A Note From the Editor

I want to thank everyone, particularly the reviewers, for helping with Volume 4 of the journal. And I owe a special thanks to Robert Thompson for handling the book reviews-- a new feature of the journal. As you can see, the inclusion of book reviews provides an opportunity for more people to be involved with the journal. We plan to expand this feature in Volume 5. If you want to review a book for the next volume, write Bob at Department of Sociology, Minot State University, Minot, ND 58701 (701-857-3245).

I would like to have all submissions for Volume 5 (1992) by February 1, 1992, earlier if possible. Manuscripts will be sent out for review as I receive them, but final publication decisions on all manuscripts will be made on or about June 1, 1992.

Again, please consider reviewing manuscripts for the journal. I particularly appreciate reviews that are prompt, critical, and compassionate. So write, phone, or BITNET and I'll send you a paper. If you have any questions or suggestions about the editorial process, the production of the journal, or anything else, please don't hesitate to contact me, Cliff Staples, at the Department of Sociology, University of North Dakota, Grand Forks, ND 58202 (701-777-4417; 777-2187; BITNET: UD153289@NDSUVM1)
