SDSU Is STATE'S LARGEST UNIVERSITY

When a university has something very special to offer, people sense it. South Dakota State University is one of those universities. We don't pretend to be something we're not. Instead, we take great pride in what we are - a mid-sized university with some very big qualities.

SDSU is enormous when you look at the number of programs offered, its research and work experiences, and the clubs students can get involved in. It's large when you consider the resources here that will make better prepared graduates looking for their first job. Resources like the CAP Center will help with career counseling and placement services.

SDSU is small when you look at its friendly, open campus and discussion-style classes. It's small when you see the kind of social interaction here that's only possible on a tightly-knit campus. There are no social ladders to climb here.

South Dakota State was founded as the state's only land-grant institution in 1881. It is the very essence of what our university is all about. A land-grant institution is directed to educate the people of its state and to solve its problems through academics, research and extension programs.

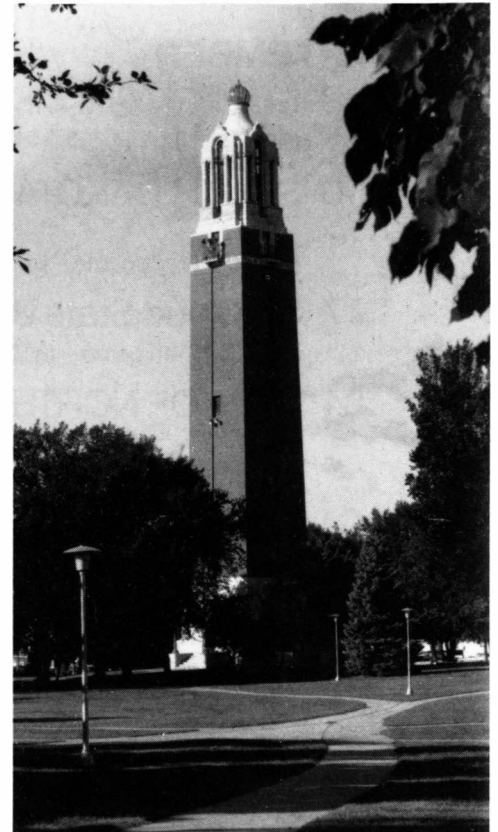

Today, our university has grown both in size and scope. We are South Dakota's largest university and will top 9,000 students this fall. Last year's enrollment of 8,966 was an all-time record.

The problems we solve reach far beyond the borders of our state.

Diversity has always been a trademark of an SDSU education. Our students choose from over 2,500 courses offered each year. This large selection of courses offers students many opportunities to learn and grow that they would not find at many other colleges.

Offering a large number of programs, though, has little importance unless the academic standards remain high. That's why South Dakota State continually works to provide quality programs for its students. These efforts result in the University remaining accredited by the North Central Association of Colleges and Schools - the largest accrediting agency in the nation.

South Dakota State's faculty is well known for its excellence in teaching. Of the 475 full-time faculty members, 70 per cent hold doctorate degrees. Conducting research, writing books and presenting papers at national conferences are the reasons

many SDSU professors are nationally known in their fields.

They are committed to intellectual inquiry and have experience both in and out of the classroom. We have faculty exchange agreements with universities in the People's Republic of China, Russia, Great Britain, Mexico and South Korea. These exchanges allow faculty to gain international experience and incorporate that knowledge into their classrooms at SDSU.

Personal attention is not the exception here, it's the norm. A physics professor was instrumental in organizing a group to help raise funds for a graduate student who had a bone marrow transplant. Every semester a faculty member invites all the women students in the College of Engineering to her house for an evening of food and discussion.

While our faculty remain active in their fields, their first commitment is to teaching and to the students they teach. There is one faculty member for

every 17 students here. This low ratio and an average class size of only 25 allows students the close, personal attention from faculty that they want and deserve.

Brookings is the home of SDSU. A community of 16,250, it is located in the east central South Dakota midway between the Nebraska and North Dakota borders just 20 miles from the Minnesota line.

South Dakota friendliness has always been the key to Brookings and the campus community. We have a casual, friendly atmosphere here that quickly makes everyone feel like they fit in. SDSU students, will find that they are welcomed both on and off the campus.

While the University is a

distribution warehouse here.

When it comes to recreation, Brookings is the perfect place. There are 14 city parks and recreation areas, including an ice arena, swimming pools, tennis courts and golf courses. Nearby state parks and recreation areas help round out outdoor opportunities.

SDSU is one of 68 Land Grant colleges and universities in the United State, a designation stemming from the Morrill Act of 1862. The purpose of this so-called Land Grant College Act are:

"...the endowment, support and maintenance of at least one college were the leading object shall be without excluding other scientific and classical studies, to teach agricultural

College in lieu of a grant that had been made to new states in 1841.

The first building was constructed in 1883 with classes beginning on September 24, 1884.

Athletically, SDSU is a charter member of the North Central Intercollegiate Athletic Conference.

The Jackrabbits have won more overall conference championships, both men and women, than any other league member (97 men, 16 women – 113 total).

SDSU's success has not been confined to one or two sports. The Jacks are one of three current league members with at least one championship in each of the sports sanctioned by the NCC in men's competition.

SDSU won the 1993-94 NCC all-sports championship for women and finished second for men.

And SDSU's success hasn't been limited to conference competition. No fewer than eight different SDSU teams were ranked in the top 20 in the nation during the 1991-92 academic year.

Twice, 1989 and 1992, SDSU participated in the NCAA Division II basketball playoffs for both men and women. The women were regional runnersup last year.

SDSU won the NCAA College Division men's basketball championship in 1963 and was runnerup in 1985.

The SDSU wrestling teams have competed in every College Division – NCAA Division II national tournament. Last March, SDSU had two national champions and finished fourth in the Division II meet. One year earlier, SDSU hosted the NCAA Division II wrestling championships for the third time. Brookings was also the site for national tournaments in 1973 and 1979.

SDSU has also been a dominate force nationally in cross country, winning five national titles for men and two for women.

contributing influence in the community, Brookings is not "just another college town." Industry thrives here. Larson Manufacturing, which produces combination doors and windows for home construction, and Daktronics, Inc., maker of computer generated displays and scoreboards, is headquartered here and has an international market. Minnesota Mining and Manufacturing has a manufacturing plant in Brookings and Coast to Coast has a major

and mechanical arts, in order to promote the liberal and practical education of the industrial classes in the several pursuits and professions of life."

The Enabling Act, approved February 22, 1889, admitted the State of South Dakota to the United States and provided 120,000 acres of land be granted for the use and support of the Agricultural College. Congress also granted South Dakota an additional 40,000 acres for the Agricultural

DALY BEGINS SDSU CAREER WITH THREE WINNING SEASONS

A new era in South Dakota State University history began December 1, 1990, when Mike Daly was named head coach.

And it didn't take long for Daly to make an impact.

Daly inherited a 3-8 team, turned things around with a 7-3 season, and was named North Central Conference Coach of the Year in 1991.

SDSU finished 7-4 last year, giving Daly a 21-10 record for three seasons, a .680 won-lost percentage. That 's the best three years at SDSU since 1961-62-63.

When Daly came to SDSU, not only did SDSU gain one of the top coaches in the country, but Daly embarked on a career move – after 19 years as a collegiate assistant coach, the Fairmont, MN, native was taking on his first head coaching assignment.

Daly's only 31 games as a head coach have been at SDSU, but that doesn't tell much about the background of a guy whose professional career has been dedicated to the sport.

Daly came to SDSU from Division I Western Michigan, where he had been offensive backfield coach for head coach Al Molde.

Daly has been associated with the North Central Conference as a player or coach for 19 seasons, starting as a student-athlete at Augustana College, continuing as an assistant coach, first at South Dakota State University, then at North Dakota State University where he was a part of the national championship team in 1983.

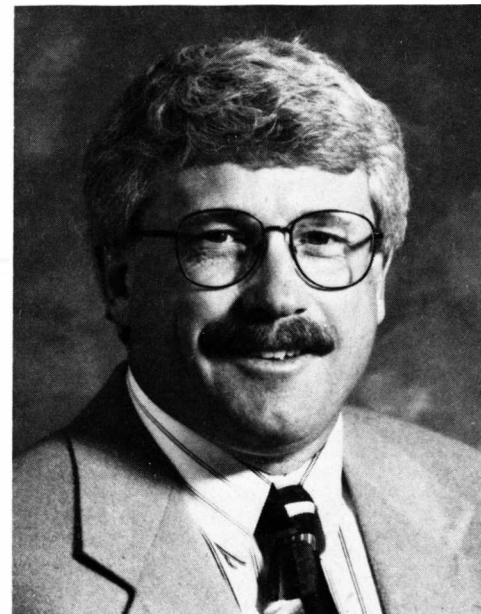

Daly is a 1971 graduate of Augustana College. He earned a Master's Degree in physical education at the University of Minnesota in 1974.

Daly was defensive coordinator at SDSU for four seasons, 1975-78,

before joining Don Morton's staff at North Dakota State University. He was an assistant at NDSU until 1984, when he moved to Idaho State for one season before rejoining Morton at Tulsa University, and he accompanied Morton to the University of Wisconsin.

He was special teams coordinator with the Saskatchewan Roughriders during the summer of 1990, then joined the Western Michigan staff, under head coach Al Molde, for the start of the 1990 season.

Mike and his wife, Carol, have one son, Derek (5 ½).

Defense Expected To Carry Load Early

Head coach Mike Daly isn't making any wild predictions for his fourth South Dakota State University football team.

He does, however, like the accomplishments of the first three, particularly in the historical perspective.

"We will make no promises, no predictions," Daly said. "But we do have a significant part of our team returning and we definitely feel we can compete in the upper echelon of the North Central Conference."

Daly's teams have already established themselves in the upper echelon of the NCC with three straight first-division finishes.

The Jacks are 21-10 overall since Daly took over following a 20-year career as an assistant coach. That's the best three-year won-lost percentage at SDSU in 30 years, since the 1961-62-63 teams won back-to-back-to-back championships.

Daly's teams have also beaten every team in the NCC at least once.

"Our main goal for this year is to make the playoffs. We were just one game short of that last year," said Daly. "This season, I don't know if anyone else has to make both North Dakota trips and those are two teams which should challenge for the title. After last year we must realize that any game at any time could be the conference championship game."

The 1994 Jackrabbits may have some role changes.

Last year, the offense had to carry the load early while the defense matured. That development culminated with a 28-0 shutout over North Central Conference co-champion North Dakota in the final game of the season.

Graduation took a key chunk out of the middle of the offense: three-year starter at center Collin Breyfogle, all-conference quarterback Todd McDonald, all-conference

runningback Dan Nelson, and wide receiver Mike Myers, a two-time second-team all-NCC pick.

"We will have to count on the defense to carry the load for awhile," Daly says of '94. "Don't count on any 52-48 or 60-42 games like we had last year.

"Based on a number of things, we feel the defense will be the strength at the start of the season.

"To start with, we have a lot of returning people on defense.

"In addition, we installed a new defensive design in spring ball, a 4-3 setup designed to utilize the strength and speed of our personnel.

"And finally, we had a good spring defensively," Daly explained.

As for the offense, Daly says quarterback and offensive line are two major issues.

Last year, McDonald threw for 2,715-yards, and Nelson rushed for 1,150-yards.

The bright spot this year, according to Daly, is the returning receiving corps.

"Jake Hines has established himself as an excellent tight end," Daly said.

"Dean Herrboldt, Matt Beier, and Rusty Lenner had good spring camps," said Daly. "Brett Beran will also play a lot."

Hines was a first-team all-North Central Conference pick last year while Herrboldt and Beier were each second team all-NCC picks.

Front runners to fill the quarterback spot are Brook Parent, a junior from Anoka, MN, and Bill Perron, a sophomore from White Bear Lake, MN.

"Brook may have a slight edge right now because he has a better

feel of the offense after backing up Todd for two seasons," Daly said. "Bill is a lefty and more of a true drop-back passer."

At runningback, sophomore Scott Sievers appears to hold a slight edge heading into the fall. That position could literally get real healthy in a hurry if Paul Klinger is ready to play.

Klinger led SDSU in rushing in 1990 and 1991 before missing the last two seasons because of injuries. He has one year of eligibility remaining, and will give it a try again.

Sievers started his SDSU career as a runningback, moved to the defensive secondary in the spring of '93, then came back to offense during the season last year when injuries depleted the runningbacks. He has good quickness and speed. "Scott really established himself this spring, but there is good competition at running back," said Daly, a 1971 graduate of Augustana.

In addition to Klinger, the Jacks hope to have a healthy Travis Mercer.

Daly says one of the question marks on offense was answered when 1993 All-American tackle Adam Timmerman decided to return to play his final season.

"We are still unsettled there, especially since (Paul) Swartos, (Greg) Kvistad and Timmerman did not practice in the spring. It forced us to move people around, but all three players will be back in the fall."

Timmerman received his degree in December but decided over the summer to return and play his final season. He had a year of eligibility remaining as the result of an injury hardship in 1991.

The defensive side holds a similar story, where Daly says the restructuring of the line may result in inconsistent play early. Last year a young and often injured defensive unit gave up a bunch of yards and points early but became progressively better.

SDSU Record Book Took Beating In '93

The success of last year's Jackrabbit football team is reflected in the SDSU record book.

No fewer than 13 SDSU records were broken in 1993, most of them by the offense.

Quarterback Todd McDonald set several, including touchdown passes in a season, 25; touchdown passes in a game, five vs. UNO; yards passing in one season, 2,715.

The Jacks played the two highest scoring games in SDSU history, first losing to Montana 52-48, then defeating Mankato State 60-42.

Dan Nelson set a record for most touchdowns in a single season, with 16.

Mike Jaunich took six names out of the record book when he intercepted four passes against Morningside. That's one more than the old record shared by six players. As a team, the Jacks set a record with 27 interceptions for the season.

"The defensive line resembles the offensive line in that there are many positions which are unsettled," said Daly. "But we feel we have good people who can step in and contribute."

At defensive end, sophomore Jason Aune, freshman Jeff Wolgamott and sophomore Jeff Koller are battling for two spots with Wolgamott and Aune coming off major injuries a year ago.

The tackle positions also appear to be wide open with five players vying for two spots. Senior Blake Gearhart, junior Mark VanMeeteren and redshirt freshmen Brad Peterson and Lee Kronfeldt along with redshirt freshman Brian Rodel are all fighting for playing time.

Daly points to an experienced secondary, which returns three all conference selections, as a team strength.

"At cornerback, we have Casey Rasmussen, Jason Hein and Joel Lensegrav and at safety we have Mike Jaunich, Mark Struck and Larry Harmon," said Daly. Jaunich and Struck were second team all-NCC picks last year, while Rasmussen was an all-NCC honorable mention choice.

The specialty teams include two-time all-conference punter Adam Vinatieri. "Adam had a great spring," Daly said of the Rapid City senior who has also been an all-NCC place kicker in the past.

The Jacks will open the season

September 3 at home against Slippery Rock, a NCAA Division II foe out of the Pennsylvania State Athletic Conference.

"I like our schedule from the stand point we open up with a good Division II team in Slippery Rock. They are a club we know has an All-American wide receiver and an All-American runningback returning and they are projected to be one of the top teams in their league," said Daly, 2-1 in season openers at SDSU.

As for the conference schedule, Daly points to road tilts against St. Cloud State, North Dakota State and North Dakota as keys to challenge for the NCC title.

JACKRABBIT ALL-AMERICANS

FRANK KELLEY, halfback, 1926 – Once called “a veritable lightning bolt” by an opposition sportswriter, Kelley was the sparkplug igniting the 1926 Jackrabbits to an unbeaten season.

The team's leading scorer and rusher, Kelley also gained nationwide attention for his drop kicks, particularly in games against St. Louis University and Hawaii, where his toe accounted for the winning points. He also presented a threat passing, and during the season either ran, passed or kicked for all of SDSU's points in North Central Conference play.

A Tyndall native, Kelley earned eight letters as a Jackrabbit, starting in football and basketball, while also running on the track team. He broke two world records in 1925, running the 45-yard low hurdles in :05.8 and the 50-yard high hurdles in :06.3.

Following graduation, he joined the world champion New York Giants and played in 17 straight games before retiring.

WEERT ENGELMANN, halfback, 1929 – Called the “Flying Dutchman of Miller”, Engelmann won nine letters in football, basketball and track.

An ever dangerous runner, Englemann broke up several tight games with explosive bolts through the line. An all-conference choice in 1928 and 1929, he led the Jacks in both rushing and scoring.

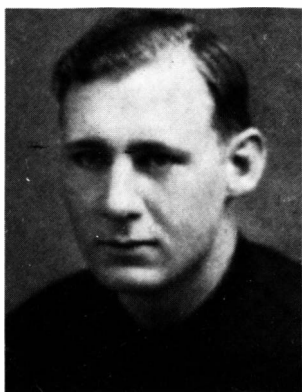

On the track, he became the first South Dakotan to win an event at the Drake Relays, capturing the top spot in the triple jump in 1929. The next year, he won the discus at Drake. He regularly competed in, and won in, ten events in track and he still holds the North Central Conference record for most individual championships won during a career (outdoor only) with 12 (in the 120 high hurdles, 220 low hurdles, long jump, high jump, shot put and discus).

A defensive standout, Engelmann went on to star with the Green Bay Packers (1930-33).

AL ARNDT, guard, 1934 – Considered by his coaches to be “one of the best 60-minute players in SDSU history,” Arndt consistently opened gaping holes for his running backs and just as consistently plugged holes for the opposition, stopping their plays.

Playing both guard and tackle, Arndt was a mainstay in the Jackrabbit line for three seasons and was twice named all-NCC. During his senior year, he led the Jacks in tackles.

A star on the basketball court as well, Arndt was team captain in both football and basketball as a senior. He later played for the Pittsburgh Steelers and Boston Redskins.

PAUL “WHITEY” MILLER, halfback, 1935 – One of SDSU's most explosive runners, Miller led the Jacks to an upset over Wisconsin when he scored on a 75-yard pass interception return.

During his senior year, he ran or passed for 11 of SDSU's 17 touchdowns, including two 70-yard runs. Named unanimously to the all-NCC offensive and defensive teams, Miller also won letters in track and was captain of the 1937 cinder team.

He played three seasons (1936-38) with the Green Bay Packers.

HERB BARTLING, quarterback, 1950 – Spearheading one of the most talented backfields in SDSU history, Bartling led the Jacks to an unbeaten season.

Named the NCC's Most Valuable Player, Bartling was considered SDSU's best passing quarterback ever. Few school records from the '50s remain in the Jackrabbit book, but Bartling still shares the mark for most TD passes in one game, four against North Dakota State in 1949.

He was also a two-time all-North Central Conference performer in basketball, playing guard.

HERB BACKLUND, center, 1954 – Considered the Jacks' best center of all-time, Backlund did not make his mark at that position until his senior season.

Backlund's forte was downfield blocking, but he was also an excellent pass blocker for quarterback Jerry Welch, who joined him on the All-America team that year.

JERRY WELCH, quarterback, 1954 – Co-captain of the team, Welch stepped in at quarterback after a season's opening loss to Iowa State and guided the Jacks to a 7-1 mark the rest of the way.

A triple threat at running, passing and kicking, his nine TDs that season included a 91 yard run from scrimmage and a 77-yard punt return.

Welch went on to try out with the Baltimore Colts, then played with the Calgary Stampeders of the Canadian Football League.

LEN SPANJERS, guard, 1957 – A three-time all-NCC selection, Spanjers paced the 1957 Jacks to the league crown after they were picked fifth in the pre-season.

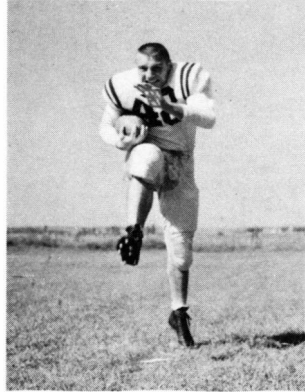

Playing both offense and defense, the Milbank native was named the NCC's Most Valuable Player. He was the only sophomore named to the all-NCC team in 1955.

Co-captain as a senior, he was also the team's punter.

Spanjers was inducted into the Jackrabbit Sports Hall of Fame in 1991.

JOE THORNE, fullback, 1961 – Called “the best all-around player in the history of football at SDSU” by coach Ralph Ginn, Thorne paced the '61 Jacks to the NCC title and an 8-2 season.

Rushing for 958 yards (5.5 ypc) his senior year, he carried the ball just twice in the fourth quarter all season. He piled up more than 2,000 career yards and was named to the all-NCC team twice.

Considered an outstanding blocker and tackler by his coaches, Thorne also played defensive back. He was drafted

by the Green Bay Packers, but passed up the opportunity to play pro ball.

He died in 1965 while serving as a helicopter pilot in Vietnam.

MIKE STERNER, guard, 1961 – Teamed with twin brother John to give SDSU opponents a dose of double trouble.

Earned first-team all-conference as a senior.

Has gone on to a successful career in coaching and teaching at Southwest State in Minnesota, and is in the NAIA Wrestling Hall of Fame.

ROGER EISCHENS, end, 1962 – A two-sport star, Eischens was also an All-America wrestler for the Jacks.

Named to the all-NCC grid team twice, he was the first SDSU player to gain over 1,000 yards receiving (65 catches, 1,094 yards).

Also a defensive standout, he still holds the SDSU record for longest pass interception return, 85 yards against Toledo in 1962.

A native of Canby, Minn., he rolled up a 10-1-1 dual wrestling record as a senior and placed third in the nation at 190 pounds.

JOHN STONE, linebacker, 1962 – A native of Hendricks, Minn., Stone was named All-America after leading the nation in field goal kicking.

Stone kicked nine field goals and 24 point-after-touchdown attempts for 51 points that season, his first as a field goal kicker. He held virtually every place kicking record at SDSU.

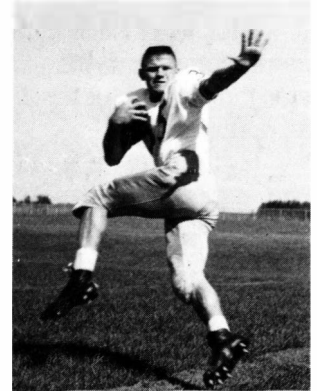

Also a stellar linebacker, Stone led the team in interceptions in 1962 and was one of the team's leading

WAYNE RASMUSSEN, halfback, 1963 – The 1963 College Athlete of the Year in South Dakota, Rasmussen was all-NCC in three sports at SDSU: football, basketball and

baseball.

The Most Valuable Back in the NCC as State was unbeaten in league play during a 9-1 season in 1963, Rasmussen rushed for 874 yards and caught 29 passes for 463 more, averaged 32.1 yards per punt, and scored 54 points. He was also the team's leading kickoff and punt returner and intercepted seven passes. His 11 receptions against Arkansas State stood as an SDSU single-game record until 1986.

The Howard native was also voted the Outstanding Player at the NCAA College Division basketball tournament when he led State to the national championship in 1963. Following his career at SDSU, he played ten seasons with the Detroit Lions of the National Football League.

DARWIN GONNERMAN, fullback, 1967 & 1968 – This Adrian, Minn., powerhouse became SDSU's first two-time All-American when he put together back to back 1,000 yard seasons and became the school's career rushing leader.

Your classic all-purpose player, he rewrote 13 different school records and still holds the record for all-purpose yards in a career with 5,465, and most points scored in a season, 102.

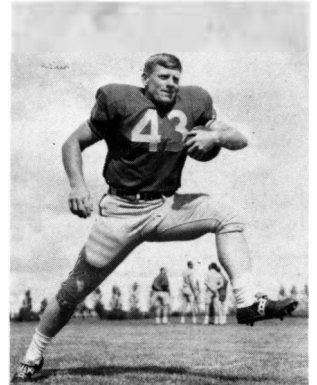

Named the NCC's Most Valuable Player as a senior, his touchdowns included a 95-yard punt return against NDSU (also still a school record). He rushed for 224 yards against Drake that season.

A standout kicker, he played two seasons with the Ottawa Roughriders in the Canadian Football League. In 1969, he was voted South Dakota College Football Player of the Decade.

LYNN BODEN, offensive guard, 1974 – Boden had the honor of being the first North Central Conference player ever picked in the first round of the National Football League draft, selected by the Detroit Lions.

The NCC's Most Valuable Offensive Lineman as a senior, he was a Kodak first-team All-American.

Co-captain of the 1974 SDSU team, he played in only three games as a prep senior, sidelined the rest of the season with an injury. He was a 210-pound offensive

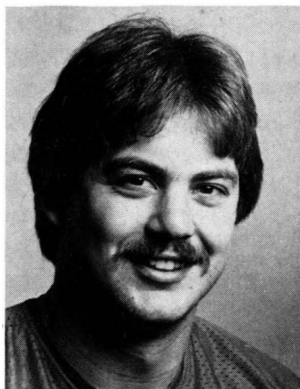

JACKRABBIT ALL-AMERICANS

lineman when he came to SDSU from Osceola, Neb. He started at tackle for the Jacks as a sophomore and was 265 pounds when he graduated.

BILL MATTHEWS, defensive end, 1977 – Matthews came from a nine-man football program at Wessington to star three years for the Jackrabbits, not only as a player but as a student.

By the time he left SDSU, he had earned first-team Academic All-America twice (1975 and 1977); earned first-team Little All-America (Associated Press) in 1977; been named NCC Most Valuable Defensive Lineman, 1977; been named to the all-NCC team twice, 1976 and 1977; been named to the Academic all-NCC team three times (1975, 1976 and 1977); been selected as SDSU's Scholar Athlete for 1978.

He started at defensive tackle as a sophomore and junior, then moved to defensive end as a senior. He was selected in the fifth round of the National Football League draft by the New England Patriots and played for the Patriots and New York Giants of the NFL as well as the Denver Gold of the United States Football League.

CHUCK LOEWEN, offensive tackle, 1979 – Another of those guys who grew into a position, Loewen came to SDSU as a 190 pound freshman and left five years later at 6-5, 265.

In between, he was a first-team Kodak All-American after helping the 1979 Jacks to the NCAA Division II playoffs. He also earned third-team Associated Press All-America honors that year.

After being honorable mention all-NCC in 1977, Loewen was injured and missed the 1978 season. He came back with a vengeance. He made first-team all-NCC both as a player and academically in 1979, and also became the first interior lineman to earn the league's Offensive Player of the Week award.

Loewen's athletic -academic achievements earned him an NCAA post-graduate scholarship and he enrolled in the MBA program at Arizona State, only to have his education interrupted when he was drafted in the seventh round by the San Diego Chargers. He played five seasons in the NFL.

RICK WEGHER, runningback, 1984 – Rick "The Quick" Wegher had one of those "career" seasons as a senior.

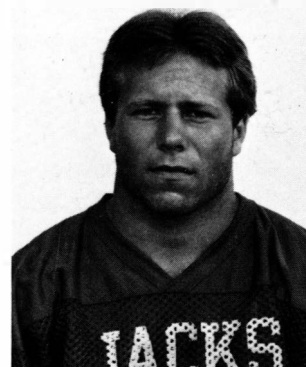

He finished second in the nation in rushing (119.7 ypg) and fourth in scoring.

He also put his name in the NCAA record book twice. Wegher and Wyoming back Kevin Lowe co-authored an

NCAA record for "Most Yards Gained by Two Opposing Backs...533." Wegher had 231 of that.

Rick also finished his career with 107 kickoff returns, making him the first player in NCAA history (any division) to go over the 100 mark in that category. He broke a dozen SDSU records, including single-season rushing, and became the first player ever to rush for more the 1,000 yards in an NCC season.

He signed with Calgary of the Canadian Football League.

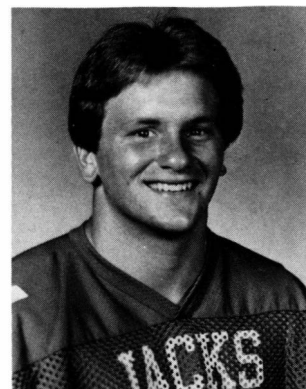

DENNIS THOMAS, tight end, 1985 – A three-year starter from Parkston, Thomas set an SDSU record for career pass receptions (123).

He was on the all-NCC team twice and also earned academic all-NCC.

He caught at least one pass in 29 consecutive games before being shutout in the eighth game of his senior season. He gained 1,441 yards in his career.

Thomas was signed as a free agent by the Denver Broncos in 1986, then by the Cincinnati Bengals in 1987.

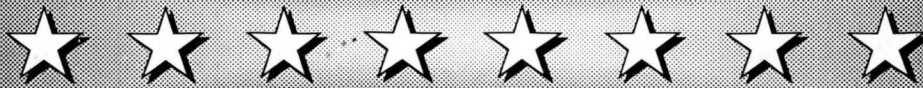

JEFF TIEFENTHALER, wide receiver, 1985 & 1986 – Tiefertalher gained national attention when he set an NCAA record by catching at least one touchdown pass in 14 consecutive games, then added another national mark by catching at least one TD pass in 25 different games during his career.

He completely remodeled the school's pass receiving records, breaking nine of the ten recognized marks. He also set seven NCC records.

Tiefertalher's career numbers showed 173 catches, 3621 yards and 32 touchdowns. He was a consensus All-America pick in 1986 (first team by The Associated Press, the Football News and Kodak), and was one of three finalists for the Harlan Hill Award as the Division II Player of the Year.

Tiefertalher also became the first SDSU player ever selected to play in the Senior Bowl.

DAN SONNEK, tailback, 1987 – Sonnek came to SDSU as a walk-on, majored in agricultural engineering and ended his career by earning second-team Little All-America (The Associated Press) and first-team NCAA Division II All-America

HARLON HILL FINALIST – South Dakota State University wide receiver Jeff Tiefenthaler was a finalist for the Harlon Hill Trophy as the NCAA Division II Player of the Year in 1986. Tiefenthaler was honored at halftime of an SDSU basketball game, with faculty representative Mylo Hellickson making the presentation.

(The Football News).

A classroom standout as well, Sonnek was a first-team GTE Academic All-America pick in 1987 when he was one of 25 players from around the country, regardless of division, to win an NCAA Post-graduate Scholarship.

Sonnek set school records for rushing in a game (268 vs. Northern Colorado in 1985), season (1,518 in 1985) and career (3,304). He led the nation (NCAA Division II) in rushing as a sophomore.

Sonnek earned first-team all-NCC honors in 1985 and 1987, and was a second team pick in 1986 when he missed part of the season with a knee injury.

He was the league's Most Valuable Back in 1987.

Sonnek also set NCC season and career rushing records. And he was voted to the academic all-NCC team three times.

KEVIN TETZLAFF, nose guard, 1991 – Tetzlaff became the second member of his family to earn All-America honors for the Jacks, following older brother Mark who was an All-American on the 1985 basketball team which finished runnerup in the nation.

Kevin earned first-team Little All-America honors from The Associated Press and the Football Gazette. He also earned GTE Academic All-America honors.

And he was named winner of the Stan Marshall Award as the top male scholar-athlete in the North Central Conference for 1991-92.

Tetzlaff, who missed the entire 1990 season because of

an injury, was selected to play in the Kelly Tire Blue Gray All-star game.

Tetzlaff earned all-North Central Conference honors in 1989 and 1991, and was a three-time academic all-conference performer (1988, 1989, 1991).

As a junior, Miller led the Jacks in tackles (114 in ten games) and earned first-team NCAA Division II All-America honors from the Football Gazette and third team Little All-America by The Associated Press.

Miller also earned academic all-conference honors twice, and was a member of the GTE-CoSida Academic All-District team as a senior.

Miller is a Sturgis native.

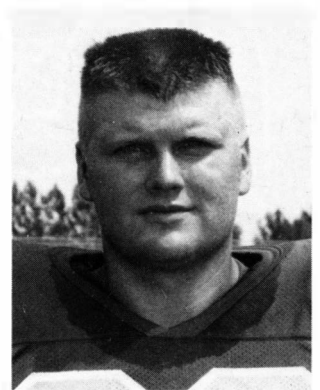

ADAM TIMMERMAN, offensive tackle, 1993 – Adam was a consensus All-American in 1993 and will return for his final season after graduating in December with one year of eligibility remaining.

Timmerman played his way into the starting lineup in 1990, then missed the 1992 season because of a broken ankle. He earned first-team all-North Central Conference honors in 1992 and 1993.

He was a first-team All-American selection on the C.M. Frank and CoSida/NCAA Division II teams, and was second team on The Associated Press Little All-America and Football Gazette teams.

COUGHLIN-ALUMNI STADIUM

Coughlin-Alumni Stadium, the home of the Jackrabbits, is in its 33rd season.

The stadium opened September 22, 1962, when the Jacks lost a 9-7 decision to Arkansas State.

Through the first 31 years of operation, there have been 160 games at Coughlin-Alumni Stadium. SDSU has a record of 92-74 at home during that time ... and there has never been a tie game at CAS.

The largest crowd ever to see a football game of any kind in South Dakota came through the turnstiles on Hobo Day, October 19, 1985, when 16,193 saw SDSU defeat the University of South Dakota 24-12.

The stadium project was started after Charles Coughlin, a 1909 SDSU graduate, donated \$50,000 towards the building of a new stadium to replace State Field. The remaining \$250,000 of the original \$300,000 cost was raised from alumni, students and friends of SDSU.

During the winter of 1963-64, a 46 x 106 foot lockerroom was constructed immediately south of the stadium. That was a \$54,885 project.

In the fall of 1978, a new scoreboard, complete with a message center, was installed. The scoreboard was manufactured by Daktronics, Inc., a Brookings-based firm. In 1988, the scoreboard was updated.

The stadium is topped off by an excellent press facility, which was built for \$23,000 in 1962. The press box is 100 feet long, 10 feet wide and has booths for broadcast personnel and an open main press area.

During the summer of 1984, an underground watering system was added.

Stadium seating has been upgraded during the 1980s with new yellow and blue fiberglass covers on the west grandstand and elevated bleachers on the east side. The addition of end zone bleachers increases the stadium capacity to 16,000.

SDSU, WNAX EXTEND CONTRACT

Last February, SDSU and WNAX agreed to a three-year extension on an exclusive rights radio contract to provide five-state play-by-play coverage of Jackrabbit football and basketball.

WNAX, at 570 AM, actually reaches into parts of seven states but provides broad coverage in South Dakota, North Dakota, Nebraska, Iowa and Minnesota.

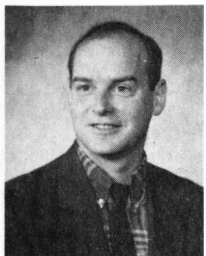

STEVE IMMING, SPORTS DIRECTOR – St. Louis native Steve Imming returns for his second year as “Voice of the Jackrabbits”. Imming became

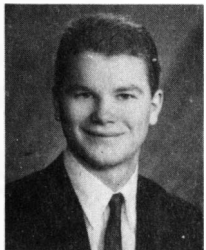

sports director at WNAX in July of 1992. The 49-year-old Imming is a graduate of Creighton University with a degree in journalism. During the past summer, his morning sportscast was judged best in the state by the South Dakota Associated Press. His prior radio experience includes Waynesville and Rolla, Missouri; Kenosha, Wisconsin, and Omaha, Nebraska.

Following his undergraduate studies at Creighton, Imming spent four years with the U.S. Air Force, 1967-71, and served as Sports Director of the Armed Forces

Thailand Network. He worked at Sodrac Park and several other large greyhound tracks across the country in the late 1970's and 80's. Imming was co-host of the Greyhound Race of Champions on ESPN in 1985 and on Sports Channel in 1986. Throughout the course of his professional broadcasting career, Imming has handled play-by-play for NCAA Division II college football and basketball, high school football, basketball and baseball, and minor league professional baseball.

JERRY OSTER – An Aberdeen native, Jerry has been on the WNAX staff since 1976 and is currently news director. He has won a number of Associated Press news awards including best news coverage for his work covering the airplane crash which killed former Governor George Mickelson. He is also past-president of the Associated Press news directors in South Dakota. He has done color for NCC football broadcasts on WNAX since 1979. Oster attended University of South Dakota-Springfield. Oster and his wife, Cheryl, have three children.

MARK KJENSTAD – An Aberdeen native, Mark is a graduate of Brown Institute in Minneapolis. He joined the WNAX staff in October, 1990. Mark has a Monday-thru-Friday airshift from 10 a.m. until 2 p.m., and covers sports as an associate sports director. He worked as sports director of KJJG radio in Spencer, IA., before joining the WNAX staff. After finishing his education at Brown Institute, he worked at the Minnesota News Network and covered the Minnesota Vikings, Twins, Gophers and North Stars.
