## Highlights of 2004-2005

- After several years' search for a new Integrated Library System (ILS), SDLN selected the Aleph product from ExLibris. SDLN libraries converted from the previous ILS, PALS, to Aleph in a two year long project. The PALS system was shut down at the end of March 2005. For a more complete discussion of this effort, see page 3.
  - o Several features of the new system will make work easier for patrons and librarians of our member libraries. These include:
    - § Book jacket covers and other content is now available for patrons to use.
    - § Easier copy-cataloging from Library of Congress and other sources.
    - § Easier navigation in the Circulation client, which allows for better and faster service to patrons as they are checking out or returning materials.
  - o As a part of the new ILS, SDLN implemented a Kids Catalog, a simplified way to access the online catalog. The Kids Catalog uses graphics and easy-to-understand words to guide young children through the search process. SDLN was a development partner with ExLibris for KidsCat.
  - o A new Interlibrary Loan module was developed by ExLibris. SDLN beta-tested this module before implementation.
- SDLN hired a trainer, whose primary duties are to prepare and deliver instruction in the use of the ILS to staff of member libraries.
- A new library was added to SDLN. Hoven School District became an SDLN Associate Member. They are the first new library to join SDLN on Aleph.
- Access to a new suite of databases was implemented. The primary product now available to staff and patrons of our member libraries is EbscoHost, with a substantial complement of databases for Kids from Gale. These databases are listed on page 4.
- Increased collaboration with other Aleph users world-wide, through the election of Gary Johnson, SDLN Operations Director, to the Steering Committee of the North American Aleph Users Group (NAAUG). This has provided for increased visibility for SDLN with Ex Libris.
- Linda Allbee was appointed to the International Consortium of Aleph Users (ICAU) InterLibrary Loan Task Force.
- Gary Johnson was appointed to the Permissions Focus Group, sponsored by the North American Aleph Users Group (NAAUG).

# Project: Migration from PALS to Aleph

The South Dakota Library Network has moved to a new Integrated Library System (ILS). This was accomplished with the investment of many hours of work by the dedicated staff of SDLN and its member libraries. SDLN has moved from "PALS", a product of the Minnesota State University System to "ALEPH", a product of ExLibris Incorporated.

## Timeline

The effort to move to a new ILS actually began many years ago. In 1999, it was clear that a new system was needed. Unfortunately, at that time no vendor had a system that would adequately serve a shared system such as SDLN.

In 2001, the effort to find a new ILS was resumed. The major milestones of the selection and implementation are listed here:

- 2000-2001 "Request for Proposal" (RFP) developed by the SDLN functional user groups.
- November 2001 RFP Issued.
- December 2001 Proposals received from seven (7) vendors.
- Jan - Feb 2002 SDLN user groups reviewed the vendor proposals.
- Apr – June 2002 Top four vendors gave product presentations in Pierre.
- September 2002 Visited the top two vendors.
  - o ExLibris (Aleph) at the University of Iowa
  - o Endeavor (Voyager) at the University of Wisconsin – Stevens Point
- October 2002 SDLN Advisory Council voted to select ExLibris as our new vendor.
- May 2003 Contract signed.
- May 2003 Kick off meeting held for SDLN Project Team and ExLibris staff.
- May 2003 Ordered hardware.
- July 2003 Installed hardware and software.
- July – Sept 2003 Training conducted for the Project Team.
- October 2003 Hired Linda Allbee as our Instructional Librarian.
- Feb – July 2004 Trained staff of SDLN's member libraries.
- July – Nov 2004 Switched to Production (all modules except ILL).
- March 2005 Switched to Production (ILL).
- March 31, 2005 Terminated use of PALS system.

The project was a difficult one for several reasons. The complexity of Aleph is much greater than that of PALS. The vendor was not prepared with qualified staff to provide appropriate project management and training for SDLN. And SDLN staffing was not sufficient for the workload. In the end, the migration was successful, due to many hours of work by dedicated staff at SDLN and at our member libraries.

Significant improvements have been provided to SDLN member libraries. We are now using a product that is being used by many of the most prestigious libraries in the world. It has ongoing support and continuing development by the vendor. Some specific improvements for our users include:

- Online Catalog: book jacket covers and other added content is now available.
- Online Catalog: many features have been customized to meet the specific needs of SDLN libraries.
- Kids Catalog: an easy-to-use interface for young children is now available.
- Cataloging: seamless cataloging with OCLC, Library of Congress, and other sites is now possible.
- Circulation: easier navigation for staff when working across the circulation desk with their patrons.

SDLN is actively involved in national and international user groups. We are members of NAAUG (North American Aleph User Group) and ICAU (International Consortium of Aleph Users). Gary Johnson was elected to the Steering Committee of NAAUG for a two year term beginning June 2004. Linda Allbee is on the ICAU Task Force to help ExLibris develop the next version of Interlibrary Loan, and Gary Johnson is on the NAAUG Focus Group to help define the improvements needed for Aleph permissions. Such involvement will result in an improved product for the libraries and library patrons of South Dakota.

# Membership Benefits

---

The mission of the South Dakota Library Network is to enable all libraries within South Dakota to provide the State's residents with the information they need, when they need it, and where they need it.

## **SDLN Membership Benefits**

The South Dakota Library Network (SDLN) provides a seamless information structure publicly accessible to all residents of the State. SDLN's librarians work collaboratively to align emerging technologies to leverage the State's existing library resources to meet patron needs. Over four million items and numerous electronic databases are available via SDLN, offering every South Dakota resident access to a growing body of resources, regardless of the location of the information or the resident. SDLN provides current information technologies, services, and resources that most South Dakota libraries would not be able to afford independently. SDLN is funded solely by member libraries cooperating to share resources among more than 200 school, public, private, academic, tribal, medical, government, and corporate libraries.

**With SDLN membership, libraries receive the following benefits:**

- **Online Public Access Catalog (OPAC)**

  - A single point of access showing the titles held by over 70 individual libraries of all types in South Dakota.

- **Online Kids Catalog**

  - An easy-to-use access to the catalog with a high level of graphics, designed for use by children.

- **Library Management Modules**

  - Cataloging
    - MARC Editor
  - Circulation
    - Course Reserves
    - Inventory
  - Interlibrary Loan
  - Serials Control
  - Acquisitions

- **Reference Databases (Licensed commercial databases)**

  - **Periodicals**

    - EBSCOhost Academic Search Premier
    - EBSCOhost Business Source Premier
    - EBSCOhost Megafire
    - Infotrac Professional Collection

  - **Just for Kids**

    - Infotrac Kids Edition (Elementary)
    - Infotrac Junior Edition (Middle School)
    - Infotrac Student Edition (High School)
    - Kids Infobits
    - Junior Reference Collection
    - Infotrac Discovering Collection

## • Technical Resources

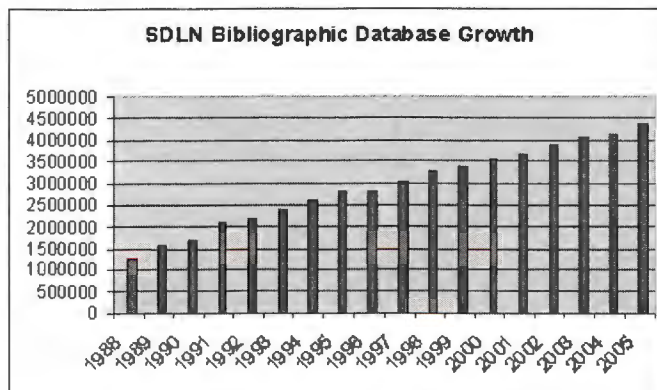

- Library of Congress Authority Database
  - Subject Authorities
  - Name Authorities
- Library Address Directory

## • South Dakota Databases

- Argus Leader (1996 - July 2003)
- Argus Leader Old (1979 - 1995)
- Indian Country Today (1996 - June 2003)
- Rapid City Journal (1999 - Current)
- Deadwood Historical Newspapers Index (1876 - 1894)

## • Internet Services, including

- Email for staff of member libraries
- Web hosting for member libraries

## South Dakota Library Network - Goals

- GOAL 1: The South Dakota Library Network will provide a basic set of information resources to every library in the state, regardless of size or type.
- GOAL 2: The South Dakota Library Network will facilitate the collaboration and cooperation of libraries of all types to form groups for the purpose of obtaining access to specialized information resources.
- GOAL 3: The South Dakota Library Network will provide an information structure to support seamless education from elementary through post-secondary.
- GOAL 4: The South Dakota Library Network will work to improve South Dakota libraries' ability to provide interlibrary loan of books, magazine articles, and other materials.
- GOAL 5: The South Dakota Library Network will expand and integrate access to high-quality, fee-based information services from commercial suppliers.
- GOAL 6: The South Dakota Library Network will leverage existing State resources and will comply with no less than the minimum State standards for information technology.

Expanded information on goals is available at the SDLN homepage ([www.sdln.net/about](http://www.sdln.net/about))

Computers in high demand at Rawlins Municipal Library in Pierre

# SDLN Membership Categories

The South Dakota Library Network (SDLN) is funded through membership fees paid by participating libraries. All membership fees are used to pay for the services provided for the libraries and their patrons. SDLN operates under SDCL 1-45-37 and a subsequent Memorandum of Understanding among the South Dakota Board of Regents, the South Dakota Department of Education and Cultural Affairs, and the South Dakota State Library Board. SDLN is a non-profit organization whose mission and vision statement can be viewed at the following URL: <http://www.sdln.net/?mode=about&page=mission.php>.

## Member Fees

Member libraries have access to all services and all library management modules of SDLN. The library management modules include the online catalog, cataloging, acquisitions, serials, interlibrary loan, circulation, and course reserves. Members have access to all reference databases, including full-text. For a list of member libraries, see pages 8-13.

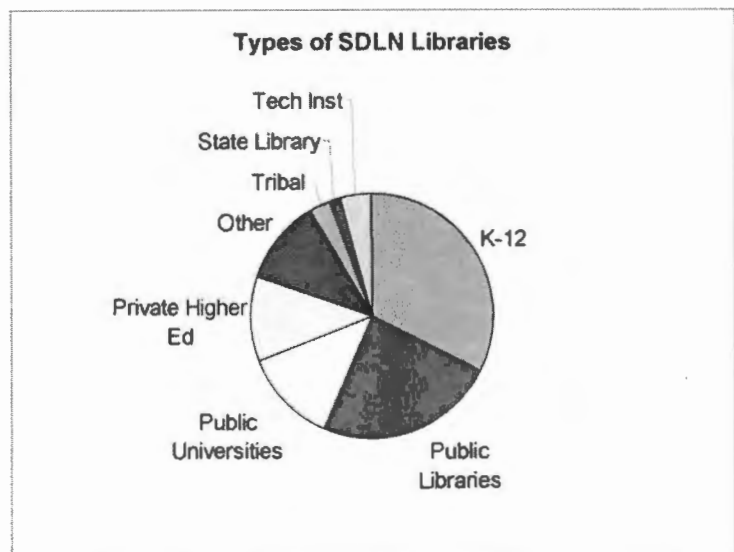

A formula determines ongoing (annual) fees paid by member libraries, and is based upon the numbers of titles, volumes and patrons in that library, as well as annual usage. The formula includes a base fee, which is determined by the way the library is configured in the Aleph ILS. This fee is \$250 per sublibrary and \$1,500 per administrative unit (ADM). The formula also includes a usage fee, which is based on each library's percentage of each of these record types in the database of the ILS:

bib records (35%)	serial subscription records (5%)
item records (20%)	acquisitions order records (5%)
patron records (35%)	

There is also a one-time start-up fee paid by new member libraries, which covers the implementation planning and setup for the new member library. This fee is based upon the number of branch libraries (or schools) and the estimated numbers of patrons, titles, and volumes in the library.

This start-up fee is:

\$500 per building with a library
\$0.015 per patron
\$0.035 per title
\$0.01 per volume

## Remote Access Member Library

A Remote Access Member was also known in the past as a "dial access" member. These members have access to the OPAC and Interlibrary Loan, but do not load their bibliographic records into the catalog. They also have access to reference databases, including full-text. Remote Access members elect a representative to the SDLN Advisory Council.

For a list of current Remote Access Member libraries, see page 14. This membership category is designed for the library that wishes to participate in the information sharing activities of SDLN, but is fiscally unable to participate in the online catalog and circulation functions.

# Executive Committee

## Executive Committee Chair:

Dorothy Liegl, State Librarian  
South Dakota State Library  
800 Governors Drive  
Pierre, SD 57501-2294

Federal Prison Camp Library  
South Dakota Human Services  
Center Medical Library

# SDLN User Groups

SDLN has ten user groups. Each one represents a different functional area or membership type of SDLN. The purpose of the user groups is to provide a vehicle for cross communication within SDLN. From the user groups come ideas, suggestions, and concerns for training and improvement. Each user group elects a chair. User groups occasionally convene for in-person meetings, but the bulk of their work and discussion is conducted by conference call, discussion list, and electronic mail. The active participation by SDLN members and staff in all user groups works toward ensuring that all SDLN member library staffs are informed and moving in the same direction. All user groups are advisory to the SDLN Executive Committee that, in turn, makes its final recommendations on enhancements and developments of SDLN to the SDLN Advisory Council.

The SDLN User Group chairs function as a screening committee to help prioritize change requests made by individual member libraries and user groups to SDLN.

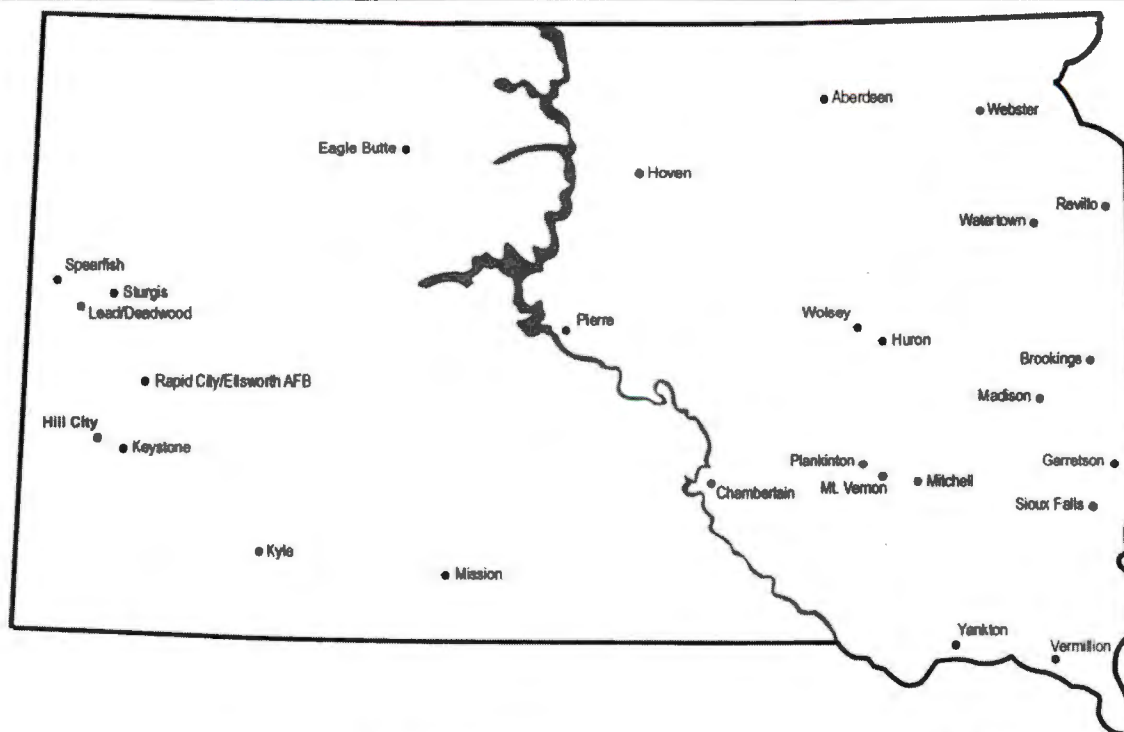

User Group Meetings in May at Augustana College

## The User Groups and their chairs are:

- Acquisitions/Serials:** Carlene Aro, South Dakota State University  
Carlene.Aro@sdstate.edu
- Cataloging:** Dustin Larmore, Dakota State University  
dustin.larmore@dsu.edu
- Circulation:** Cindy Meinen, Mitchell Public Library  
cmeinen@sdln.net
- Documents:** Patricia Andersen, South Dakota School of Mines & Technology  
Patricia.Andersen@sdsmt.edu
- Interlibrary Loan:** Ann Eichinger, South Dakota State Library  
Ann.Eichinger@state.sd.us
- KidsCat:** Renee Ponzio, Rapid City Public Library  
rponzio@rcplib.org
- Public Library:** Cathy Enlow, Brookings Public Library  
cenlow@sdln.net
- Reference:** Jodie Barker, Dakota Wesleyan University  
JoBarker@dwu.edu
- Systems Librarians:** Deb Hagemeyer, Augustana College  
debh@augie.edu
- Associate Members:** Patricia Hamilton (term expires 10/2005)  
Phamilton@rcrh.org  
Jeri Drew, Watertown High School (term expires 10/2006)
