*"We are a small school district and new to the SDLN system. We are excited about the possibilities, on the one hand, and we are seeing usage amongst our elementary students, on the other. We are convinced that it is a very good system and it needs to be used by all of our students as well as the other patrons of our library."*

**Arlo Levisen, Superintendent  
of the Grant-Deuel School District, Revillo**

---

6th graders from the Grant-Deuel School using SDLN

# SDLN Highlights of 2000

- Expanded the reference databases available from **Infotrac** for SDLN member libraries by adding:
  - Computer Database
  - Contemporary Authors
  - Student Edition
  - Junior Edition
  - Kid's Edition
- In partnership with the South Dakota State Library, enhanced and expanded the selection of licensed reference databases available to South Dakota libraries. South Dakotans and all K-12 schools now have access to five full-text Bell & Howell **ProQuest** databases:
  - Kid's Quest (elementary school);
  - JuniorQuest (middle school);
  - Platinum (high school);
  - Discovery (public library); and
  - Research II Expanded Academic (academic library)
- Added the following libraries. SDLN has 52 full and associate member libraries.
  - Avera Sacred Heart Hospital Library, Yankton
  - Chamberlain School District: Chamberlain High School, Chamberlain Middle School, Chamberlain Elementary School
  - Children's Care Hospital Library, Sioux Falls
  - Grant-Deuel School Library, Reville
  - National American University Libraries, Rapid City
  - Spearfish High School Library
  - Watertown High School Library
  - Yankton High School Library
- Upgraded the operating system software insuring the viability of the PALS software through Summer 2004. This decision was made to strengthen SDLN's position as it prepares for a migration to a new integrated library automation system.
- Installed enhancements to the Inventory feature of the PALS Circulation subsystem have made its widespread use more practical.
- Introduced the Media Booking feature of the PALS Circulation subsystem that facilitates scheduling library resources, i.e. rooms, equipment, videos, etc.

---

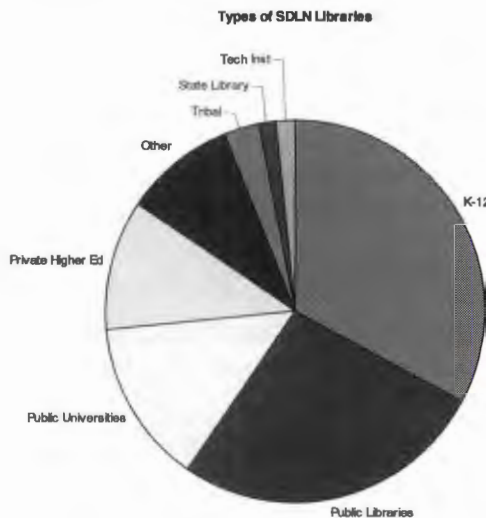

*"The South Dakota Library Network is a partnership that has made a difference in South Dakota providing a point of access for those without information technologies in their homes or businesses. We have been fortunate to have leaders, both in and out of the library community, with a true vision of cooperation for resource sharing."*

**William J. Janklow, Governor,  
State of South Dakota**

---

**University of Sioux Falls  
Mears Library**

# The South Dakota Library Network

Information: <http://www.sdln.net>  
Online search: <http://webpals.sdln.net>

The mission of the South Dakota Library Network is to enable all libraries within South Dakota to provide the State's residents with the information they need, when they need it, and where they need it.

## SDLN Membership Benefits

The South Dakota Library Network (SDLN) provides a seamless information structure publicly accessible to all residents of the State. South Dakota citizens without a local public library have access to SDLN through its ongoing partnership with the South Dakota State Library. SDLN members' librarians work collaboratively to align emerging technologies to leverage the State's existing library resources to meet their individual library patron's information needs. Over three and a half million items owned by SDLN's member libraries and numerous licensed commercial reference databases are available via SDLN, offering every South Dakota resident access to a growing body of resources, regardless of the location of the information or the resident. SDLN provides current information technologies, services, and resources that most South Dakota libraries would not be able to afford independently. SDLN is funded solely by member libraries that cooperate to share resources among more than 200 school, public, private, academic, tribal, medical, government, and corporate libraries.

### With SDLN membership, libraries receive the following benefits:

- **Online Public Access Catalog (OPAC)**  
A single point of access showing the titles held by 70 individual South Dakota libraries
- **Reference Databases** (Licensed commercial databases)
  - Periodicals
    - Computer Database
    - Expanded Academic ASAP
    - General Reference Center Gold
    - General BusinessFile ASAP
    - Health Reference Center Academic
  - Information Databases
    - Contemporary Authors
    - Corporate Profiles
    - ERIC
  - Just for Kids
    - Infotrac Kid's Edition (elementary)
    - Infotrac Junior Edition (middle school)
    - Infotrac Student Edition (high school)
- **Technical Resources**
  - Library of Congress Authority Database
    - Subject Authorities
    - Name Authorities
  - Books in Print, including reviews
  - Library Address Directory

---

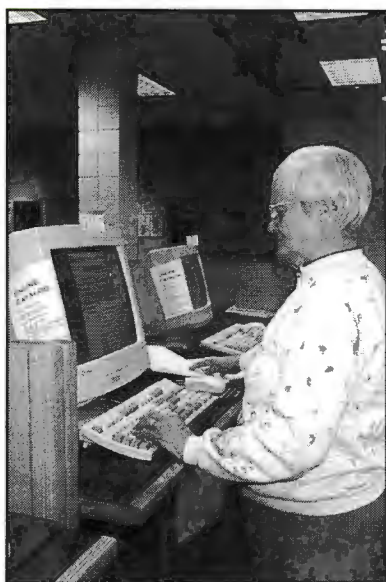

*"In a state the size of South Dakota, we have limited resources. The South Dakota Library Network (SDLN) leverages the library resources to provide excellent computer system support and services. Through SDLN our libraries are able to utilize resources at any other member library."*

**Robert T. (Tad) Perry,**  
*Executive Director,*  
**South Dakota Board of Regents.**

---

The Library of the  
Southeast Technical Institute

Patron using SDLN  
at the Brookings Public Library

- **South Dakota Databases**
  - Sioux Falls Argus Leader index
  - Rapid City Journal index
  - Deadwood historical newspapers index
  - Indian Country Today
  - South Dakota Libraries Directory
- **Library Management Modules**
  - Cataloging
    - MARC Editor
  - Circulation
    - Inventory Control
    - Media Booking
  - Interlibrary Loan
  - Serials Control
  - Acquisitions
- **Internet Services**, including
  - Email for staff of member libraries
  - Internet access for public libraries
  - Web hosting for member libraries

## SDLN Goals

- GOAL 1: The South Dakota Library Network will provide a basic set of information resources to every library in the state, regardless of size or type
- GOAL 2: The South Dakota Library Network will facilitate the collaboration and cooperation of libraries of all types to form groups for the purpose of obtaining access to specialized information resources.
- GOAL 3: The South Dakota Library Network will provide an information structure to support seamless education from elementary through post-secondary
- GOAL 4: The South Dakota Library Network will work to improve South Dakota libraries' ability to provide interlibrary loan of books, magazine articles, and other materials.
- GOAL 5: The South Dakota Library Network will expand and integrate access to high-quality, fee-based information services from commercial suppliers.
- GOAL 6: The South Dakota Library Network will leverage existing State resources and will comply with no less than the minimum State standards for information technology.

Expanded information on goals is available at the SDLN homepage  
([www.sdln.net/about/index.htm](http://www.sdln.net/about/index.htm))

Black Hill State University,  
Berry Library

# SDLN Membership Categories

The South Dakota Library Network (SDLN) is funded through membership fees paid by participating libraries. All membership fees are used to pay for the services provided for the libraries and their patrons. SDLN operates under SDCL § 1-45-37 and a subsequent Memorandum of Understanding among the South Dakota Board of Regents, the South Dakota Department of Education and Cultural Affairs and The South Dakota State Library Board. SDLN is a non-profit organization governed by a set of Guidelines (<http://www.sdln.net/about/memoguidelines.PDF>).

**There are three types of membership in SDLN:**

## **Full Member**

A Full member library has access to all services and all library management modules of SDLN. The library management modules include the online catalog, cataloging (includes the MARC Editor), acquisitions, serials, interlibrary loan, circulation (includes Inventory and Media Booking). Full members have access to all reference databases including full-text. Each Full member library has a voting representative on the SDLN Advisory Council. For a list of Full and Associate member libraries, see pages 10-15.

A formula determines ongoing (annual) fees paid by Full member libraries is shown on a following chart. There is also a one-time start-up fee paid by new member libraries. This fee is based upon the number of branch libraries (or schools) and the estimated numbers of patrons, titles, and volumes in the library. This startup fee is \$0.01 per volume:

- \$500 per building with a library
- \$0.015 per patron
- \$0.035 per title
- \$0.01 per volume

The startup fee covers the implementation planning and setup for the new member library.

## **Associate Member**

Associate member libraries are configured in the online catalog and load their bibliographic records according to standards established by the Network. These members use the online catalog, cataloging (includes the MARC Editor), interlibrary loan, circulation (includes inventory and media booking), and all reference databases including full-text. Only libraries with fewer than 30,000 titles are eligible for associate membership. Once there were three associate members of SDLN, they began to elect a representative to the SDLN Advisory Council.

This membership category is designed to appeal to smaller libraries considering SDLN full membership. The fees paid by Associate members are the same as for the Full members, except that the base fee is lower. The one-time membership start-up fee for Associate members is the same as for Full members.

## **Remote Access Member**

A "remote access" member is also known as a "dial access" member. These members have access to the OPAC and Interlibrary Loan, but do not load their bibliographic records into the catalog. They currently have access to reference databases including full-text. Connection to SDLN will be by dial access or through an Internet Service Provider (ISP). Dedicated connections to SDLN or Internet access through SDLN are not available. Remote Access members elect a representative to the SDLN Advisory Council. For a list of current Remote Access Member libraries, see page 16.

This membership category is designed for the library that wishes to participate in the information sharing activities of SDLN but is fiscally unable to participate in the online catalog and circulation functions.

---

*"The South Dakota Library Network is unique in bringing together many different types of libraries in a collaborative effort that serves the entire State and its citizens and serves as a model for other states and regions."*

*Colleen Kirby, President,  
South Dakota Library Association*

---

**Inside the  
Wegner Health Sciences Library**

# SDLN Fee Structure

The formula to determine the ongoing (annual) fee paid by Full member libraries factors in the number of bibliographic, item, and patron records, PALS system usage, and amount of circulation. There is also a one-time start-up fee paid by new member libraries based upon the number of branch libraries (or schools), the estimated number of patrons, titles, and volumes in the library. Please, contact the State Library or the SDLN offices for specific cost information.

## SDLN Executive Committee 2000-2001

Dakota State University  
Mundt Library

### Executive Committee Chair:

Suzanne Miller, State Librarian  
South Dakota State Library  
800 Governors Drive  
Pierre, SD 57501-2294

Mikkelsen Library

# SDLN User Groups 2000-2001

SDLN has ten user groups. Each one represents a different functional area or membership type of SDLN. The purpose of the user groups is to provide a vehicle for cross communication within SDLN. From the user groups come ideas, suggestions, and concerns for training and improvement. Each user group elects a chair. User groups occasionally convene for in-person meetings but the bulk of their work and discussion is conducted by conference call, discussion list, and electronic mail. The active participation by SDLN members and staff in all user groups works toward ensuring that all SDLN member library staffs are informed and moving in the same direction. All user groups are advisory to the SDLN Executive Committee that, in turn, makes its final recommendations on enhancements and development of SDLN to the SDLN Advisory Council.

The SDLN User Group chairs function as a screening committee to help prioritize change requests made by individual member libraries and user groups to SDLN.

The User Groups and their chairs are:

**Technical Contacts:** Cathy Enlow, Brookings Public Library, [cenlow@sdln.net](mailto:cenlow@sdln.net)

**Cataloging:** Deb Hagemeyer, Augustana College, [debh@inst.augie.edu](mailto:debh@inst.augie.edu)

**Reference:** Rise Smith, Dakota State University, [rise.smith@dsu.edu](mailto:rise.smith@dsu.edu)

**Acquisitions/Serials:** Carlene Aro, South Dakota State University, [Carlene\\_Aro@sdstate.edu](mailto:Carlene_Aro@sdstate.edu)

**Interlibrary Loan:** Elizabeth Fox, South Dakota State University, [Elizabeth\\_fox@sdstate.edu](mailto:Elizabeth_fox@sdstate.edu)

**Associate Members:** Kitty Kringen, Madison High School, [kringenk@madison.k12.sd.us](mailto:kringenk@madison.k12.sd.us)

**Remote Users:** Peggy Williams, Potter County Library, [pclibrary@eaglepeak.com](mailto:pclibrary@eaglepeak.com)

---

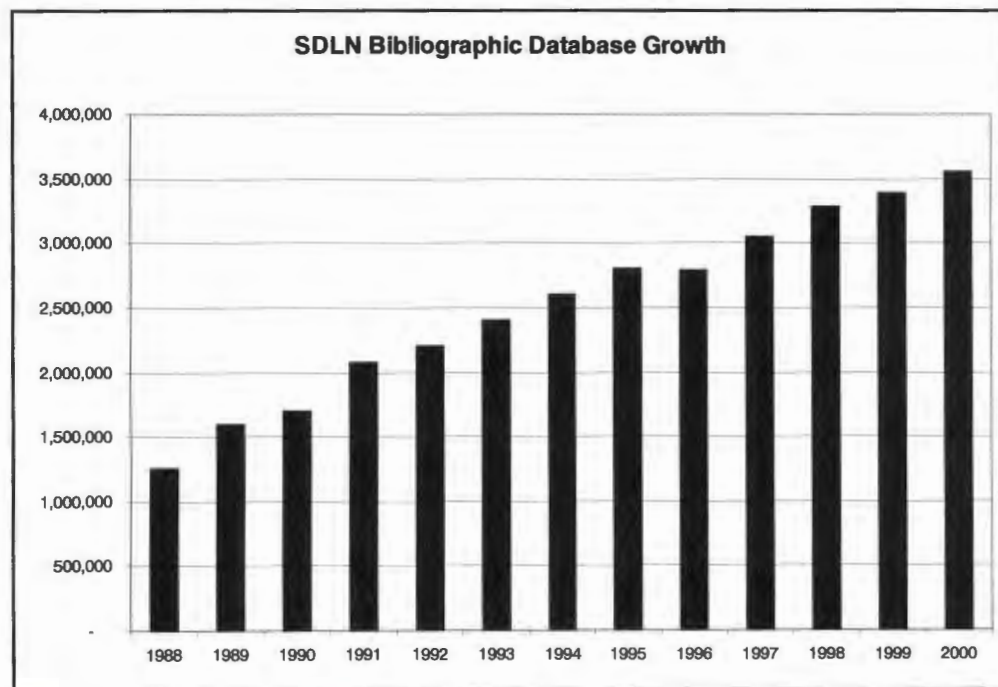

---

*"The pressure on colleges and universities, and their libraries in particular, to meet the information needs of our students and faculty has never been higher. This demand reinforces the importance of effective partnerships and coalitions, like the relationship we have with the South Dakota Library Network. The power of collaboration is apparent in SDLN; it is a highly useful and important part of our effort to manage the demand for information."*

*Richard A. Hanson, Ph.D.,  
Vice President for Academic  
Affairs and Dean of the College,  
Augustana College, Sioux Falls, SD*
