AGGIE DEBATE TEAM BEGINS ITS SEASON JAN. 8

Aggie Debate Team Exchange View With Chester High School In Contests.

The Aggie debate squad staged its activities by debating Chester High School at Brookings. The critic judge, Harold Jordan, of the State college debate team, gave the decision to the negative, year they were in attendance and judging by their applause, the debate was thoroughly enjoyed.

On Thursday, January 15, Jones County held its annual agricultural debate with the affirmative team of Brookings high school at the auditorium.

There are several debates scheduled at present and Mr. Eddy expects many more as possible. Among those scheduled is Marion, this will be the first of the School of Agriculture of the State of South Dakota Agriculture. Though they use this January, it stands alone of itself, two of it, it will not make a great deal of difference as there are 110 students in attendance.

The Morris negative team goes to Morris sometime in February, and the Morris negative team goes to Brookings.

All Argie Day to be Postponed This Year

All Argie Day this year would have been very different from those of past years. The school is in better financial condition this year. This does not mean that All Argie Day will be discontinued, but merely that the money that was put in the general fund this year was used for the running of the school.

FIFTY-TWO-COUNTIES REPRESENTED IN SCHOOL

Fifty-two counties in South Dakota and four states are represented in the School of Agriculture. The first of the School of Agriculture this year is a marked difference from the lead with 24 students. Beadle county is represented by 11; Minnehaha, 9; Fall River, 8; Clark, 7; Clay, 6;, Pennington, 5;第一天, 5; Warren, 4; Corson, 4; Todd, 4; Union, 4; Brunsen, 2; Lake and Miss. Burt, 2; Ander-}

Stock Judging Class Visited Chase Farm At Willow Lakes

The senior livestock judging class of the School of Agriculture, under the direction of Prof. Revel, visited the Chase Brothers stock farm at Willow Lakes. Their assignment was to view the Chase Sheep, beef cattle, and show ringings in sheep. Each year they win more prizes at the South Dakota State Fair.

The Chase brothers were generous and showed a large herd in Willow Lakes. The Chase brothers intend to buy 1,000 more sheep.

SOPHOMORE-SENIOR

Party Held Jan. 17

The Sophomore-Senior Party was held in the chapel of "Old North" last Friday evening. The party's entertainment consisted of musical numbers, readings, games and a surprise dance. Sergeant: three seniors: Ida Johnson, Roy Dean, Millard; Martin; Marlon Jones, Brand; and three sophomores: Dora Peter, Emily Kriese, and Frank Carr. Whitewood, were largely responsible for the success of the party.

ANNUAL FARM AND HOME WEEK TO BETTER 17-21

Dr. William Oscar Thompson is Master of the National Agricultural College to Celebrate Anniversary.

The eyes of South Dakota will focus upon Brookings during the annual Farm and Home Week of the University of South Dakota, which will be held from February 8 to 11.

Dr. William Oscar Thompson, presi-
SPRINGFIELD—The new year may now be seen wearing their new class rings. The rings arrived shortly after school opened, and about 50 of the students had theirs ringed for $48.50. The students who had them ringed for their home addresses, also have been given official rings, and the selection is limited. Two hundred, the return to school January 6, and the second graduation announcement cards were discussed. No action was taken on the high school athletic budget, a committee was appointed to cooperate with a committee of the sophomores for Sophomore-senior day, Saturday, January 17.

**Prof. Dunbar Speaks at Officers Mess**

Prof. B. A. Dunbar of the chemistry department at State college will speak at the Officers Mess at the Just-a-tea Room Tuesday, January 12.

Mr. Dunbar, who is a captain in the chemical war department, told of the increased regard one has for one's own country while traveling in foreign countries, and of his experiences at Fort Logan, Colo., while at camp last fall. Cadet Major Opsahl reported that the new order for getting uniformed will be issued soon.

After the talk by Mr. Dunbar, the evening was devoted to party. Plans were laid for the Janice R. party to be held Feb. 9. This is a formal dance and all officers of the Junior R. O. T. C. are required to attend.

**Grange Meeting Is Postponed**

The Grange will not hold their regular meeting this month. So many of its members are taking part in the inter-farm service that it helps to have another with other outside activities that they did not have to attend the regular meeting. Grace Lathrop, plans has to have an extra meeting at the Grange meeting in February to make up for the one missed this month.

**Junior Class**

The members of the junior class are busy planning their social activities, and the many outside activities besides their work, are making their spare time pretty well taken. Now that the Junior Dance is behind, the Junior officers are busy planning for the upcoming activities. Senior's may be seen dancing in the school gym and elsewhere. The music will be provided by the direction of Miss Mabel Bryan, who will prepare the recital. This being the final time for the freshmen boys and girls will serve.

**Aggie Basketball**

The School of Agriculture basket ball team is coached by Coach Jasen. The squad is made up of students of the junior and senior classes. The team will be held on February 27 this year, in Old Main. The tickets will be sold to the students, under the direction of Miss Mabel Bryan, will prepare the recital. This being the final time for the freshmen boys and girls will serve.

**MEMORY BOOK**

Work on the Memory Book is progressing rapidly according to Earl McPherson, '32, who has charge of the book.

There will be pictures of President O. A. Kehr, Secretary to the Dean, Lassen, and Principal P. J. Scabrino.

There will be a picture of "Old Main" and pictures of the many offices and also pictures of other campus buildings. All students will have individual pictures this year. The sophomores are being asked to make these renates, the same as last year. An added feature will be a list of the new members of the classes by each student.

A new feature this year will appear in the Memory Book, the President of the Student Association, Board of Control, Basketball squad, Debate squad, Inter-Activity contests, Boys' and Girls' rifle team, and the Junior class will be featured separately.

Everyone should appreciate having this fine class, it's something you enjoy seeing your classmates and school day companions, as it is when you leave the outside of the world, away from friends.

This year's Memory book will be about the same as last year, according to Earl McPherson, who is in charge.

**FRESHMAN CLASS**

The freshman class are planning a party for the rest of the school, they hope to hold it before the second semester begins. Those named on the committee to complete arrangements are: Denver C. T. Wade, Paul M. Englund, Arnold McPherson, Stuart Jenkins, Bert Thorsen, Roy Hagen, and Ralph Kitson. The next event will be an after party, the first week of February, and the third week of the month.

**UNIVERSITY**

There is a new bill before Congress which will provide for the building of a new Federal Building, and the establishment of a university. The bill is being considered by the Senate, and it is expected to pass. The university will be located in the state of Illinois, and will be called the "University of Illinois." It will be a public institution, and will be supported by the state and federal government. The university will be open to all students who meet the entrance requirements, and will offer a wide range of courses in the arts and sciences. The university will also have a medical school, a law school, and a college of agriculture. The university will be a center for research, and will be a valuable asset to the state of Illinois and the nation.
Ross Cummings, '23, and wife live five miles west of Huron. Ross is the local leader of the 4-H dairymen. 

Jake Roscoe, '23, of Roscoe, is now working for the Dakota State Bank and Door company of Aberdeen. During school holidays Jake is manager for three farms.

Joe McFadden, '17, Albert Han- sen, '12, and Harold Kligove, '15, live a few miles north of Huron, through the back roads of two miles south of Huron. They are both farming near Roscoe, S. D. He has sold some of his prizewinning calves while he was at school and now rides in regular style in a Chevrolet coach.

Gladya Abrahamson, '20, Howard Abrahamson, '20, and A. E. Ross, '19, live during the first week in January, Gladya is always glad to get back to the Aggie school and renew acquaintances with members of the school and faculty.

Lawrence Spicer, '20, and Clen- ced, W. E. Anderson, '20, and Wessel- ton, were on the campus January 15 in the home economics and business classes. They are both farming and putting into practice things that were learned at the School of Agriculture.

Cedric Ajy, a junior in the school last year, paid a visit to the "Ole College" at the University of South Dakota. That evening he took a load of Aggies back to Flandreau with him in a contest between the Indians and the Aggies.

Mr. and Mrs. Floyd Noltensmier married January 10, on the return trip of their honeymoon. Mrs. Noltensmier will be known as Mrs. Floyd Noltensmier, Woonsocket, S. D., and her family, in which course of his sales tours in various parts of the state, he has come to know the friends of many Aggie

Floyd Peter, captain of the Boy's rifle team, was awarded a gold medal by the County Dairyman Major Ospahli, on behalf of the Southwest Dairymen's Association. The award was presented to him for being the high scoring man on the rifle team last fall. The medal is of the usual shape and design as is given to the ten high men each year, except that the name is engraved on the reverse side. Two years ago Floyd's brother, John Holling, won the medal.

Miss Luella Larsen of Pierre, be- came the bride of Lyle Kennedy, Nielson, on Christmas Day. The wedding party was entertained at the home of Mr. and Mrs. Paul J. Sturtz, rapid City. A large number of the guests who came to the wedding were housekeepers, and the wedding took place at the residence of the bride and groom. The wedding party included the following members of the class of '23 in the college until this fall, when she began her work in the extension department. Mr. Kennedy, while in the School of Agriculture, was president of the Student's Asso- ciation for one year. He was very active in all social activities.

Howard Lassig, '29, from Good- hall, is spending the winter break on a Short Course during the winter term.

Charles Meyers, member of the Thrifty Five, is now farming on a farm four miles south of Cavour.

Charles Cooper, '23, and Gladys Cooper, are spending this past summer and reside on a farm south of Doland.

Rhea Stitt, '23, who finished the college year, is now farming near Woonsocket, S. D. He has sold some of his prizewinning calves while he was at school and now rides in regular style in a Chevrolet coach.

James Jensen, '18, and Emil Lork- ick, state senator from Kingsbury county, attended the Farm Bureau Tax conference at Madison during December. Senator Lorick is one of the University of Minnesota's Board of trustees. A member of Alpha Zeta, one of the state's largest organizations on the campus, James says that Lorick is quite in favor of the building of the new farm. If that if any of the state institutions should be cut in funds, that State Aggie should be given the first chance. Last year Emma Lorick, '13, is a sister of Senator Lorick.

Bay's and Girls' Rifle Teams Win Two Awards by Shooting

According to the last reports, both the Bay's and Girls' Rifle teams, after shooting matches with different schools. The girls have a record of 392 points, high school on Feb. 6. The boys had three matches Saturday, Jan. 21, at the range south of Watertown. The report received as this article is being written.

ANNUAL FARM AND HOME WEEK (Continued from page 1)

Soil Conservation association South Dakota Guernsey Breeders association, Jersey Cattle Club, Dakota Dairymen's association, South Dakota Baby Dairy cattle association, South Dakota Cattle and Farmstead Experiment Station workers, and Indian Service workers. The annual Farm and Home Week program will be the general party Tuesday evening, while the farmers debate Wednesday evening. The farmers debate will be held Thursday evening. The Master Farmer Homemaker rec- eive a banquet Thursday evening. The Master Farmer Homemaker rec- eive a banquet Thursday evening. The district farmer farm debate teams will clash in the state-wide contest, the subject of their discussions being efficiency in marketing in a marketing and as a means of making more profits for the farmer. Potato Show Announced

Two farmers will be honored as the Recognition banquet, Thursday evening, will be held Friday evening, is produced annually by the agricultural experiment station of the state and is modeled somewhat after its big brother at Chicago. A number of special events, such as an auction of co-ods will enliven the program.

The Farm and Home Week pro- gram this year is being held in cooperation with the Extension Service of the college.

CARE BRINGS GREATER PROFITS TO DAIRYMEN

Robert Bowlus, second, with one of the South Dakota Herd Im- provement Associations, maintains that in many cases cows are brought back to market from other herds of the same breed and go- dows and calves at a profit. This difference is due to carelessness in time of feed. The cattle were producing herd.

Lebert, and grand sweepstakes in classes A and B went to V. H. Belk. All of the above were bushel baskets.

In peck entry exhibits, class C was awarded first place to Floyd Egan of Egan, second place to Irish Cobblers; Leonard Parker of Hazel, third; and John Holling, Egan, fourth; and Bruno Kormann, Thomas, fifth. In the Early Ohios in this division V. H. Belk won first place and Lewis Stark won second.

A. T. Burton of Madison, in the breeding of prize awards reveals that E. A. Redlin, Watertown, won the high scoring man for the best peck of potatoes; V. H. Belk was hon- Redlin of Watertown, due to the ruling referred to the prayed for the best peck of potatoes.

In the Early Ohios class D. Uncertified, Ana Lebert won first place; Jens Krugh of Elk Point, second; John Houck of Watertown, third; and E. J. Timm, Wessington, fourth. Sweepstakes in this class went to Ana Lebert of Grover.

Division C included all new ex- hibitors and the show, and in class D, for Irish Cobblers Bert March of Hayti took first prize and also award for Early Ohios in this divi- sion went to C. A. Youngquist of Hayti. Other prize winners in this class were: Iggy Vehre, of Hayti, second; John Holling, Egan, third, and Floyd Brockmiller of Freeman, fourth.

John Stenveld of Hayti was first in Sweepstakes in class C, B, and D went to E. A. Redlin of Watertown who won the silver sweepstakes award to the Inter- national Harvester company, said to be one of the coveted prizes of the show.

In class C for single tubers Lewis Stein of Watertown won first place for Irish Cobblers and E. H. Belk placed first in Early Ohios. John Stenveld of Hayti, took first in Sweepstakes in class C and D and E. A. Redlin of Watertown.

A. A. McCrimmon

These individuals were given the ribbons as follows: for the best 4-H exhibit was awarded the ribbons for the best exhibit in each of the classes. These ribbons were awarded.

Station KDY To Broadcast Programs

State college radio station, KDY has been started. Every night, starting the first of the year. Each day, starting at 12:30 A.M. and one-half hour program is broadcast. Each department of the college will have its turn at the time on the radio schedule. The School of Agriculture is given thirty minutes, 11:30 to 12:00, Monday and Wednesday of each week.

We hope friends and Aggies will listen and report to us how they like the programs and give us suggestions for improvement. This is following was the program on January 7th:

Piano solo, "Pas des Amphare" by Ch. Camiadez, by Jennie Smith of Pipestone, Minn.

Victrola solo, "Our Yesterdays" by Herbert Leslie, Judith Peterson, La Belle, Minn.

Piano solo, "What is This World Made Of?" by Edwin Schinke of Waseca, Minn.

The Old Time Fiddler, "Nellie Gray," Edwin Schinke of Wase ATA.

"Talk, "Aggie Student Activities" by Robert Tubal, Isabel, Student President, Aggie Student Association.

Riding solo, "Irish Washerwoman," Lloyd Messic, Highmore, S. Dak.

Skunk solo, "Irish Washerwoman," Lloyd Messic, Highmore, S. Dak.

The following program will be given on January 31st: Song, "From the Windmills of Holland." 

The Cast

Myron Hetsko, Representing Hertogenbosch, rich Holland farmer, Ralph Olson, Mor- bridge.

Vonew, his wife, Ida Johnson, Garretson.

William, a daughter, Beulah Cass, Agar.

Hilda, a daughter, Grace Lath- rop, Brookwa.

Bob Yankee, American salesman, Eugenie Kinney, Bruce.

Bruce, a son, used in music with Wilhelma, Isaac Sandro, Hendricks, Minn.

Franz, rich farmer's son, in love with Hilda, Theo, Pheon, Mar- tion.

Chorus of eighteen farmers' daughters: Eunice Warner, Alpena; Wynona Willier, Hartford, Minn.; Lillian Klaat, Clara; Jessie Klaat, Clara; Willis Dahl, Cresco; Lena Anderson, Howard; Elizabeth Neils, Midland; Dora Peter, Conre; Ber- tha Culham, Elkton; Alice Hegge, Dell Rapids; Iola Gehard, Hudson; Eliza Thill, Luell; Ida, Pipestone, Minn.; Viole.; Weiss, Hetland; Pay Houser, Flo- ders; Elsie Winland; Dorothy Anderson, Louie Larson, Hendricks, Minn.; Clara Oien, Remer.

The opening chorus will be sung by the eighteen farmers' daughters: Ralph Olson, 31, of Moberge, representing Hertogenbosch and Isaac Sandro, 31, of Hendricks, Minn., their chosen master of music, will take the solo parts.

The next number will be a soli- entitled, "The Spider and the Fly," sung by Ida Johnson, 31, Marion, rep- resenting Yvesne Herten- bogenoff. This is a song in which the spider is singing to a girl. daughter, Wilhelma, who is dissatisfied with her lot and dreams of court ladies and gentle- men. This will be followed by Grace Voss, 19, of Crookston, rep- resenting Theo. Preheim, 31, Marion, who will sing a duet: "Three Are Others." This duet portrays a quarrel between the lovers, Hilda and Franz, and their part for the time being.

"Looking For a Girl" will be sung by Theodore Preheim, supported by his father, representing the common man. This selection reveals Franz's feeling after Hilda has turned him down. He is trying to find another girl to go with in order to make Hilda jealous, so that she will come back to him.

Eugenie Kinney, 32, and Beulah Cass, 31, Agar, will sing a duet entitled "Fishing." The daughter, Wilhelma, and the American salesman, say each oth- er and wish to become acquainted. They pretend that they are fishing or in order to accomplish this purpose.

Another number will be a duet: "Nothing To Do," which occurs in the second act. This song will be sung by Ralph Olson, 31, Marion, and Eugenie Kinney, 32, of Bruce. This is a conversation be- tween Hertogenbosch and Bo- lder and is written to show everything will be when certain improvements, which will be very important to them.

The closing number will be the final chorus of act two. It is en- titled "In Dreamland." This selec- tion is supposed to have been writ- ten by Hans, the student of mus- and is sung by the whole group.

Crops Judging Class Visited Sioux Falls Wednesday, Jan. 14

The Crops Judging class of the School of Agriculture attended the South Dakota state crop show Saturday afternoon.

The students went over the exhibits with the regular judges during the morning. In the afternoon samples were selected and a regular crops judging contest was held for the benefit of the students.

Foard Students

The students are juniors and sen- iors in the School of Agriculture. They are farm boys who are get- ting a practical training in agriculture and mechanics at the school.

The Aggie crops judging team which will represent the school at the Red River Valley Crops and Livestock show at Crookston, Minn., February 19th, will be chos- en from the students who made the highest score in the contest held in the afternoon.

The Aggie schools at Brookings, S. Dak.; Morris, Minn.; St. Paul, Minn.; Grand Rapids, Minn., Crookston, Minn.; Fargo, N. D.; and Toronto, Canada, will compete for honors at the Red River Valley show in February.

Accompanied by Instructor

The Aggie class was accompa- nied by Prof. Clifford Franke, in- structor of the class, and Prof. Lyle C. Stitt, assistant principal of the School of Agriculture.

The members of the class are Frank Bell, Waseca; Albert Stolte, Agar; George Green, Ok- boji; Robert Hseidoff, Pattie, Mora, Minn.; Donald Hurst, Dupree; Mark Jones, Bran- don; Norris Kurtz, Bushnell; and Franklin Klaat, Clark; Earl Mc- Pheen, Sturgis; Clifford Mo- quist, Ethan; Erwin Moxon, Brook- ton; Joseph Neil, Molland; James Olson, Millard; Clarence Opsahl, Redfield, Conre; Orin Peterson, Centerville; Fran- cis Teller, Arlington; Bern- ard Wallmuth, Conre; Floyd Westphal, Leo Westphal, Gorman; and Dan- niel Winter, Morris.

Harold Doner who has been col- laboration agent with the Milwaukee Railroad for the past year has accepted the position as County Agricultural Agent for Custis County, S. Dak.

Aggie graduates make excellent leaders and get desirable results. Several of the leaders bringing clubs to the South Dakota 4-H club short course during the Christmas holiday season were graduates. The familiar faces were Axel Nord '11 from Minn., Elmer Bjurie '17 from Republican, and Rolly Lechance '29 from Cavour. Archie Job '24 from Pt. Pierre, Chester Eriand, 29, Howard and John Huyi Brownd.

Aggie graduates play an im- portant part in the constructive crop development program as shown by their attendance at activities in the South Dakota Dairy year. The Dairy King, held at Sioux Falls South Dakota, Vern Belk of Henry, member of the class of '17 achieved consti- tute prominence in the potato division of the show. Arnold Schiebel of Onida member of the class of '22 was among the winners in the corn division of the four day event.

Many other aggies were in attendance at the Dairy King and took away their share of the prizes. Among these winners at the show were Gary Papp '19 of Groton, Albert Mueller, Freeman '24, Har- old Doner, Custer, S. D. and Mr. Fletcher.

Good Work Always

Thorvald Larsen Spoke at Assembly

Thorvald Larsen, a former Aggie student, gave a talk at assembly Thursday, January 8. Mr. Larsen graduated from the School of Agriculture in 1926. After graduation he took the Dairy Short course at South Dakota State. The past two years he has been in the employ of the John Morrell Cremey company at Sioux Falls. This career is one of the biggest and best.

In his talk Mr. Larsen related the steps cream must go through before becoming the finished product. An excerpt of his talk follows:

"After the cream arrives at the creamery, it is weighed, sampled and tested for butterfat. The cream cans are then emptied and the cream runs to the churn room. Here it is neutralized so that the sour cream is reduced in acidity. The next step is the pasteuriza- tion by the flack system. This pasteuriza- tion consists of heating the cream a temperature of about 150 degrees Fahrenheit. This par- ticipated cream is then passed over a cooler and run into vats.

In these cream ripening vats the cream is cooled to the chewing temperature, which is about 80 de- grees Fahrenheit. From here the cream goes into the churn to be made into butter.

There are three large churns, each one of which churns about one thousand pounds of butter at a time. From six to eight churns are made a day, which would be equal to an output of 4,000 to 5,000 pounds of butter per day. This output varies, some being the highest in the spring months and lowest in the late fall.

After butter has been prove- dly made, it is packed into boxes or tins. It is then put into coolers or refrigerators having a tempera- ture of 32 degrees Fahrenheit. When it has been in the cooler for a day or so, it is ready to be taken out and put into printis. Some of the printis are pound size and others are one-quarter pound size.

The printin room is located between the coolers and refrigerators. In this room is a machine that automatically cuts the butter into the desired sizes. From ten to fifteen girls are employed to wrap this butter into small boxes, which are then packed into shipping boxes and put into another refrigerator.

The shipping clerk now takes care of it. Most of the butter is sent to the eastern states. New York, Philadelphia, Boston, and other large cities.

Mr. Larsen said he enjoyed his work in this creamery very much and that the instruction given in the School of Agriculture has been of great value to him in his work.
