*A Note From the Editor*

Well, this is it-- my last issue. I am grateful to the GPSA membership for giving me the opportunity to edit the journal; I hope I have done a decent job for you. In any case, it's now someone else's turn.

I want to thank everyone who has helped be with the journal over the past three years. A special thanks to my colleagues here at UND, to Bonnie Espelien for keeping track of both the books and me, and to Janet for copy editing and for putting Caitlin to bed while I put the GPS to bed. I've also had the good fortune to work with Bob Thompson the past two years. Bob has done a great job with the book reviews. If you want to review a book for the next volume, write Bob at Department of Sociology, Minot State University, Minot, ND 58701 (701-857-3245). Look for the next issue of the GPSA Newsletter to find out where to mail submissions for Volume 6.
