VISUAL INSTRUCTION SERVICE.

We have a number of films that are available for use in South Dakota. Several are state films and will be of special interest to the people of the state.

1. Address all correspondence to Paul J. Scarbro, Club Specialist, if you wish prompt service.

2. Send in your order at least two weeks in advance of the date you wish to use the films.

3. Give us the names and numbers of reels you want.

4. Report any damage to films while in your possession. If films are not in good shape when received, report same to this office.

5. Be sure and express or parcel post films out on the first train after you have used them. By doing this the next man that is to use the films will not be disappointed.

6. Do not rewind after last showing.

7. Borrowers pay transportation charges on films both ways.

8. Our office can furnish information on different makes of projectors and generators.

9. Let us know what you want and we will get it for you.
