The 2008-09 South Dakota State wrestling team is young, but returns enough upperclassmen to improve on last season’s performance. The Jacks went 2-9 in duals last season with wins over Dakota Wesleyan and Portland State; the lowest dual win total since 1955-56.

Head coach Jason Liles returns for his 16th season at SDSU. Liles comes into this season with 132 career dual wins, second in school history behind Warren Williamson (134-74-9 record from 1957-68, 70-73). The key for the Jacks to have a successful season is easy — stay healthy. Last season, SDSU was plagued by injuries and was forced to forfeit weight classes at dual meets, sometimes even two or three.

Last season, a few of the healthy wrestlers had breakthrough years for the program. That needs to happen again with some of the younger kids according to Liles. He also said there will be a few pleasant surprises on the mat this season.

To combat the injury problems of last year, coach Liles has brought in a freshman class of seven, as well as a few upperclassman. With plenty of talent once again surrounding the team, a leader must emerge in order to take this program to the next level.

LOWER WEIGHTS: 125-141

Adam Everson returns at the 141-pound class after posting a team-high 22 wins last season as a redshirt freshman. Everson was a 2005 South Dakota state wrestling champion and will be looked upon to continue his dominance of last season.

The 133-pound class is undecided early in the season with redshirt freshman Tyler Chicoine and junior Nick Kulseth battling for the starting spot.

Alan Marvin will provide senior leadership for the Jackrabbits after going 10-10 last season. Marvin will lead SDSU in the 125-pound weight class.

MIDDLE WEIGHTS: 149-165

The Jacks will look to some new faces at at the middle weights in the 2008-09 season. Freshman Nick Flynn has shown promise at 149 pounds with Weston Blasius stepping in at 157 pounds.

The 165-pound class will be filled by either Weston Ginther or Cord Willers, both freshmen.

UPPER WEIGHTS: 174-Heavyweight

The upper weights look to lead the way for the Jacks this season returning Tyler Sorenson at 184 or 197 and Jason Stripling at the heavyweight position.

The Jacks welcome the return of senior Jason Stripling back to the mat after he redshirted in 2007-08. Stripling had a team best 26-13 record in 2005-06, while compil-

ADAM EVERSON led the team in wins last season with 22, including six pins. Everson will look to build on a 4-4 performance in duals last season.

TYLER SORENSON was voted the team’s most valuable wrestler in the 2007-08 season. After battling injury the first half of the season, he was 12-2 overall and a team best 9-1 in duals.
NEWCOMERS
Coach Liles brings in nine new faces to the wrestling program this season.

Scott Elliot, from Derby, Kan., was a three-time state champion and completed a 134-3 overall record in high school. Elliot also placed second at the Junior Nationals meet. He is expected to wrestle at 174 pounds.

Zach Blindert, a native of Salem, S.D., currently holds the South Dakota high school record for most wins with 268 during his career. Blindert was a place winner at the state meet since eighth grade. Blindert is slated to wrestle at 184 or 197 pounds.

At 174 pounds, freshman Cord Willers of Shenandoah, Iowa, had a solid senior season, posting a 46-8 record and 144-40 overall.

Matt Grimlie and Nick Hansen joined the wrestling team as juniors this season and Kevin Kelly and David Michaud joined as sophomores. All will fight for position at their respective weights.

Weston Ginther, at 165 pounds, was a two-time state qualifier at 145 and 152 pounds. Ginther recorded a 168-39 career record at Lemmon High School.

Aaron Pickrel held a career record of 150-11 at Watertown, S.D. and was a five-time state place winner. He participated at the NHSAA Junior Nationals and was named a NHSAA Academic All-American.

Nick Flynn, from Lansing, Kan., compiled a 145-33 record including a 44-4 record in his senior season. He was a four-time state qualifier and three-time placewinner at the state meet. Flynn was also named to the Brute-Adidas All-American Team.

Dustin Walraven, of Huron, S.D., was a place winner at the state meet each year since seventh grade and recorded a 198-18 record in his career. Walraven went on to place fourth at Junior and Senior Nationals and was named South Dakota Outstanding Wrestler as a senior.

SCHEDULE
SDSU will be tested early in the year at the Harold Nichols Open, Kaufman-Brand Invitational, the Indiana Duals and the Cliff Keen Invitational in Las Vegas. Indiana finished the 2007-08 season ranked 15th in the nation. The five dual matches dot the home schedule with Northern State on Jan. 22.

SDSU will also host Western Wrestling Conference opponents Northern Colorado, Utah Valley University, North Dakota State and Northern Iowa.

The Jacks will go on the road for dual meets against Franklin & Marshall (Pa.), Sacred Heart (Conn.), Nebraska, Maryland, VMI, Delaware St. and WWC challengers Wyoming and Air Force. Nebraska finished the 2008 season ranked fifth in the national poll. The West Regional Qualifier for the NCAA Division I National Championships takes place in Greeley, Colo. on March 7.

JUSTIN RETALLIC compiled a 6-14 record last season and will look to build on that record this season at 165 pounds. Retallic was 3-6 in duals last season with the fourth most wins on the team.

place winner at the state meet each year since seventh grade and recorded a 198-18 record in his career. Walraven went on to place fourth at Junior and Senior Nationals and was named South Dakota Outstanding Wrestler as a senior.

- HWT: 1
South Dakota State
Coaching Staff
South Dakota State University wrestling coach Jason Liles will attempt to become the Jackrabbit career leader in wrestling coaching victories as he begins his 16th season as head coach during the 2008-09 campaign.

After guiding the Jackrabbits to an 8-8-1 record during their inaugural season as a Western Wrestling Conference member, Liles enters the season with a career record of 221-127-3. That mark includes a 132-99-2 mark at SDSU, trailing only the late Warren Williamson, who compiled a 134-74-9 dual record over 16 seasons from 1957-68 and 1970-73, for the coaching victories lead.

Liles has led SDSU to a winning dual record nine times, including a streak of eight consecutive winning seasons from 1996-2003. As part of that streak, the Jackrabbits tied a school record with 17 dual victories during the 1997-98 season. SDSU won the National Wrestling Coaches Association National Duals that season and repeated the feat during the 1999-2000 season.

In 1993-94, Liles took over the South Dakota State wrestling program and guided the Jackrabbits to a fourth-place finish in the NCAA Division II tournament. That marked the highest national finish for the Jackrabbits in 25 years and was the first time that SDSU had two individual national champions — Chad Lamer at 177 and Justin Blasius at 190 — in the same season.

In the 1996-97 season, SDSU won the NCC title — the first since 1980 — as Liles was named Coach of the Year in the conference. After coming within 1.5 points of NCC champion Nebraska-Omaha a year earlier, the Jacks eliminated the suspense early in 1997 by putting six wrestlers in the finals of the conference tournament in Grand Forks, N.D. It translated to an 80-65 victory over the runner-up Mavericks.

In each of his first 10 seasons, Liles led the Jackrabbits to a top-10 finish at the NCAA Division II Championships, including nine top-five finishes. SDSU placed second at nationals twice (1998, 2001), third once (2001), fourth four times (1994, 1996, 1997, 2000) and fifth two times (1995, 1999). He also led SDSU to a North Central Conference team title in 1997 — its first in 17 years.

Liles was named Division II Wrestling Coach of the Year during the 2000-01 season, one in which the Jackrabbits posted a 9-5-1 dual record and came within a victory of claiming the first team national championship in school history.

By the time SDSU completed its run as a member of the North Central Conference and NCAA Division II at the close of the 2003-04 season, the SDSU wrestling program had produced 46 All-Americans, 11 national champions and 36 NWCA All-Academic Team selections during Liles’ tenure.

Starting with the 2004-05 season, the Jackrabbits have competed at the NCAA Division I level. SDSU wrestled as an independent the first two seasons in the D-I ranks, then joined seven other schools in forming the 2008-2009 South Dakota State Wrestling
Head coach Jason Liles

Western Wrestling Conference in time for the 2006-07 season.

Since moving to the highest level of collegiate competition, SDSU has posted a 27-36-1 dual record, starting with a 10-8 record during the 2004-05 season. Highlighting the Jackrabbits’ 2006-07 season was the program’s second American Division title at the Virginia Duals in three years.

SDSU completed a fast-tracked transition to Division I prior to the 2006-07 season, making the Jackrabbits eligible for postseason consideration. Under Liles’ guidance, redshirt freshman Ryan Meyer became the first SDSU wrestler in the D-I era to qualify for the national meet following a runner-up effort in the 165-pound weight class at the 2007 West Regional.

As a team, the Jackrabbits placed fifth out of seven teams at the 2007 West Regional.

Liles came to SDSU in 1993 after a nine-year stay at Montana State University-Northern, in Havre, where he led his squads to NAIA national championships in 1991 and 1992. Liles was inducted into the MSU-Northern Athletic Hall of Fame during the fall of 2003.

During his career at MSU-N, Liles posted a dual record of 89-33, coached six individual national champions (including the Outstanding Wrestler at the 1990 national tournament) and produced 48 All-Americans.

His teams produced eight academic All-Americans, with the team showing a 3.00 cumulative grade point average from 1987-1993. Prior to joining the staff at MSU-N, Liles was assistant wrestling coach at Miami University in Ohio (1981-84).

Liles got his start in coaching at the high school level in his native Ohio. In two seasons at Arcadia High School, he produced back-to-back Blanchard Valley Conference championships in 1980 and 1981, when his teams combined for a 20-6 dual record.

He then moved on to Miami University (Ohio), where he served as an assistant coach while working toward the master’s degree he received in 1982. At Miami, Liles played an integral part in developing three NCAA Division I All-Americans. Miami won the Mid-America Conference title in 1984 and had an alternate to the 1984 USA Olympic Freestyle team.

NOTES: Through 2003-04, SDSU was a member of the North Central Conference. SDSU competed as Division I Independent during 2004-05 and 2005-06 seasons. SDSU moved to the Western Wrestling Conference in 2006-07 season.
A 1979 graduate of Bowling Green State University in Ohio, Liles ended his career as the winningest wrestler in the university’s history. A four-year starter, he was chosen as the team’s most valuable wrestler his last three seasons (1977-79).

He and his wife Holly reside in Brookings. They have two sons: Walker and Hunter.

Assistant Coaches

Zack Schafer  
*Assistant Coach*

Zack Schafer is in his first season as a wrestling coach at South Dakota State University. Schafer was a three-time Division II All-American at Mercyhurst College in Erie, Pa. In 2005, Schafer placed fourth at 165 pounds and claimed runner-up honors 2006. In 2007, Schafer moved up to 174 pounds where he placed seventh. He was also a three-time NWCA Academic All-American.

Schafer left Mercyhurst as the all-time leader in wins (109), reversals, nearfalls, and major decisions. He was also second in pins, team points and technical falls.

The Girard, Pa., native was a volunteer assistant coach at Mercyhurst College during the 2007-2008 season.

At SDSU, Schafer is responsible for coaching the middle weights and is currently pursuing his degree in sports pedagogy after graduating from Mercyhurst with a degree in accounting.

Chad Lamer  
*Volunteer Assistant Coach*

The most decorated wrestler in South Dakota State University history, Chad Lamer enters his second season with the Jackrabbit wrestling program as a volunteer assistant coach for the 2008-09 season.

A Colton native, Lamer won three consecutive NCAA Division II national titles at two different weight classes during his standout career at SDSU from 1992-96, during which he compiled a 132-30-2 record to finish as the all-time victories leader in school history at that time. As a true freshman, Lamer placed eighth in the 167-pound weight class at the 1992 national meet to earn All-America honors. After a redshirt season, Lamer went on to win individual national titles at 177 pounds in both 1994 and 1995, then closed out his collegiate career by winning the 190-pound title in 1996. He was named the Outstanding Wrestler of the 1996 NCAA Division II Championships and was also honored as South Dakota Male College Athlete of the Year in 1996.

In addition, Lamer won North Central Conference individual titles in 1995 and 1996.

He was inducted into the Division II Wrestling Hall of Fame in 2004.

Lamer stayed on as an assistant coach at SDSU for the 1996-97 season while he completed his degree in landscape design, and helped guide the Jackrabbits to an NCC team title as a member of head coach Jason Liles’ staff.

He then moved on to compete on the national and international stage as a member of the Hawkeye Wrestling Club. He earned a University World Freestyle championship in the 97-kilogram weight class in 2000 and also placed third in the U.S. National Freestyle Championships and fourth in the U.S. Olympic Freestyle Trials that same year. In 2001 and 2002, Lamer competed as a member of the United States National Freestyle Team, placing second in both the U.S. National Freestyle Championships and U.S. World Freestyle Trials at 96 kilograms each year. He closed out his competitive career by winning the 96-kilogram title for the Iowa Stockers Real Pro Wrestling team.

While competing for the Hawkeye Wrestling Club, Lamer pursued a Doctor of Chiropractic degree at the Palmer College of Chiropractic in Davenport, Iowa. He currently serves as a chiropractor at the Brookings Chiropractic Center.

Nate Hansen  
*Assistant Coach*

Nate Hansen is in his second season as an assistant wrestling coach at South Dakota State University.

Hanson coordinates the strength and conditioning program for the Jackrabbit wrestling team and works with the lightweights.

A Gregory native, Hansen won three consecutive South Dakota Class B state titles from 2001-03 and recorded six top-five finishes. He then went on to a successful collegiate career at Luther College in Decorah, Iowa, where he earned NCAA Division III All-America honors twice.

Hansen placed fourth at 125 pounds in 2006, then won a national title in the same weight class as a senior in 2007. He also won an Iowa Conference title in 2007 and was honored as a Scholar All-American by the National Wrestling Coaches Association as a junior and senior.

184: Tyler Sorenson, SDSU, dec. Jacob Devlin, 11-4
197: James Ciccone, AFA, maj. dec. Jeremy Swier, 12-0
HWT: Anthony Stegeman, AFA, won by forfeit

Hall-of-Famers

Five individuals with direct ties to South Dakota State University have been inducted into the Division II Wrestling Hall of Fame.

• Warren Williamson •
  Longtime South Dakota State coach Warren Williamson was one of eight people inducted with the inaugural Hall of Fame Class in March 1996.

  Williamson coached the Jackrabbits for 16 seasons — from 1957-68 and from 1970-73. During his tenure, he compiled a 134-74-9 dual record, and coached 24 College Division All-Americans and two national champions. His teams also won three North Central Conference titles and placed in the top 10 at the College Division national tournament seven times.

  Williamson also is a member of the Jackrabbit Sports Hall of Fame and South Dakota Hall of Fame.

• Jeff Hohertz •

  A three-time North Central Conference champion, he also earned All-America honors with a fifth-place finish as a junior. A native of Minnetonka, Minn., Hohertz ended his career with an 88-23-1 record.

• Rick Jensen •
  Watertown native Rick Jensen was one of three SDSU inductees to the Division II Wrestling Hall of Fame in 2000. During his career at SDSU, Jensen became the school’s first four-time conference champion and was a three-time national finalist. He claimed a national championship at 126 pounds as a freshman in 1976, and also finished as runner-up at 134 pounds in 1977 and 142 pounds in 1979. He ended his career with a 128-24 record. Also a member of the Jackrabbits Sports Hall of Fame.

• Jim Koch •
  Former Jackrabbit wrestler Jim Koch, the longtime head wrestling coach at Wisconsin-Parkside, was inducted into the Division II Wrestling Hall of Fame in 2000.

  A 1969 graduate of SDSU and Milbank native, Koch earned runner-up honors at the North Central Conference Championships three times while wrestling under Warren Williamson. After serving as a graduate assistant at SDSU for one season, Koch accepted the head coaching position at Parkside in 1970. At the time of his induction, Koch’s wrestlers had earned All-America honors 88 times with 10 national titles. He also has held numerous leadership positions in wrestling coaches associations and was instrumental in the creation of the Division II Wrestling Hall of Fame.

• Chad Lamer •
  Lamer earned his induction to the Division II Wrestling Hall of Fame in 2004.

  A four-time All-American, Lamer won three consecutive national titles — the first of which came at 177 pounds in 1994. After repeating as 177-pound champion in 1995, Lamer claimed his final Division II title in 1996 at 190 pounds. He also placed eighth at 167 pounds as a freshman.

  Lamer completed his collegiate career with a pair of North Central Conference titles and a 132-30-2 record. He posted the best overall record in SDSU history with a 40-2 record during the 1995-96 season.
Eight intercollegiate institutions announced the formation of the Western Wrestling Conference (WWC) in May 2006, with the NCAA Division I wrestling-only alliance beginning competition in the 2006-07 season.

Charter members of the Western Wrestling Conference included: the United States Air Force Academy, Fresno State University (Calif.), North Dakota State University, the University of Northern Colorado, the University of Northern Iowa, South Dakota State University, Utah Valley State College and the University of Wyoming. However, Fresno State dropped wrestling prior to the start of the 2006-07 season.

Schools are required to compete against five league schools in dual action to be eligible for the regular season conference championship. Schools are encouraged to schedule as many conference teams as possible. Six of the current members currently compete in the NCAA West Regional: Air Force, Northern Colorado, North Dakota State, Northern Iowa, South Dakota State and Wyoming. Utah Valley State is continuing its transition to Division I status and will be eligible for the NCAA Championships in 2009-10. The 2009 NCAA West Regional will serve as the NCAA qualifying tournament and will be hosted by Northern Colorado on March 7, 2009.

The goal of the league is to replace the West Regional with a conference tournament, which would then serve as the NCAA qualifier. The WWC recognizes student-athletes on both a weekly and full-season basis. Individual awards include Wrestler of the Week; All-Conference team; an Academic All-Conference team; and Wrestler, Newcomer and Coach of the Year awards. The league will also crown a team champion following the conclusion of the regular season conference competition and the postseason tournament.

The governance of the Western Wrestling Conference remains primarily with the member institutions. Scheduling of contests, assignment of officials and certain media relations functions will remain with member institutions.

Col. William Walker of the United States Air Force Academy serves as the conference commissioner, while Colin McDonough of UNI will serve as the WWC Media Relations Director. “This is a very important alliance between quality institutions,” Walker said. “We think that it will strengthen our programs and provide a better experience for our student-athletes.”

The seven member schools are spread out over six states and two time zones, which will give each school added exposure — both in terms of media and recruiting — in new destinations. The conference affiliation is also expected to generate much interest within the seven schools’ substantial alumni base, which numbers nearly 750,000 combined.

South Dakota State University wrestles its home matches in Frost Arena, named after former Jackrabbit coach and athletic director R.B. “Jack” Frost.

Frost served as athletic director and professor and head of the physical education department from 1947 until 1960. He compiled an 86-79 mark in seven seasons as Jackrabbit men’s basketball coach from 1948-54. Frost also was an international leader in recreation, health and physical education, serving in 1965 as the United States representative at the Fifth Session of the International Olympic Academy in Greece.

Frost Arena, which is part of the Stanley J. Marshall HPER Center, now seats approximately 6,500 fans. The addition of chair-back lower-level seating prior to the 1992-93 season, as well as the addition of chair-back seating in the lower level end zones and new student bleachers in the summer of 2004, eliminated nearly 2,500 seats from the original seating capacity of 9,500.

In the fall of 2005, Frost Arena was included with Coughlin-Alumni Stadium in a $3 million Daktronics scoreboard project. The Frost Arena portion includes a four-sided scoreboard with four ProStar® video screens measuring 12 feet by seven feet, two ProAd® displays measuring 60 feet long by four feet high and a new full-color digital ProTable® scorers table, all of which can display real-time statistics.

Widely regarded as the finest arena with the best athletics atmosphere in the state, Frost Arena was the site of NCAA Division II Wrestling National Championships in 1973, 1980, 1993 and 2000, as well as a few North Central Regional men’s basketball tournaments, the 2003 NCAA Division II North Central Regional women’s basketball tournament, as well as regional and state high school tournaments.

Postseason basketball returned to Frost Arena in 2007 as two rounds of the Women’s NIT were played in front of capacity crowds. In addition, Frost Arena is the site of SDSU graduation ceremonies, the annual Wacipi pow-wow, concerts and numerous other campus events.

Bids totaling $3,374,115 were let for the facility following legislative approval of the project, with the bill signed by Gov. Frank Farrar on Feb. 14, 1970. Ground was broken Sept. 22, 1970, with the cornerstone placed by Gov. Richard Kneip on Oct. 2, 1971. Final cost of the building was $3,685,000, with the difference made up by gifts and donated items.

Frost Arena has undergone a number of improvements in the past couple years, including the addition of a new scoreboard and video display system. The 34-year-old arena remains one of the premier athletic venues in the Upper Midwest.

In November 2007, South Dakota State University officials announced gifts totaling $6 million from the Dykhouse family and T. Denny Sanford to begin construction of a student-athlete development center on the Brookings campus.

The Dykhouse Student-Athlete Center will be located in the north end zone of Coughlin-Alumni Stadium. Preliminary components of the facility include a football locker room and football coaches’ offices, as well as strength and conditioning facilities, athletic training facilities and an academic center for all Jackrabbit teams. Further donations would allow for the addition of coaching offices and team meeting areas for a number of other SDSU teams.

“These extraordinary gifts will allow our student-athletes to reach their full potential for decades to come,” SDSU Director of Athletics Fred Oien said.

Pending final approval from the Board of Regents and South Dakota Legislature, groundbreaking and construction of the Dykhouse Student-Athlete Center would begin in the spring of 2008. The building is expected to be available for occupancy by the fall of 2009.

### 1965 NCC TEAM CHAMPIONS

### 1966 NCC TEAM CHAMPIONS

Front Row: Frank Murphy, Jerry Smith, Don Miller, Terry Linander, Darrell Smith. Back Row: Head coach Warren Williamson, Dennis Campbell, Stan Lambert, Phil Neu, Mike Kain, Paul Thomas, Mick Hurboldt.
1996
Travis King .............................................. Rapid City, S.D. 142
Chad Lamer .............................................. Colton, S.D. 190

1997
Adam Feldman ........................................... Mitchell, S.D. 126
Travis King .............................................. Rapid City, S.D. 142
Ryan Resel .............................................. Miller, S.D. HWT
Chad Wickman .......................................... Masonville, Iowa 118

1998
Travis King .............................................. Rapid City, S.D. 150
Ryan Resel .............................................. Miller, S.D. HWT
Chad Wickman .......................................... Masonville, Iowa 118

2000
Paul Konechne .......................................... Kimball, S.D. 141

2001
Tyler Bryant ............................................. Pierre, S.D. 165
Paul Konechne .......................................... Kimball, S.D. 141
Jon Madsen ............................................. Carpenter, S.D. HWT

2002
Tyler Jones .............................................. Mitchell, S.D. 184
Jeremy Roe ............................................. Lennox, S.D. 141

2003
Tyler Jones .............................................. Mitchell, S.D. 184

Two-Time NCC Champions
Jon McNitt.................................................. 1967-68
Mike Engels.............................................. 1973-74
Al Holleman ............................................. 1985-86
Tyler Jones .............................................. 2002-03
Paul Konechne .......................................... 2001-02
Chad Lamer .............................................. 1995-96
Terry Linander .......................................... 1965-66
Vince McCullough ...................................... 1984-85
Frank Murphy .......................................... 1965-66
Mike Pankratz .......................................... 1992-93
Wayne Paulsen ......................................... 1964-65
Ryan Resel .............................................. 1997-98
Kirk Simet .............................................. 1978-79
Bill Taggart ............................................. 1964-65
Don Trapp ............................................... 1969-70
Chad Wickman.......................................... 1997-98

Three-Time NCC Champions
Jeff Hohertz............................................... 1977-78, 81
Travis King.............................................. 1996-98
Greg Schmidt........................................... 1968-70
Jerry Smith............................................... 1966-68

Four-Time NCC Champions
Rick Jensen............................................. 1975-77, 79
Perry Fink............................................... 1986-89

NCC Team and Individual Championship Records
Held by SDSU
Most Individual Titles, One Tournament: 8, 1966
Most Team Points Scored, Individual, One Tournament: 20, by Rick Jensen, 1976 (shared with three others)
Most Pins, Individual, One Tournament: 3, by Don Miller, 1964 (shared with five others)

Media Information

Credentials - All requests for media credentials for SDSU home wrestling matches should be directed to the South Dakota State sports information department at least 24 hours prior to the event. Credentials will be mailed if requests are received a week or more in advance. Otherwise, credentials may be picked up at the Jackrabbit Ticket Office inside the Stanley J. Marshall HPER Center weekdays from 9 a.m. to 5 p.m.

Due to limited seating, only working media will be allowed access on a first-come, first-served basis. The following guidelines apply specifically to Internet sites:

- No more than two people working for the official Web site of the opponent and/or its official conference site will be issued credentials.
- Web sites whose content centers around message boards and chat rooms where users can post anonymous information and/or rumors are ineligible for any consideration for credentials or access.
- Credentials will not be granted to any agency operating sites that are in any way affiliated with gambling, or to freelance or fan-based sites that are not affiliated with a legitimate news-gathering organization.

The final decision for credentials remains at the sole discretion of the South Dakota State sports information department.

Statistics - The South Dakota State sports information office will keep official statistics and will distribute final statistics to teams and members of the media within 15 minutes after the conclusion of a game.

On the Web - The latest Jackrabbit news and updates can be viewed on the Internet at www.GoJacks.com, the official site of South Dakota State University athletics. Box scores, statistics and a game recap will be posted within an hour following the conclusion of a contest.

Interview Policy - Outside of athletics events, interviews with South Dakota State University student-athletes must be arranged 24 hours in advance Monday through Thursday by contacting the SDSU sports information office or the head coach of the sport involved. Please do not contact the student-athlete directly without prior approval — phone numbers of SDSU student-athletes will not be released.

Media members should understand that all return calls will be made collect or via a toll-free number, unless the student-athlete does the interview from the sports information office. Jackrabbit student-athletes will not be available for interviews prior to a contest the day of a game, but will be available for post-game interviews 10 minutes after the conclusion of contests by contacting a member of the sports information staff or coaching staff.

Photographers - Photographers (live and still) are asked to not interfere with the sight lines of spectators. Video may be shot at mat level from the corners of Frost Arena.

Contact Information - Photographers (live and still) are asked to not interfere with the sight lines of spectators. Video may be shot at mat level from the corners of Frost Arena.

South Dakota State University
You Can Go Anywhere From Here

With a record enrollment of 11,995 students in the fall of 2008, South Dakota State is the state’s largest institution of high education.

Early History
Located in Brookings, SDSU was authorized in 1881 by the Territorial Legislative Assembly and serves as the state’s land-grant institution. Territorial Council member John O’Brien Scobey, failing to obtain the penitentiary for Brookings, managed to secure Dakota Agricultural College for his city.

Although allocations fell short of the actual cost, the school was able to open in the fall of 1884 because the president, George Lilley, was willing to advance $500 — one-third of his salary — to finish three rooms in the new Central Building.

In 1887, the Agricultural Experiment Station was established under the federal Hatch Act and linked to the University to conduct research that concerned agriculture and the home. The Cooperative Extension Service was added in 1914 through the Smith-Lever Act.

During the first year of operation, only preparatory classes were held. College classes started in 1885 with five teachers, 17 freshman and 61 preparatory students. Growth was slow and erratic for many years, but by the turn of the 20th century there were 242 students.

By 1990, enrollment topped more than 9,000 students. Today, students from all 50 states and more than 40 nations attend SDSU. More than 67,000 degrees have been granted since the college was chartered in 1881.

Colleges Established
The structure of the college became more complex as enrollments increased. The first nine chairs of instruction established in 1884 included agriculture, science, mathematics, English, modern languages, military tactics, veterinary science, practical business, political and domestic economy, and music.

By 1907, the year the name of the institution was changed to South Dakota State College of Agriculture and Mechanic Arts, there were 22 departments on campus.

In 1964, when “State College” was renamed South Dakota State University, there were six colleges; today degrees are offered through these eight colleges:

- Agricultural and Biological Sciences
- Arts and Science
- Education and Counseling
- Engineering
- Family and Consumer Sciences
- General Registration
- Nursing
- Pharmacy
- Graduate School

SDSU also offers degree programs through the University Center in Sioux Falls. Evening, RDTN, Internet and off-campus courses are coordinated through the Office of Academic Affairs and Outreach.

SDSU by the Numbers
In its 125-year history, South Dakota State has grown from a campus of 80 acres in 1881 to a 422-acre campus with facilities worth more than $380 million. The University owns or leases another 15,000 acres for research throughout the state.

A University Student Union expansion and renovation project was completed in the summer of 2005, as was the Student Health Center.

Other recent building projects have included:
- A $48 million, 144,000-square-foot Integrated Sciences Complex;
- A $28 million Student-Athlete Center;
- A $3.6 million equestrian center; and
- The $6 million Dykhouse Student-Athlete Center.

More than 200 majors, minors and options are available at SDSU with more than 2,500 different course offerings. Master’s degrees are offered in more than 30 areas and doctorates are available in eight fields.

of Colleges and Secondary Schools and numerous departments on campus have earned accreditation from various agencies.

More than 2,000 people are employees of SDSU, and the University’s total operating budget was more than $195 million in Fiscal Year 2007.

Supplementing classroom instruction are the Harding Distinguished Lecture Series, the F.O. Butler Lectures, the Lusk Lecture and the Amdahl, Schultz-Werth and Griffiths endowments.

Students also have the opportunity to choose from more than 200 clubs and organizations active on campus.

Research

SDSU has the highest percentage of undergraduates involved in research of any South Dakota public university. SDSU is large enough to offer competitive research opportunities, yet small enough to foster student-faculty learning opportunities.

In 2006, SDSU was recognized by the Carnegie Foundation for the Advancement of Teaching as the state’s only RU/H (research university/high research activity) institution. This prestigious ranking recognizes the growth of doctoral programs, degrees granted and competitive funds obtained.

Major areas of research at SDSU include:

- Engineering and technology research into photovoltaic devices, nanotechnology, materials science, wind power, surface transportation systems, signal and image processing, water treatment, computer sciences, software engineering and computational science and statistics.
- Agricultural sciences research on crops, livestock and the spectrum of related issues, such as agricultural biotechnology, infectious diseases (animal and zoonotic), food manufacturing, bio-based energy and products, economics and horticulture.
- Management and conservation of natural resources, with research on soil and water quality, soil fertility, conservation farming practices, wildlife and fisheries, climate change, landscape ecology and livestock waste.
- Health sciences, nutritional sciences and wellness research programs in pharmaceutical sciences, nutrition and exercise physiology, muscle-bone relationships, cancer prevention, nursing and infectious diseases.
- Renewable energy research is developing bio-based energy technologies, while promoting diversification and environmental sustainability of America’s agriculture.

SDSU has been selected as one of five universities to serve as a regional center for the Sun Grant Initiative. The Sun Grant Initiative is a concept to solve America’s energy needs and revitalize rural communities with Land-Grant university research, education and Extension programs on renewable energy and bio-based non-food industries. The Sun Grant Initiative will involve several SDSU departments, including mechanical engineering, biology and microbiology, the Geographic Information Science Center of Excellence, nutrition and food sciences, chemistry and plant science.

- The Economics Department is studying the economic impact of ethanol development on the state’s economy and the logistics of using biomass for producing renewable fuels.
- Over the next five years, $69 million in federal funds is to be awarded to SDSU and six other universities to serve as Vanguard centers for the National Children’s Study. The NCS will study more than 100,000 children across the country from conception to age 21. As part of the Governor’s 2010 Initiative, a goal is for South Dakota to become a recognized leader in research and technology development. To realize this goal, SDSU faculty are involved in five research centers:
  • Center for Infectious Disease Research and Vaccinology
  • Center for Bioprocessing Research and Development
  • Center for Drought Tolerance Biotechnology
  • Center for Accelerated Applications at the Nanoscale
  • Center for the Research and Development of Light-Activated Materials

An agreement between SDSU and Argonne National Laboratory will develop opportunities for SDSU faculty and students working in partnership to pursue fields of science that advance science and technology-driven economic development in South Dakota.

Museums and Attractions

The educational opportunities don’t end in the classroom or laboratory as South Dakota State University is home to several facilities, including museums and gardens, which highlight South Dakota history and heritage. The South Dakota Art Museum houses several collections, including early Sioux Indian tribal art, the famed Harvey Dunn paintings of pioneer life and the exclusive Vera Way Marghab linens. The South Dakota Art Museum has been selected as one of five universities to serve as a regional center for the Sun Grant Initiative. setting for area residents and tourists to enjoy a stroll through the radiant colors and fragrances of one of the top small ornamental gardens in the nation. It is also recognized as an All-American Display Garden, one of only 13 in the nation. In 1993, McCrory Gardens was designated an All-American Judging Garden to conduct research on annual flowers. In 1982, the area north of the formal garden was dedicated to the planting and testing of ornamental trees and shrubs. The 45-acre site was designated the South Dakota State Arboretum in 1988. Perhaps South Dakota State’s most recognizable landmark is the 165-foot Coughlin Campanile, the state’s largest chimes tower. A climb of 179 steps leads to a panoramic view of the city. The statueque structure on the west end of campus was a $65,000 gift from 1909 engineering graduate Charles Coughlin, who later went on to become head of the Briggs & Stratton Corporation. Coughlin laid the campanile’s cornerstone on June 10, 1929. Since then, its chimes have called students to classes with the famous Westminster peals. An alumni-sponsored project to restore the campanile was completed in the summer of 2001. Adjacent to the campanile, Coolidge-Sylvan Theatre has provided a restful, green haven for students since its dedication by President Calvin Coolidge in September 1927. Over the years the outdoor amphitheater has been the site of concerts, graduations and inaugurations for university presidents. Woodbine Cottage, the home of the university president, is a charming example of Queen Anne architecture. Built in 1887 by South Dakota Agricultural College’s second president, Dr. Lewis McLouth, the home is crowned by multiple roof lines. The house also has served as a women’s dormitory, music hall and infirmary.

**State’s Largest Library**

The Hilton M. Briggs Library, the state’s largest, was opened in 1977 and joined South Dakota’s statewide automated library network in 1988. Through the library, users have access to holdings from all 10 of the state’s libraries, including official documents and more than 1 million other holdings at Briggs.

**The Brookings Community**

Today, Brookings is a growing community of about 18,700 people. Located 20 miles west of the Minnesota border and 50 miles north of Sioux Falls in east-central South Dakota, Brookings is situated at the intersection of U.S. Highway 14 and Interstate 29. The community also is home to several recognizable companies including Rainbow Play Systems, Minnesota Mining and Manufacturing (3M), Larson Manufacturing, and Daktronics, a leading manufacturer of scoreboards and display systems.

**McCrory Gardens**—The 70-acre McCrory Gardens and South Dakota Arboretum are located south and east of SDSU’s campus. The gardens provide a beautiful setting for area residents and tourists to enjoy a stroll through the radiant colors and fragrances of one of the top 10 small ornamental gardens in the nation.
South Dakota State University

Administration

David Chicoine
President, South Dakota State University
South Dakota State University '69

Dr. David L. Chicoine became the 19th president of South Dakota State University on January 1, 2007. He is the third alumnus to serve as president of the institution.

Dr. Chicoine has over 30 years of experience in higher education with the University of Illinois. He is a nationally recognized economist, specializing in public finance, taxation, and rural economics. His higher education administrative experience includes service as Head of the Department of Agricultural Economics and Dean of the College of Agriculture, Consumer and Environmental Sciences, at the University of Illinois at Urbana-Champaign. Serving most recently as Vice President for Technology and Economic Development for the University of Illinois system and interim Vice President for Academic Affairs, Chicoine started his career as an Extension economist and specialist with the University of Illinois Cooperative Extension Service.

As vice president at the University of Illinois, he restructured the university’s technology licensing offices, reaching new milestones each year; launched the university’s early stage capital and business development services company, IllinoisVENTURES, LLC, that supported start-up projects, securing special state and university funding for operations and pre-seed investing and facilitated the creation of the $26.5 million early stage Illinois Emerging Technologies Fund; and he oversaw the expansion of research parks and incubators at the university’s Urbana-Champaign and Chicago campuses.

As dean, he transitioned the College of Agriculture, Consumer and Environmental Sciences (ACES) from 14 administrative units to seven academic departments and the Information Technology unit; completed a capital campaign for ACES surpassing the final goal of $115 million by raising $134 million in private gifts; grew the ACES endowment to $60 million, established $15 million in annual private gift support, funding endowed positions, scholarships and fellowships, and program support for teaching, research, and Extension; and he oversaw the completion of the $22 million ACES Library, Information and Alumni Center where $11 million was from gifts from ACES alumni and friends.

He has co-authored four books, 12 book chapters and more than 100 invited and/or peer reviewed academic journal articles. Dr. Chicoine served as an advisor to the Illinois General Assembly on tax issues, farmland property tax assessments, public finance and rural economic issues. He served as a member of the Illinois Governor’s Council of Economic Advisors, and was a member of the board of the Illinois State Treasurer’s Technology Development Fund. He currently is a tenured faculty member in the SDSL Department of Economics, where he has been recognized as a Distinguished Alumnus.

Chicoine served as the faculty representative to the Big Ten Conference and the National Collegiate Athletics Association (NCAA) for the University of Illinois at Urbana-Champaign. He served as chair of the Budget and Finance Committee for the Big Ten Conference for nine of his eleven year term.

Dr. Chicoine is a graduate of SDSU with a B.S. in agribusiness in 1969, and the University of Delaware where he received an M.S. in agricultural economics in 1971. In 1978 he received an M.A. in economics from Western Illinois University, and in 1979 he completed his Ph.D. in agricultural economics at the University of Illinois at Urbana-Champaign.

Fred Oien
Athletic Director, South Dakota State University
South Dakota State University '72

Dr. Fred Oien became the 11th director of athletics at South Dakota State University on July 1, 1990.

Oien earned his bachelor’s degree from SDSU in 1972 and has been on the South Dakota State University staff since 1979. In 1981, he began serving as the business/ticket manager and continued in that role until his appointment as director of athletics.

A 1968 graduate of Baltic (S.D.) High School, Oien added his master’s degree from SDSU in 1975 and then completed his doctorate (Ed.D) at the University of Massachusetts-Amherst in 1979.

Prior to joining the SDSU staff, Oien taught physical education and health at Brookings Middle School from 1973-79, during which time he was the varsity golf coach for both boys and girls, the middle school basketball coach, and the middle school football coach.

Oien also was the women’s golf coach at South Dakota State, guiding the Jackrabbits to one North Central Conference championship. The SDSU women’s golf team of 1982 was later voted the South Dakota Women’s College Team of the Year.

Along with his duties as the athletics director, Oien also serves as the Department Head for the Department of Health, Physical Education, and Recreation at SDSU.

Dr. Mylo Hellickson has been South Dakota State University’s Faculty Athletic Representative to the NCAA since 1977. He also serves as the chairman of the Athletic, Intramural and Recreation Committee on campus.

Hellickson returned to the classroom as a professor in agricultural engineering after serving several years as Director of Agricultural Extension at SDSU. He has been on staff at South Dakota State since 1969, serving as a professor in agricultural engineering until he was appointed as head of that department during the summer of 1982.

Dr. Hellickson’s specialty has been in the area of livestock structures and environment with recent emphasis on solar energy use in agriculture.

A native of Belfield, N.D., Hellickson earned a bachelor's degree in agricultural engineering from North Dakota State University in 1964. He later added a master’s degree in agricultural engineering in 1966 from his Alma mater before continuing his education at West Virginia University, where he earned his Ph.D. in engineering in 1969.

Hellickson was presented the North Central Conference Meritorious Service Award at the November 1990 meetings.

Assistant Athletic Trainer
Vision, Mission and Values of the SDSU Athletic Department

Every undertaking of South Dakota State University is driven by a common force — a relentless commitment to excellence. Within the Athletic Department, excellence is measured by much more than wins and losses. We are committed to providing each and every student-athlete with a comprehensive collegiate experience that is second to none. Every decision that guides our program is made with the student-athlete in mind. Is Athletic Achievement important? Yes, because it is the fundamental purpose of the student-athlete experience. Is Social Responsibility a vital component? Yes, we expect to contribute to the well-being of our campus, community, and state. How about Positive Student-Athlete Experiences and Competitive Success? Those also define our program because they are integral to the student athlete’s growth. That is what it means to be student-centered, and why our vision is:

**VISION:** To be a premier student-centered collegiate athletic program.

How will SDSU Athletics achieve that vision? By working tirelessly to create a special place where student-athletes who share our drive and determination can develop life skills that lead not only to athletic success, but pave the way for victories long into their lives. The important work of creating that setting is the heart of our mission:

**MISSION:** To passionately and relentlessly create an environment, rooted in sportsmanship and ethical conduct, where motivated student-athletes can develop into lifelong champions.

To be a lifelong champion, one must maintain a discipline of taking the highest road. Similarly, SDSU is guided by a stringent value set that will not be compromised:

**VALUES:** Honesty, equity, academic integrity, fiscal integrity and social responsibility with the expectation of competing at the highest level.
## 2008-09 Schedule

**NOVEMBER**
- **8** Warren Williamson/Daktronics Open, 9 a.m.
- **15** Harold Nichols Open, Fort Dodge, Iowa, 9 a.m.
- **22** Kaufman-Brand Open, Omaha, Neb., 9 a.m.
- **29** Indiana Duals, Bloomington, Ind., 9:30 a.m.
  - Cumberlands (Ky.), 9:30 a.m.
  - Indiana, 11:30 a.m.
  - Liberty, 1:30 p.m.
  - Ohio, 3:30 p.m.
  - Rutgers, 5:30 p.m.

**DECEMBER**
- **5** Cliff Keen Invitational, 9 a.m.
- **7** Delaware State, Dover, Del., 1 p.m.
- **7** Virginia Military Institute, Dover, Del., 3 p.m.
- **10** Franklin & Marshall (Pa.), Lancaster, Pa., noon
- **10** Sacred Heart (Conn.), Lancaster, Pa., 2 p.m.

**JANUARY**
- **18** Maryland, Lincoln, Neb., noon
- **18** Nebraska, Lincoln, Neb., 2 p.m.
- **22** Northern State, 7 p.m.
- **25** Northern Colorado*, 2 p.m.
- **30** Wyoming*, Laramie, Wyo., 7 p.m.
- **31** Air Force*, Air Force Academy, Colo., 3 p.m.

**FEBRUARY**
- **6** Utah Valley*, 7 p.m.
- **13** Pacific (Ore.), Portland, Ore., 1 p.m.
- **13** Portland State (Ore.), Portland, Ore., 7 p.m.
- **20** North Dakota State*, 7 p.m.
- **21** Northern Iowa*, 7 p.m.

**MARCH**
- **8** NCAA West Regional, Greeley, Colo.
- **19-21** NCAA Division I Championships, St. Louis, Mo.

*Western Wrestling Conference game

All home events in **bold** and held at Frost Arena. All times local to location.
