Jackson County Population Trends

1920	1940	1960	1980	1990	2000	2010	2020
2,472	1,955	3,027	3,437	2,811	2,930	2,795	2,772

Where People Live: 2000				
	South Dakota	Jackson	Bennett	Mellette
Urban	51.92	0	0	0
Rural-Farm	7.72	12.56	8.59	13.78
Rural-Non farm	40.36	87.44	91.41	86.22

Jackson County Population Highlights

- From 1990 to 2000, Jackson County **gained 119 residents** which was a **4.2% increase** in its total population.
- From 1990 to 2000, Jackson County **lost 140 residents** which was a **5.0% decrease** in its total population. This may explain why Jackson County is projected to lose population into 2020 even though they gained population from 1990 to 2000.
- From the population pyramid we can tell that Jackson County is a young county. **36.52%** of Jackson County's residents are **under the age of 18**, while **11.60% of the residents are 65+**.
- Jackson County's **sex ratio is 98.78**, which means that there are about 99 males for every 100 females. This is comparable with both Bennett and Mellette counties.
- Jackson County's **median age is 30.6**. This is slightly older than Bennett, and slightly younger than Mellette.
- Jackson County's **fertility rate is 102.8** births for every 1,000 women aged 15-44. This is higher than both Bennett and Mellette counties.

Race/Ethnicity in Jackson County

Jackson County Agriculture in 2002

- Jackson County had **308 farms**, which was a **6.6 increase** from 1997. Both Bennett and Mellette counties decreased in the number of farms.
- Jackson County's **average farm size was 3,866 acres**. This is larger than both Bennett and Mellette counties.
- Jackson County's **average income per farm was \$15,830**. This was smaller than both Bennett and Mellette counties.

Jackson County Economics in 2000

- The **per capita income** for Jackson County was **\$9,991**. This was lower than both Bennett and Jackson counties.
- The **median household income** for Jackson County was **\$23,945**. This was lower than Bennett, but higher than Mellette.
- **16.2%** of Jackson County's residents had completed a **B.S. or higher**. This is higher than Bennett, and similar to Mellette.
- **36.50%** of Jackson County's residents are **living at or below the official poverty** line. This compares with 39.23% for Bennett County and 35.81% for Mellette County. This also compares with 13.18% for the state of South Dakota.
- **42.57%** of Jackson County's children **under the age of 5** are living at or below the official poverty line. This compares with 53.25% for Bennett and 43.98% for Mellette. The state average is 19.77% of children under the age of 5.
