70 degrees) to mix well.

For meringue, egg whites should be at room temperature.

For a nice decoration on white frosting, shave colored gumdrops very thin and stock on. They will curl like little roses.

If apples are slit with a knife in three or four places before baking, the skins will not wrinkle in the oven.

Before measuring syrup, molasses, etc., grease the measuring cup and the ingredients will not stick to it.

To remove onion smell from hands, rub with dry mustard or salt.

Rinse a pan in cold water before scalding milk to prevent it from sticking.

When cooking cabbage place dish of vinegar on stove to remove odor.

When preparing eggs for egg salad a pastry blender works very well.

My Friend

Now, all along life's bumpy paths
There are so many tears and laughs
That in the corners—God tucks friends;
So, when you're goin' round the bends
You get a lift, perchance a smile—
They're little things, but help a pile,
And God hunts people just like you
To fill those bends—and guide folks through.

Pray for Strength

Oh, do not pray for easier lives,
Pray to be stronger men;
Do not pray for tasks equal to your powers,
Pray for powers equal to your tasks.
Then the doing of your work shall be no miracle,
But you shall be the miracle.
Every day you shall wonder at yourself,
At the richness of life that has come to you
By the grace of God.
