

# Not Pointless

S. D. Bassett

Feeling irritable this morn  
 Yet the sun is in the sky  
 Feeling irritable this morn  
 Not really sure just why.

Yet the sun is in the sky  
 The list too long to do  
 Yet the sun is in the sky  
 I'm kind of mad at you.

The list too long to do  
 The earth is breathing fog  
 The list too long to do  
 So I'll just pet the dog.

The earth is breathing fog  
 Fingers feel scabby skin  
 The earth is breathing fog  
 Go to the vet again.

Fingers feel scabby skin  
 Strange thoughts in mind  
 Fingers feel scabby skin  
 And I'm further behind.

Strange thoughts in mind  
 Green leaves frozen hang  
 Strange thoughts in mind  
 Some hookers often sang.

Green leaves frozen hang  
 But vilified are most  
 Green leaves frozen hang  
 Societies' outpost.

But vilified are most  
 Using body to get cash  
 But vilified are most  
 Yet this profession lasts.

Using body to get cash  
 Honored above the rest  
 NFL NBL  
 Considered our very best.

Honored above the rest  
 It's pointless to ask why  
 Honored above the rest  
 And the sun is in the sky.

It's pointless to ask why  
 Who will go to hell  
 It's pointless to ask why  
 STD torn MCL.

Who will go to hell  
 The earth rests in snow  
 Who will go to hell  
 Where the molten rivers flow.

The earth rests in snow  
 I've far too much to do  
 There's much I do not know  
 But I know that I love you.
