South Dakota
State University

Jacks Fact

Starting in the fall of 1990, South Dakota State set an enrollment record five straight years.

When a university has something very special to offer, people sense it. South Dakota State University is one of those universities. We don't pretend to be something we're not. Instead, we take great pride in what we are - a mid-sized university with some very big qualities.

SDSU is enormous when you look at the number of programs offered, its research and work experiences, and the clubs students can get involved in. It's large when you consider the resources here that will make better prepared graduates looking for their first job. Resources like the CAP Center will help with career counseling and placement services.

SDSU is small when you look at its friendly, open campus and discussion-style classes. It's small when you see the kind of social interaction here that's only possible on a tightly-knit campus. There are no social ladders to climb here.

South Dakota State was founded as the state's only land-grant institution in 1881. It is the very essence of what our university is all about. A land-grant institution is directed to educate the people of its state and to solve its

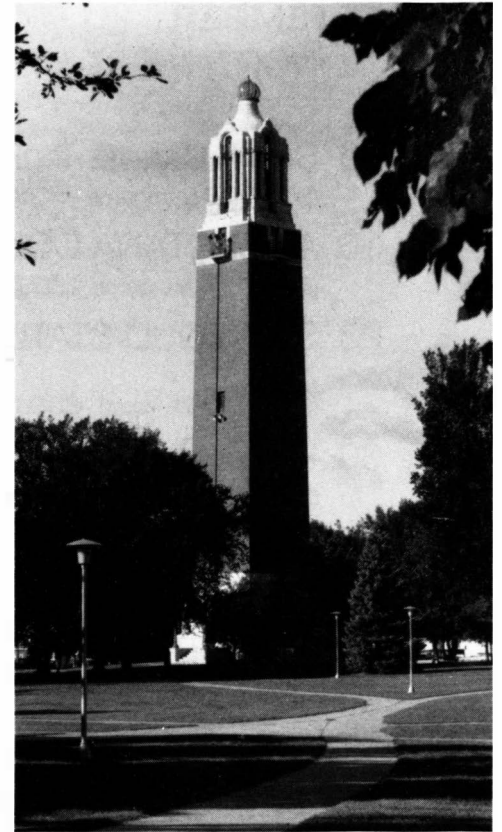

problems through academics, research and extension programs.

Today, our university has grown both in size and scope. We are South Dakota's largest university, and the problems we solve reach far beyond the borders of our state.

Diversity has always been a trademark of an SDSU education. Our students choose from over 2,500 courses offered each year. This large selection of courses offers students many opportunities to learn and grow that they would not find at many other colleges.

Offering a large number of programs, though, has little importance unless the academic standards remain high. That's why South Dakota State continually works to provide quality programs for its students. These efforts result in the University remaining accredited by the North Central Association of Colleges and Schools - the largest accrediting agency in the nation.

South Dakota State's faculty is well known for its excellence in teaching. Of the 475 full-time faculty members, 70% hold doctorate degrees. Conducting research, writing books and presenting

papers at national conferences are the reasons many SDSU professors are nationally known in their fields.

They are committed to intellectual inquiry and have experience both in and out of the classroom. We have faculty exchange agreements with universities in the People's Republic of China, Russia, Great Britain, Mexico, and South Korea. These exchanges allow faculty to gain international experience and incorporate that knowledge into their classrooms at SDSU.

Personal attention is not the exception here, it's the norm. A physics professor was instrumental in organizing a group to help raise funds for a graduate student who had a bone marrow transplant. Every semester a faculty member invites all the women students in the College of Engineering to her house for an evening of food and discussion.

While our faculty remain active in their fields, their first commitment is to teaching and to the students they

South Dakota State has won 122 North Central Conference championships (104 for men, 18 for women) including 14 in football.

teach. There is one faculty member for every 17 students here. This low ratio and an average class size of only 25 allows students the close, personal attention from faculty that they want and deserve.

Brookings is the home of SDSU and its 9,140 students. A town of 16,250, it is located on the eastern edge of South Dakota just 20 miles from the Minnesota line.

South Dakota friendliness has always been the key to Brookings and the campus community. We have a casual, friendly atmosphere here that quickly makes everyone feel like they fit in. SDSU students, will find that they are welcomed both on and off the campus.

While the University is a contributing

When it comes to recreation, Brookings is the perfect place. There are 14 city parks and recreation areas, including an ice arena, swimming pools, tennis courts and golf courses. Nearby state parks and recreation areas help round out outdoor opportunities.

SDSU is one of 68 Land Grant colleges and universities in the United States, a designation stemming from the Morrill Act of 1862. The purpose of this so-called Land Grant College Act are: "...the endowment, support and maintenance of at least one college where the leading object shall be without excluding other scientific and classical studies, to teach agricultural and mechanical arts, in order to promote the liberal and practical education of the

The first building was constructed in 1883 with classes beginning on September 24, 1884.

Athletically, SDSU is a charter member of the North Central Intercollegiate Athletic Conference.

The Jackrabbits have won 122 conference championships (104 men, 18 women).

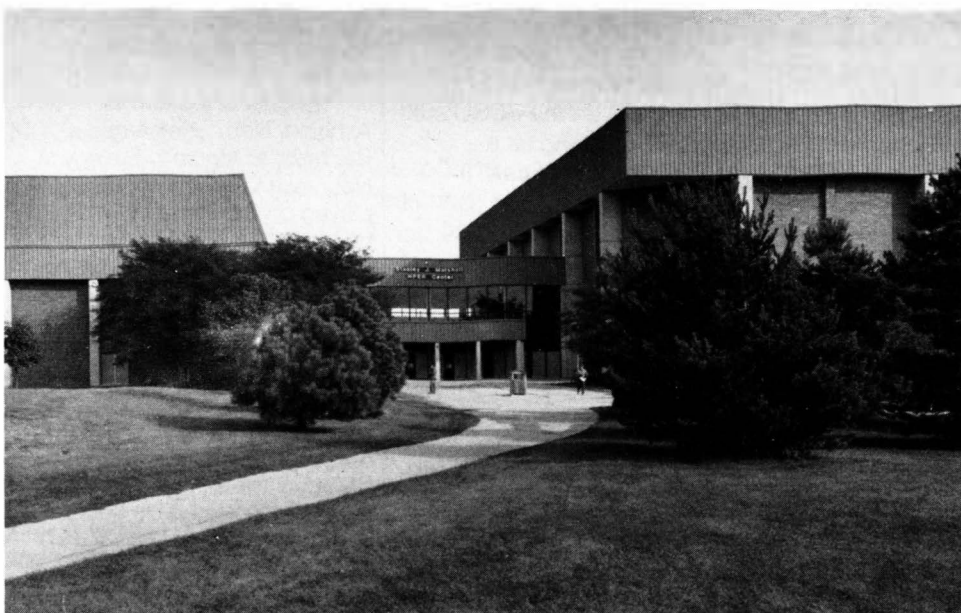

SDSU's success has not been confined to one or two sports. The Jacks are one of two current league members with at least one championship in each of the sports sanctioned by the NCC in men's competition. SDSU won the 1993-94 NCC all-sports championship for women and finished third for men.

And SDSU's success hasn't been limited to conference competition. The Jackrabbit football team was ranked in the NCAA Division II Top Twenty most of last season, finishing 19th. SDSU made its second straight appearance in the regional championship game of the Division II women's basketball tournament. And the Jackrabbit baseball team competed in the regional tournament for the fourth straight year.

The SDSU wrestling teams have competed in every College Division – NCAA Division II national tournament. The Jacks were fifth in last year's NCAA meet. SDSU has hosted the NCAA Division II mat tourney three times: 1993, 1979 and 1973.

SDSU won the NCAA College Division basketball championship in 1963 and was runnerup in 1985.

SDSU has also been a dominate force nationally in cross country, winning five national titles for men and two for women.

influence in the community, Brookings is not "just another college town." Industry thrives here. Larson Manufacturing, which produces combination doors and windows for home construction, and Daktronics, Inc., maker of computer generated displays and scoreboards, is headquartered here and has an international market. Minnesota Mining and Manufacturing has a manufacturing plant in Brookings and and Coast to Coast has a major distribution warehouse here.

industrial classes in the several pursuits and professions of life."

The Enabling Act, approved February 22, 1889, admitted the State of South Dakota to the United States and provided 120,000 acres of land be granted for the use and support of the Agricultural College. By the Enabling Act of 1889, Congress also granted South Dakota an additional 40,000 acres for the Agricultural College in lieu of a grant that had been made to new states in 1841.

Jacks Fact

Mike Daly has the second highest career won-lost percentage of any coach in South Dakota State University history at .667 (28-14)

A new era in South Dakota State University history began December 1, 1990, when Mike Daly was named head coach.

And it didn't take long for Daly to make an impact.

Daly inherited a 3-8 team, turned things around with a 7-3 season, and was named North Central Conference Coach of the Year in 1991.

SDSU finished 7-4 last year, giving Daly a 28-14 record for three seasons, a .667 won-lost percentage. It's the first time in history SDSU has won seven or more games four straight seasons.

And the accomplishments have been many during Daly's career as head coach.

SDSU has beaten every team in the NCC at least once, posting the second best overall won-lost percentage of any active coach in the league. SDSU is .500 or better against seven of the nine NCC opponents.

Daly's program has emphasized the balance between athletic success and academic success. SDSU has had 22 first-team academic all-conference selections and 19 first-team all-NCC players with 16 more earning second-team honors.

SDSU has had two players selected in the NFL draft. Linebacker Doug Miller was on the San Diego Chargers team in the Super Bowl last year, while offensive tackle Adam Timmerman was picked by the Green Bay Packers in the 1995 draft.

Three SDSU players earned first-team All-America recognition last year, and four players were voted to the GTE-CoSida academic all-district first-team. Two players, tight end Jake Hines and punter Adam Vinatieri, earned All-America honors both as players and academically.

Hines also earned an NCAA post-graduate scholarship, one of just three awarded to players from NCAA Division II.

Timmerman was a consensus All-American last year (first team on all-five

teams which select players from NCAA Division II) and won the Jim Langer Award as the top offensive lineman in Division II.

When Daly came to SDSU, not only did SDSU gain one of the top coaches in the country, but Daly embarked on a career move – after 20 years as a collegiate assistant coach, the Fairmont, MN, native was taking on his first head coaching assignment.

Daly's only games as a head coach have been at SDSU, but that doesn't tell much about the background of a guy whose professional career has been dedicated to the sport.

Daly came to SDSU from Division I Western Michigan, where he had been offensive backfield coach for head coach Al Molde.

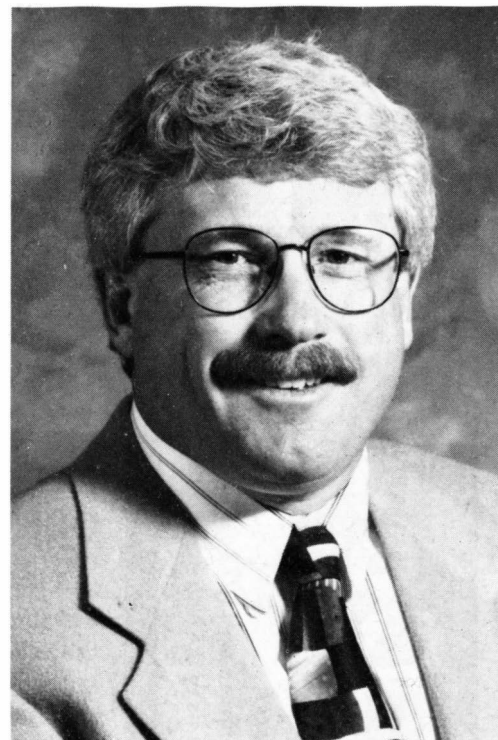

Daly has been associated with the North Central Conference as a player or coach for 20 seasons, starting as a student-athlete at Augustana College, continuing as an assistant coach, first at South Dakota State University, then at North Dakota State University where he was a part of the national championship team in 1983.

Daly is a 1971 graduate of Augustana College. He earned a Master's Degree in physical education at the University of Minnesota in 1974.

Daly was defensive coordinator at SDSU for four seasons, 1975-78, before joining Don Morton's staff at North Dakota State University. He was an assistant at NDSU until 1984, when he moved to Idaho State for one season before rejoining Morton at Tulsa University, and he accompanied Morton to the University of Wisconsin.

He was special teams coordinator with the Saskatchewan Roughriders during the summer of 1990, then joined the Western Michigan staff for the 1990 season.

Mike and his wife, Carol, have one son, Derek (6).

Jacks Fact

Three SDSU seniors earned first-team All-America honors last year: offensive tackle Adam Timmerman, tight end Jake Hines and kicker/punter Adam Vinatieri. It's the first time SDSU has had more than two All-Americans in one season.

JACKS RETOOL: SHORT ON EXPERIENCE, LONG ON TALENT

As South Dakota State football coach Mike Daly sees it, the 1995 season is one in which the Jackrabbits must "retool."

"We have adjusted our offensive and defensive schemes but more significantly, will be filling up to 14 starting spots. The experience factor will not be there in many positions because we will have so many young players," Daly said.

"We have a unique situation. On the down side, we have the least experienced squad in our five years here. On the up side, we have more pure talent than any of our previous teams. We simply need to adjust the formula a little to give us the greatest chance for success."

Daly equates the current situation to "paying off the credit card. Our senior class last year was unique ... it was a combination of three senior classes. We had two sixth-year seniors (all-American offensive tackle Adam Timmerman and second-team all-conference runningback Paul Klinger) who made major contributions. Then we had our normal fifth-year seniors, and we had a number of fourth year seniors - players we were forced to use as first-year freshmen in our first year here (kicker/punter Adam Vinatieri, defensive back Mike Jaunich, defensive back Casey Rasmussen, tight end Jake Hines)."

"At the same time, our recruiting classes the last three years have been outstanding at almost every position," Daly said.

So how far along is the retooling process after spring practice?

"There are three things I like," Daly said.

"First, I liked how well the players competed in spring ball.

"Second, we are a very athletic team.

"Third, this was the best hitting

spring we have had. We have the ability to be a very physical team."

Daly says the strength of the team should be its skill positions on offense and front seven on defense.

Daly pointed to the special teams as an area of concern. "We need to jell again on special teams, but really don't know what to expect because we anticipate one of our 1995 recruits (freshman Tom O'Brien from Chaska, MN) to be a factor with the kicking game."

"We will be learning on the run so we need to use our talent wisely and our people must peak perform," Daly said. "If we can dodge some bullets early we should jell by mid-season, and have a chance for a solid year overall."

Now, how does it break down?

First off, there are 36 lettermen returning from last year's 7-4 team, but at least two are questionable heading into the summer. First-team all-conference all-purpose back Matt Beier missed spring ball because of an injury suffered in the season finale against North Dakota. Second-team all-conference offensive tackle Jay Bohlinger is battling academic problems. "We'll just have to wait and see - we could have both back or might have neither," Daly said.

The biggest question after last season was "Who will be at quarterback". SDSU had two players split time last year, Bill Perron (6-3, 226) and Brook Parent (6-3, 214). Daly said the battle for the position was wide open going into spring ball and Perron, a junior who started six games and passed for 1,095 yards last season, emerged number one but not by much. Parent, now a senior, had 996 yards passing last year.

Klinger, last year's leading rusher (867 yards, second-team all-NCC), graduated so the runningback spot is also wide open. Scott Sievers (6-1,

195) was second on the team in rushing last year and the Jacks also return three-year letterman Travis Mercer (5-10, 210) along with Justin Kiewiet (5-10, 190). All three have had injury problems in the past.

With or without Beier, the receiving corps is a veteran group. Lance Wipf (6-3, 252) and Cody King (6-2, 225) both lettered at tight end last year and Briar Shero (6-5, 228) lettered in 1993. Rusty Lenners (5-10, 165) returns at slotback, while letterman Brett Beran (5-6, 144) is back at H-back (Beier's position). At flanker, there are two lettermen, Nathan Millerbernd (6-0, 174) and Tim Sylliaasen (6-1, 191). Sylliaasen may also be the punter.

The line needs some "retooling" and to do that, a couple of players switched positions. On the left side, Brian Rodel (6-2, 252) moved from defensive tackle to offensive guard in spring ball and emerged No. 1 while Morris Ruesink (6-2, 246) moved from tight end to guard and is backing up Rodel. Returning starter Kent Timmerman (6-4, 245) moved from guard to tackle.

On the right side, veteran Greg Kvistad (6-3, 269) leads the guards while letterman Troy Hart (6-3, 274) tops the tackles. At center Joel Nelson (6-3, 239) moved from tight end a year ago and will start the fall number one, backed up by John Hofer (6-2, 252).

Defensively, there are two different situations. In the front four, everyone returns. In the linebackers, two of three starters are back. But in the secondary, six players are gone - yet the Jacks still have some good experience to draw from.

The front is anchored by first-team all-conference end Jason Aune (6-3, 231). Aune led the team in sacks last year with 7 ½.

At one tackle, sophomore Brad Peterson (6-3, 258) returns as the

starter while the other tackle spot returns the two players who shared time last year, Mark Van Meeteren (6-1, 261) and Zach Carter (6-3, 264). The other end returns part-time starters Jeff Wolgamott (6-4, 234) and Jeff Koller (6-3, 246).

Linebacker Tim Fogarty (6-0, 217) led the team in tackles last year (34 solo, 55 assists, 89 total) and was honorable mention all-conference. He returns at the "Will" position as does veteran senior Mike Barber (5-9, 208).

In the middle, Chad Peters (6-2, 224) earned the starting spot midway through last season and returns along with letterman Mike Kesler (6-1, 227). Peters finished fourth on the team in tackles (31 solo, 34 assists, 65 total).

And at the "Sam" position, redshirt Geoff Wilber (6-4, 190), senior Brad Wendland (5-11, 214) and redshirt freshman Sterne Akin (6-1, 203) are leading candidates to replace Brent Rohlfs.

Experienced leaders in the secondary are sixth-year player Mark Struck (6-1, 190) at free safety; left cornerback Joel Lensegrav (5-9, 187), who started six games last year; and strong safety Larry Harmon (6-1, 223), a three-year letterman.

Mike Struck (6-0, 190) will

complete for playing time at safety while redshirt freshman Luke Smith (5-9, 168) and transfer John Estes (5-9, 194) are top candidates at right corner.

The kicking game is a wide open battle.

Redshirt Brett Gorden and newcomer O'Brien will likely be the top two candidates for the place kicking duties.

Sylliaasen, Estes and O'Brien are expected to compete for the punting job.

Kickoff returns should be handled by Beren (he had a 90-yarder against S.D. Tech last year) and Sievers.

But the deep back spots on punts will depend on Beier's status. One of the top punt returners in the country, Beier's loss could mean Lenners or Hunter would be the return specialist.

Jacks Fact

SDSU has never played a tie game at Coughlin-Alumni Stadium.

Coughlin-Alumni Stadium, the home of the Jackrabbits, is in its 34th season.

The stadium opened September 22, 1962, when the Jacks lost a 9-7 decision to Arkansas State.

Through the first 33 years of operation, there have been 166 games at Coughlin-Alumni Stadium. SDSU has a record of 96-76 at home during that time.

The largest crowd ever to see a football game of any kind in South Dakota came through the turnstiles on Hobo Day, October 19, 1985, when 16,193 saw SDSU defeat the University of South Dakota 24-12.

The stadium project was started after Charles Coughlin, a 1909 SDSU graduate, donated \$50,000 towards the building of a new stadium to replace State Field. The remaining \$250,000 of the original \$300,000 cost was raised from alumni, students and friends of SDSU.

Within two years after the completion of the stadium, a lockerroom facility was constructed and a press box was added.

In the fall of 1978, a new scoreboard, complete with a message center, was installed. The scoreboard was manufactured by Daktronics, Inc., a Brookings-based firm. In 1988, the scoreboard was updated.

Over the last four seasons, all of the stadium practice fields have been reworked and replanted, giving SDSU one of the top complexes around. All of the fields feature an underground watering system.

Stadium seating has been upgraded with new yellow and blue fiberglass covers on the west grandstand and elevated bleachers on the east side. The addition of end zone bleachers increases the stadium capacity to 16,000.

Jacks Fact

In 1963, SDSU's Wayne Rasmussen was Outstanding Player at the NCAA College Division basketball tournament (spring) and Most Valuable Back in the North Central Conference in football (fall).

FRANK KELLEY, halfback, 1926 – Once called “a veritable lightning bolt” by an opposition sportswriter, Kelley was the sparkplug igniting the 1926 Jackrabbits to an unbeaten season.

The team's leading scorer and rusher, Kelley also gained nationwide attention for his drop kicks, particularly in games against St. Louis University and Hawaii, where his toe accounted for the winning points. He also presented a threat passing, and during the season either ran, passed or kicked for all of SDSU's points in North Central Conference play.

A Tyndall native, Kelley earned eight letters as a Jackrabbit, starting in football and basketball, while also running on the track team. He broke two world records in 1925, running the 45-yard low hurdles in :05.8 and the 50-yard high hurdles in :06.3.

Following graduation, he joined the world champion New York Giants and played in 17 straight games before retiring.

WEERT ENGELMANN, halfback, 1929 – Called the “Flying Dutchman of Miller”, Englemann won nine letters in football, basketball and track.

An ever dangerous runner, Englemann broke up several tight games with explosive bolts through the line. An all-conference choice in 1928 and 1929, he led the Jacks in both rushing and scoring.

On the track, he became the first South Dakotan to win an event at the Drake Relays, capturing the top spot in the triple jump in 1929. The next year, he won the discus at Drake. He regularly competed in, and won in, ten events in track and he still holds the North Central

Conference record for most individual championships won during a career (outdoor only) with 12 (in the 120 high hurdles, 220 low hurdles, long jump, high jump, shot put and discus).

A defensive standout, Englemann went on to star with the Green Bay Packers (1930-33).

AL ARNDT, guard, 1934 – Considered by his coaches to be “one of the best 60-minute players in SDSU history,” Arndt consistently opened gaping holes for his running backs and just as consistently plugged holes for the opposition, stopping their plays.

Playing both guard and tackle, Arndt was a mainstay in the Jackrabbit line for three seasons and was twice named all-NCC. During his senior year, he led the Jacks in tackles.

A star on the basketball court as well, Arndt was team captain in both football and basketball as a senior. He later played for the Pittsburgh Steelers and Boston Redskins.

PAUL “WHITEY” MILLER, halfback, 1935 – One of SDSU's most explosive runners, Miller led the Jacks to an upset over Wisconsin when he scored on a 75-yard pass interception return.

During his senior year, he ran or passed for 11 of SDSU's 17 touchdowns, including two 70-yard runs. Named unanimously to the all-NCC offensive and defensive teams, Miller also won letters in track and was captain of the 1937 cinder team.

He played three seasons (1936-38) with the Green Bay Packers.

HERB BARTLING, quarterback, 1950 – Spearheading one of the most talented backfields in SDSU history, Bartling led the Jacks to an unbeaten season.

Named the NCC's Most Valuable Player, Bartling was considered SDSU's best passing quarterback ever. Few school records from the '50s remain in the Jackrabbit book, but Bartling still shares the mark for most TD passes in one game, four against North Dakota State in 1949.

He was also a two-time all-North Central Conference performer in basketball, playing guard.

HERB BACKLUND, center, 1954 – Considered the Jacks' best center of all-time, Backlund did not make his mark at that position until his senior season.

Backlund's forte was downfield blocking, but he was also an excellent pass blocker for quarterback Jerry Welch, who joined him on the All-America team that year.

JERRY WELCH, quarterback, 1954 – Co-captain of the team, Welch stepped in at quarterback after a season's opening loss to Iowa State and guided the Jacks to a 7-1 mark the rest of the way.

A triple threat at running, passing and kicking, his nine TDs that season included a 91 yard run from scrimmage and a 77-yard punt return.

Welch went on to try out with the Baltimore Colts, then played with the Calgary Stampeders of the Canadian Football League.

LEN SPANJERS, guard, 1957 – A three-time all-NCC selection, Spanjers paced the 1957 Jacks to the league crown after they were picked fifth in the pre-season.

Playing both offense and defense, the Milbank native was named the NCC's Most Valuable Player. He was the only sophomore named to the all-NCC team in 1955.

Co-captain as a senior, he was also the team's punter.

Spanjers was inducted into the Jackrabbit Sports Hall of Fame in 1991.

Jacks Fact

Mike and John Sterner, fixtures on the 1959-60-61 SDSU football teams, were both presented the Ralph Ginn Award for Coaching Excellence at SDSU in 1993. At the time, Mike was coaching wrestling at Southwest State and John was coaching wrestling at Moorhead State.

JOE THORNE, fullback, 1961

– Called “the best all-around player in the history of football at SDSU” by coach Ralph Ginn, Thorne paced the '61 Jacks to the NCC title and an 8-2 season.

Rushing for 958 yards (5.5 ypc) his senior year, he carried the ball just twice in the fourth quarter all season. He piled up more than 2,000 career yards and was named to the all-NCC team twice.

Considered an outstanding blocker and tackler by his coaches, Thorne also played defensive back. He was drafted

by the Green Bay Packers, but passed up the opportunity to play pro ball.

He died in 1965 while serving as a helicopter pilot in Vietnam.

MIKE STERNER, guard, 1961 – Teamed with twin brother John to give SDSU opponents a dose of double trouble.

Earned first-team all-conference as a senior.

Has gone on to a successful career in coaching and teaching at Southwest State in Minnesota, and is in the NAIA Wrestling Hall of Fame.

ROGER EISCHENS, end, 1962 – A two-sport star, Eischens was also an All-America wrestler for the Jacks.

Named to the all-NCC grid team twice, he was the first SDSU player to gain over 1,000 yards receiving (65 catches, 1,094 yards).

Also a defensive standout, he still holds the SDSU record for longest pass interception return, 85 yards against Toledo in 1962.

A native of Canby, Minn., he rolled up a 10-1-1 dual wrestling record as a senior and placed third in the nation at 190 pounds.

JOHN STONE, linebacker, 1962 – A native of Hendricks, Minn., Stone was named All-America after leading the nation in field goal kicking.

Stone kicked nine field goals and 24 point-after-touchdown attempts for 51 points that season, his first as a field goal kicker. He held virtually every place kicking record at SDSU.

Also a stellar linebacker, Stone led the team in interceptions in 1962 and was one of the team's leading

WAYNE RASMUSSEN, halfback, 1963 – The 1963 College Athlete of the Year in South Dakota, Rasmussen was all-NCC in three sports at SDSU: football, basketball and

baseball.

The Most Valuable Back in the NCC as State was unbeaten in league play during a 9-1 season in 1963, Rasmussen rushed for 874 yards and caught 29 passes for 463 more, averaged 32.1 yards per punt, and scored 54 points. He was also the team's leading kickoff and punt returner and intercepted seven passes. His 11 receptions against Arkansas State stood as an SDSU single-game record until 1986.

The Howard native was also voted the Outstanding Player at the NCAA College Division basketball tournament when he led State to the national championship in 1963. Following his career at SDSU, he played ten seasons with the Detroit Lions of the National Football League.

DARWIN GONNERMAN, fullback, 1967 & 1968 – This Adrian, Minn., powerhouse became SDSU's first two-time All-American when he put together back to back 1,000 yard seasons and became the school's career rushing leader.

Your classic all-purpose player, he rewrote 13 different school records and still holds the record for all-purpose yards in a career with 5,465, and most points scored in a season, 102.

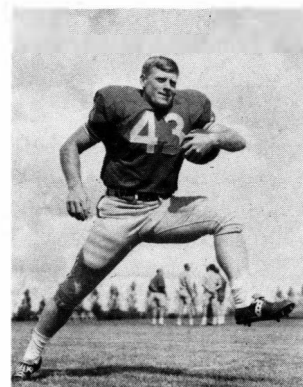

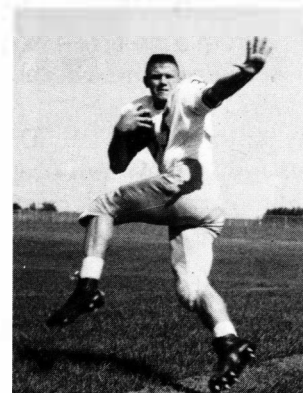

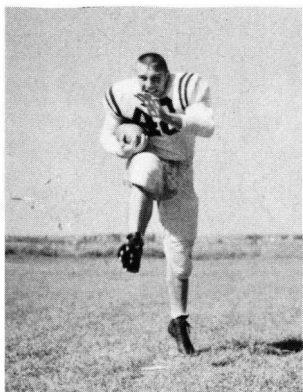

Named the NCC's Most Valuable Player as a senior, his touchdowns included a 95-yard punt return against NDSU (also still a school record). He rushed for 224 yards against Drake that season.

A standout kicker, he played two seasons with the Ottawa Roughriders in the Canadian Football League. In 1969, he was voted South Dakota College Football Player of the Decade.

LYNN BODEN, offensive guard, 1974 – Boden had the honor of being the first North Central Conference player ever picked in the first round of the National Football League draft, selected by the Detroit Lions.

The NCC's Most Valuable Offensive Lineman as a senior, he was a Kodak first-team All-American.

Co-captain of the 1974 SDSU team, he played in only three games as a prep senior, sidelined the rest of the season with an injury. He was a 210-pound offensive lineman when he came to SDSU from Osceola, Neb. He

started at tackle for the Jacks as a sophomore and was 265 pounds when he graduated.

BILL MATTHEWS, defensive end, 1977 – Matthews came from a nine-man football program at Wessington to star three years for the Jackrabbits, not only as a player but as a student.

By the time he left SDSU, he had earned first-team Academic All-America twice (1975 and 1977); earned first-team Little All-America (Associated Press) in 1977; been named NCC Most Valuable Defensive Lineman, 1977; been named to the all-NCC team twice, 1976 and 1977; been named to the Academic all-NCC team three times (1975, 1976 and 1977); been selected as SDSU's Scholar Athlete for 1978.

He started at defensive tackle as a sophomore and junior, then moved to defensive end as a senior. He was selected in the fifth round of the National Football League draft by the New England Patriots and played for the Patriots and New York Giants of the NFL as well as the Denver Gold of the United States Football League.

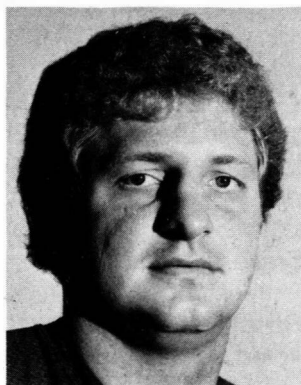

CHUCK LOEWEN, offensive tackle, 1979 – Another of those guys who grew into a position, Loewen came to SDSU as a 190 pound freshman and left five years later at 6-5, 265.

In between, he was a first-team Kodak All-American after helping the 1979 Jacks to the NCAA Division II playoffs. He also earned third-team Associated Press All-America honors that year.

After being honorable mention all-NCC in 1977, Loewen was injured and missed the 1978 season.

He came back with a vengeance. He made first-team all-NCC both as a player and academically in 1979, and also became the first interior lineman to earn the league's Offensive Player of the Week award.

Loewen's athletic -academic achievements earned him an NCAA post-graduate scholarship and he enrolled in the MBA program at Arizona State, only to have his education interrupted when he was drafted in the seventh round by the San Diego Chargers. He played five seasons in the NFL.

Wegher had one of those "career" seasons as a senior.

He finished second in the nation in rushing (119.7 ypg) and fourth in scoring.

He also put his name in the NCAA record book twice. Wegher and Wyoming back Kevin Lowe co-authored an NCAA record for "Most Yards Gained by Two Opposing Backs...533." Wegher had 231 of that.

Rick also finished his career with 107 kickoff returns, making him the first player in NCAA history (any division) to go over the 100 mark in that category. He broke a dozen SDSU records, including single-season rushing, and became the first player ever to rush for more the 1,000 yards in an NCC season.

He signed with Calgary of the Canadian Football League.

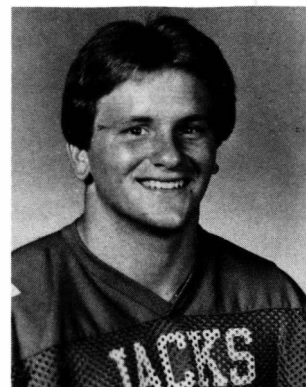

DENNIS THOMAS, tight end, 1985 – A three-year starter from Parkston, Thomas set an SDSU record for career pass receptions (123).

He was on the all-NCC team twice and also earned academic all-NCC.

He caught at least one pass in 29 consecutive games before being shutout in the eighth game of his senior season. He gained 1,441 yards in his career.

Thomas was signed as a free agent by the Denver Broncos in 1986, then by the Cincinnati Bengals in 1987.

JEFF TIEFENTHALER, wide receiver, 1985 & 1986 – Tiefertalher gained national attention when he set an NCAA record by catching at least one touchdown pass in 14 consecutive games, then added another national mark by catching at least one TD pass in 25 different games during his career.

He completely remodeled the school's pass receiving records, breaking nine of the ten recognized marks. He also set seven NCC records.

Tiefertalher's career numbers showed 173 catches, 3621 yards and 32 touchdowns. He was a consensus All-America pick in 1986 (first team by The Associated Press, the Football News and Kodak), and was one of three finalists for the Harlan Hill Award as the Division II Player of the Year.

Tiefertalher also became the first SDSU player ever selected to play in the Senior Bowl.

HARLON HILL FINALIST – South Dakota State University wide receiver Jeff Tiefenthaler was a finalist for the Harlon Hill Trophy as the NCAA Division II Player of the Year in 1986. Tiefenthaler was honored at halftime of an SDSU basketball game, with faculty representative Mylo Hellickson making the presentation.

DAN SONNEK, tailback, 1987 – Sonnek came to SDSU as a walk-on, majored in agricultural engineering and ended his career by earning second-team Little All-America (The Associated Press) and first-team NCAA Division II All-America (The Football News).

Sonnek also set NCC season and career rushing records. And he was voted to the academic all-NCC team three times.

KEVIN TETZLAFF, nose guard, 1991 – Tetzlaff became the second member of his family to earn All-America honors for the Jacks, following older brother Mark who was an All-
