For the South Dakota State University football coaching staff, the objective is simple.

There have many accomplishments in the past five seasons, like the first time in history the Jackrabbits have won six or more games five straight seasons. During that span, SDSU has beaten every team in the North Central Conference at least once and has a better won-lost percentage than all but North Dakota State and Northern Colorado. State has its best five-year won-lost percentage since Jack West left after the 1927 season.

All of that, yet something is missing. "We haven't accomplished the main goal," coach Mike Daly says. "We haven't won a conference championship or earned a spot in the NCAA playoffs."

So that's the goal in 1996. Is it realistic?

"This team has the most overall talent of any team since we've been here, and this team has the most returning experience of any team since we've been here," Daly says. "Now we'll find out if that combination gives us the best team we've had."

There are 42 lettermen on the roster and there are players with starting experience at all but one position - runningback. And everyone returns on the special teams.

The area with the most change might be the coaching staff, where two new members joined the Jackrabbit family last spring, offensive line coach Craig Russow and defensive line coach Curt Bohn. "When you have to replace people on the coaching staff, it's always a concern," Daly says. "But after going through spring ball, I really like the chemistry of our staff."

So what will it take for the Jacks to contend for the NCC title? "We have to be consistent," Daly said. "We need to stay focused from play-to-play, quarter-to-quarter, week-to-week, from the start of the season to the end of the season."

"Defensively, we were up and down last year and it was directly related to our health. When we were healthy, we were good. You can't do much about the injury problems - they are a part of the game - but we hope for some luck so we stay healthy," Daly said.

The outlook by area:

Offensive line: Should be much improved, both size-wise and experience-wise. The return of guard Jay Bohlinger, who missed last season, is a plus. Bohlinger was a second-team all-conference pick in 1994. He's 6'4, 292. Tackle Troy Hart, who lines up next to Bohlinger on the right side, was honorable mention all-conference last year. He's 6'3, 281. On the other side are a pair of players who started as first-year freshmen last year, guard Craig Ploetz, 6'3, 298, and tackle Kelly Kobernusz, 6'5, 288. Bryan Jaske, 6'1, 288, lettered last year as a backup tackle.

There's a three-way battle for the starting center spot. Senior Kent Timmerman was moved to the position in spring ball after starting at tackle last year. He's 6'4, 247. John Hofer, 6-2, 262, lettered as a backup last year while Brian Rodel, 6-2, 252, moved from guard to center in the spring.

Non-lettermen on the depth chart will include junior Morris Ruesink, 6-2, 259; sophomore Chris Beck, 6-2, 270 and redshirt freshman Matt Berry, 6-3, 282.

Receivers: "It would be difficult to be better," Daly says of the receiving corps. "We have experience, talent, speed and a great group of playmakers."

The group will see the return of Matt Beier, a first-team all-conference pick in 1994. He missed last season while recovering from an injury. Last year, Beier's replacement, Brett Beran, (35 catches, 596 yards, 5 TDs; 1.135 all-purpose yards) earned first-team all-conference honors. Tight end Lance Wipf (27 catches, 312 yards, 4 TDs) was a second-team all-conference pick. Wide receiver Rusty Lenners (55 catches, 708 yards, 4 TDs) was an honorable mention pick. Nathan Millerbernd (26 catches, 313 yards, 1 TD) started last year. Junior Tim Sylliaasen and sophomore Dan
Bauman are also lettermen at wide receiver while the tight ends include three other lettermen: senior Cody King, senior Brian Shera and sophomore Steve Heiden.

Quarterback: "We return an established player who has won a lot of games as starter the past two seasons, and also have some talented backup personnel who give a different dimension to the offense," Daly said. Senior Bill Perron passed for 2,077 yards with 14 TDs last year. Redshirt freshman Noel Bouche is ready to challenge for playing time. Ryan Richardson has spent two years learning the system.

Runningback: this is the only position on the team without a returning letterman. Six of the seven players are either freshmen (three redshirts, three first-year). But it's also a group with great potential. Redshirt Mikal Simmons had taken over the number one spot in spring ball, then blew out a knee the next day. "We will throw all seven into the pool at the start of fall camp and see where it leads," Daly said. "We do feel good about the talent available."

Defensive line: Daly says simply, the defensive line "will be excellent - we're two deep in quality people at every position. End Jason Aune (6-3, 242) earned first-team all-NCC in 1994 as a sophomore, then was an honorable mention pick in an injury-plagued season last year. He's backed up by sophomore Darrick Dierkhising, who started three games last year, and three-year letterman Brent Venenga. At the other end, the Jacks also have two players with starting experience, senior Jeff Wolgamott (6-4, 243). Juniors Brad Peterson (6-3, 258) and Zach Carter (6-3, 284) have each started games in each of the past two seasons at tackles. Lee Munger (6-4, 253) was a parttime starter last year. Redshirt freshman Lance Zell also came out of spring ball on the two-deep.

Linebacker: "is thin, in both depth and size, but is very athletic as a group," Daly says. "We feel we have five guys for the three positions." Chad Peters (6-2, 235) in the middle and Geoff Wilber (6-4, 195) on the one side were starters last year while Sterne Akin (6-1, 205) on the other side saw more and more action as the season went on. Brad Wendland (5-11, 214) started the '95 opener vs. Northwest Missouri, suffered a knee injury and missed the rest of the season. He was granted hardship status so will be back this fall. Corey Wulf (6-3, 204) is also a letterman.

Secondary: "is a solid group with excellent speed," Daly said. Vic Sosa started at corner last year and moved to strong safety in spring ball. Joel Lensegrav returns at starter at one corner with letterman Luke Smith and transplanted wide receiver Mike Hunter battling for the starting job at the start evacuated by Sosa. At free safety, senior Jason Harris (6-4, 220) makes up in athletic ability what he lacks in experience.

Special teams: "will just get better and better," Daly says. "We have everyone back." That includes Brett Beran (19 KOR, 25.1 ypr) last year and Matt Beier (15 KOR, 372 yards, 24.8 avg; 24 punt returns, 287 yards, 12.0 ypr in 1994). Both Jackrabbit kickers were freshmen last year, place kicker Brett Gorden, the team's leading scorer with 59 points including 12-of-13 field goals; and punter Tom O'Brien, 37.4 average for 40 attempts.
When a university has something very special to offer, people sense it. South Dakota State University is one of those universities. We don’t pretend to be something we’re not. Instead, we take great pride in what we are - a mid-sized university with some very big qualities.

SDSU is enormous when you look at the number of programs offered, its research and work experiences, and the clubs students can get involved in. It’s large when you consider the resources here that will make better prepared graduates looking for their first job. Resources like the CAP Center will help with career counseling and placement services.

SDSU is small when you look at its friendly, open campus and discussion-style classes. It’s small when you see the kind of social interaction here that’s only possible on a tightly-knit campus. There are no social ladders to climb here.

South Dakota State was founded as the state’s only land-grant institution in 1881. It is the very essence of what our university is all about. A land-grant institution is directed to educate the people of its state and to solve its problems through academics, research and extension programs.

Today, our university has grown both in size and scope. We are South Dakota’s largest university, and the problems we solve reach far beyond the borders of our state.

Diversity has always been a trademark of an SDSU education. Our students choose from over 2,500 courses offered each year. This large selection of courses offers students many opportunities to learn and grow that they would not find at many other colleges.

Offering a large number of programs, though, has little importance unless the academic standards remain high. That’s why South Dakota State continually works to provide quality programs for its students. These efforts result in the University remaining accredited by the North Central Association of Colleges and Schools - the largest accrediting agency in the nation.

South Dakota State’s faculty is well known for its excellence in teaching. Of the 475 full-time faculty members, 70% hold doctorate degrees. Conducting research, writing books and presenting papers at national conferences are the reasons many SDSU professors are nationally known in their fields.

They are committed to intellectual inquiry and have experience both in and out of the classroom. We have faculty exchange agreements with universities in the People’s Republic of China, Russia, Great Britain, Mexico, and South Korea. These exchanges allow faculty to gain international experience and incorporate that knowledge into their classrooms at SDSU.

Personal attention is not the exception here, it’s the norm. A physics professor was instrumental in organizing a group to help raise funds for a graduate student who had a bone marrow transplant. Every semester a faculty member invites all the women students in the College of Engineering to her house for an evening of food and discussion.

While our faculty remain active in their fields, their first commitment is to teaching and to the students they teach. There is one faculty member for every 17 students here. This low ratio and an average class size of only 25 allows students the close, personal attention from faculty that they want and deserve.

Brookings is the home of SDSU and its 9,140 students. A town of 16,250, it is located on the eastern edge of South Dakota just 20 miles from the Minnesota line.
South Dakota friendliness has always been the key to Brookings and the campus community. We have a casual, friendly atmosphere here that quickly makes everyone feel like they fit in. SDSU students, will find that they are welcomed both on and off the campus.

While the University is a contributing influence in the community, Brookings is not "just another college town." Industry thrives here. Larson Manufacturing, which produces combination doors and windows for home construction, and Daktronics, Inc., maker of computer generated displays and scoreboards, is headquartered here and has an international market. Minnesota Mining and Manufacturing has a manufacturing plant in Brookings and Coast to Coast has a major distribution warehouse here.

When it comes to recreation, Brookings is the perfect place. There are 14 city parks and recreation areas, including an ice arena, swimming pools, tennis courts and golf courses. Nearby state parks and recreation areas help round out outdoor opportunities.

SDSU is one of 68 Land Grant colleges and universities in the United States, a designation stemming from the Morrill Act of 1862. The purpose of this so-called Land Grant College Act are: "...the endowment, support and maintenance of at least one college were the leading object shall be without excluding other scientific and classical studies, to teach agricultural and mechanical arts, in order to promote the liberal and practical education of the industrial classes in the several pursuits and professions of life."

The Enabling Act, approved February 22, 1889, admitted the State of South Dakota to the United States and provided 120,000 acres of land be granted for the use and support of the Agricultural College. By the Enabling Act of 1889, Congress also granted South Dakota an additional 40,000 acres for the Agricultural College in lieu of a grant that had been made to new states in 1841.

The first building was constructed in 1883 with classes beginning on September 24, 1884.

Athletically, SDSU is a charter member of the North Central Intercollegiate Athletic Conference.

The Jackrabbits have won 124 conference championships (105 men, 19 women).

SDSU's success has not been confined to one or two sports. The Jacks are one of two current league members with at least one championship in each of the sports sanctioned by the NCC in men's competition. SDSU won the 1995-96 NCC all-sports championship men and finished second for women.

And SDSU's success hasn't been limited to conference competition. During the 1995-96 season, SDSU finished fourth in NCAA competition in wrestling and men's cross country and also qualified for NCAA tournament play in men's basketball, women's basketball, softball, men's golf and women's golf.

The SDSU wrestling teams have competed in every College Division NCAA Division II national tournament. The Jacks have been third-fifth-fourth in the last three NCAA tournaments. SDSU has hosted the NCAA Division II mat tournament three times: 1993, 1979, and 1973.

SDSU won the NCAA College Division basketball championship in 1963 and was runnerup in 1985.

SDSU has also been a dominate force nationally in cross country, winning five national titles for men and two for women.

Hellickson is director of agriculture extension at SDSU.

He has been on the SDSU staff since 1969, serving as a professor in agricultural engineering until he was appointed as head of that department during the summer of 1982.

Dr. Hellickson’s specialty has been in the area of livestock structures and environment with recent emphasis on solar energy use in agriculture. A native of Belfield, ND, he earned a Bachelor’s Degree in agricultural engineering from North Dakota State University in 1964, added a Master’s Degree in the Ag Engineering from NDSU in 1966, then earned a Ph.D. in engineering at West Virginia University in 1969. He was included in Outstanding Young Men of America in 1970.

Hellickson was presented the North Central Conference Meritorious Service Award at the November, 1990, meeting.

JIM BOOHER
ATHLETIC TRAINER

Dr. James Booher heads one of the top athletic training programs in the Upper Midwest.

Booher is a native of Ashland, Neb. He earned a Bachelor’s Degree in Biology at Nebraska Wesleyan in 1965. He played on the Plainsmen basketball team which lost to SDSU in their first NCAA regional tournament in Brookings the year State went on to win the national championship in 1963.

He received physical therapy training at Mayo Clinic, Rochester, Minn., then earned Master’s Degree in HPER at SDSU in 1969. He completed his doctorate at the University of Utah in 1976.

Booher has been on the SDSU staff since 1967, although he spent time between the University and the Brookings Hospital until 1975 when he became a full-time staff member at SDSU. Booher has written a manual on the prevention and care of athletic injuries and more recently co-authored a textbook entitled “Athletic Injury Assessment”.

Booher is a member of the North Central Conference Hall of Fame and the South Dakota Athletic Trainers Association Hall of Fame. Last March, he was inducted into the NATA District Hall of Fame.

Booher and his wife, Kathy, have three children.
A new era in South Dakota State University history began December 1, 1990, when Mike Daly was named head coach.

And it didn't take long for Daly to make an impact.

Daly inherited a 3-8 team, turned things around with a 7-3-3 season, and was named North Central Conference Coach of the Year in 1991.

SDSU finished 6-5 last year, the first time in history the Jacks have won six or more games five straight seasons. Daly now has a 34-19 record for five seasons, a .641 won-lost percentage.

And the accomplishments have been many during Daly's career as head coach.

SDSU has beaten every team in the NCC at least once, and the Jacks have the third best overall won-lost percentage among conference members during the past five years.

SDSU is .500 or better against six of the nine NCC opponents.

Daly's program has emphasized the balance between athletic success and academic success. SDSU has had 27 first-team academic all-conference selections and 20 first-team all-NCC players with 18 more earning second-team honors.

SDSU has had two players selected in the NFL draft. Linebacker Doug Miller was on the San Diego Chargers team in the 1995 Super Bowl, while offensive tackle Adam Timmerman was picked by the Green Bay Packers in the 1995 draft and earned a spot on the roster.

Three SDSU players earned first-team All-America recognition last year, and four players were voted to the GTE-CoSida academic all-district first-team. Two players, tight end Jake Hines and punter Adam Vinatieri, earned All-America honors both as players and academically.

Hines also earned an NCAA postgraduate scholarship, one of just three awarded to players from NCAA Division II

Timmerman was a consensus All-American last year (first team on all-five teams which select players from NCAA Division II) and won the Jim Langer Award as the top offensive lineman in Division II.

When Daly came to SDSU, not only did SDSU gain one of the top coaches in the country, but Daly embarked on a career move – after 20 years as a collegiate assistant coach, the Fairmont, MN, native was taking on his first head coaching assignment.

Daly's only games as a head coach have been at SDSU, but that doesn't tell much about the background of a guy whose professional career has been dedicated to the sport.

Daly came to SDSU from Division I Western Michigan, where he had been offensive backfield coach for head coach Al Molde.

Daly has been associated with the North Central Conference as a player or coach for 20 seasons, starting as a student-athlete at Augustana College, continuing as an assistant coach, first at South Dakota State University, then at North Dakota State University where he was a part of the national championship team in 1983.

Daly is a 1971 graduate of Augustana College. He earned a Master's Degree in physical education at the University of Minnesota in 1974.

Daly was defensive coordinator at SDSU for four seasons, 1975-78, before joining Don Morton's staff at North Dakota State University. He was an assistant at NDSU until 1984, when he moved to Idaho State for one season before rejoining Morton at Tulsa University, and he accompanied Morton to the University of Wisconsin.

He was special teams coordinator with the Saskatchewan Roughriders during the summer of 1990, then joined the Western Michigan staff for the 1990 season.

Mike and his wife, Carol, have one son, Derek (7).

FRANK KELLEY, halfback, 1926 – Once called “a veritable lightning bolt” by an opposition sportswriter, Kelley was the sparkplug igniting the 1926 Jackrabbits to an unbeaten season.

The team’s leading scorer and rusher, Kelley also gained nationwide attention for his drop kicks, particularly in games against St. Louis University and Hawaii, where his toe accounted for the winning points. He also presented a threat passing, and during the season either ran, passed or kicked for all of SDSU’s points in North Central Conference play.

A Tyndall native, Kelley earned eight letters as a Jackrabbit, starting in football and basketball, while also running on the track team. He broke two world records in 1925, running the 45-yard low hurdles in :05.8 and the 50-yard high hurdles in :06.3.

Following graduation, he joined the world champion New York Giants and played in 17 straight games before retiring.

WEERT ENGELMANN, halfback, 1929 – Called the “Flying Dutchman of Miller”, Engelman won nine letters in football, basketball and track.

An ever dangerous runner, Englemann broke up several tight games with explosive bolts through the line. An all-conference choice in 1928 and 1929, he led the Jacks in both rushing and scoring.

On the track, he became the first South Dakotan to win an event at the Drake Relays, capturing the top spot in the triple jump in 1929. The next year, he won the discus at Drake. He regularly competed in, and won in, ten events in track and he still holds the North Central Conference record for most individual championships won during a career (outdoor only) with 12 (in the 120 high hurdles, 220 low hurdles, long jump, high jump, shot put and discus).

A defensive standout, Engelman went on to star with the Green Bay Packers (1930-33).

AL ARNDT, guard, 1934 – Considered by his coaches to be “one of the best 60-minute players in SDSU history,” Arndt consistently opened gaping holes for his running backs and just as consistently plugged holes for the opposition, stopping their plays.

Playing both guard and tackle, Arndt was a mainstay in the Jackrabbit line for three seasons and was twice named all-NCC. During his senior year, he led the Jacks in tackles.

A star on the basketball court as well, Arndt was team captain in both football and basketball as a senior. He later played for the Pittsburgh Steelers and Boston Redskins.

PAUL “WHITEY” MILLER, halfback, 1935 – One of SDSU’s most explosive runners, Miller led the Jacks to an upset over Wisconsin when he scored on a 75-yard pass interception return.

During his senior year, he ran or passed for 11 of SDSU’s 17 touchdowns, including two 70-yard runs.

Named unanimously to the all-NCC offensive and defensive teams, Miller also won letters in track and was captain of the 1937 cinder team.

He played three seasons (1936-38) with the Green Bay Packers.

HERB BARTLING, quarterback, 1950 – Spearheading one of the most talented backfields in SDSU history, Bartling led the Jacks to an unbeaten season.

Named the NCC’s Most Valuable Player, Bartling was considered SDSU’s best passing quarterback ever. Few school records from the ‘50s remain in the Jackrabbit book, but Bartling still shares the mark for most TD passes in one game, four against North Dakota State in 1949.

He was also a two-time all-North Central Conference performer in basketball, playing guard.

HERB BACKLUND, center, 1954 – Considered the Jacks’ best center of all-time, Backlund did not make his mark at that position until his senior season.

Backlund’s forte was downfield blocking, but he was also an excellent pass blocker for quarterback Jerry Welch, who joined him on the All-America team that year.

JERRY WELCH, quarterback, 1954 – Co-captain of the team, Welch stepped in at quarterback after a season’s opening loss to Iowa State and guided the Jacks to a 7-1 mark the rest of the way.

A triple threat at running, passing and kicking, his nine TDs that season included a 91 yard run from scrimmage and a 77-yard punt return.

Welch went on to try out with the Baltimore Colts, then played with the Calgary Stampeders of the Canadian Football League.

LEN SPANJERS, guard, 1957 – A three-time all-NCC selection, Spanjers paced the 1957 Jacks to the league crown after they were picked fifth in the pre-season.

Playing both offense and defense, the Milbank native was named the NCC’s Most Valuable Player. He was the only sophomore named to the all-NCC team in 1955.

Co-captain as a senior, he was also the team’s punter.

Spanjers was inducted into the Jackrabbit Sports Hall of Fame in 1991.

JOE THORNE, fullback, 1961 – Called “the best all-around player in the history of football at SDSU” by coach Ralph Ginn, Thorne paced the ’61 Jacks to the NCC title and an 8-2 season.

Rushing for 958 yards (5.5 ypc) his senior year, he carried the ball just twice in the fourth quarter all season. He piled up
more than 2,000 career yards and was named to the all-NCC team twice.

Considered an outstanding blocker and tackler by his coaches, Thorne also played defensive back. He was drafted by the Green Bay Packers, but passed up the opportunity to play pro ball.

He died in 1965 while serving as a helicopter pilot in Vietnam.

MIKE STERNER, guard, 1961 – Teamed with twin brother John to give SDSU opponents a dose of double trouble.

Earned first-team all-conference as a senior when he was also named Most Valuable Lineman in the North Central Conference.

Has gone on to a successful career in coaching and teaching at Southwest State in Minnesota, and is in the NAIA Wrestling Hall of Fame.

Twins Mike and John Sterner, fixtures on the 1959-60-61 SDSU football teams, were both presented the Ralph Ginn Award for Coaching Excellence at SDSU in 1993. Mike is head wrestling coach at Southwest State and John head wrestling coach at Moorhead State, both members of the Northern Sun Intercollegiate Conference.

ROGER EISCHENS, end, 1962 – A two-sport star, Eischens was also an All-America wrestler for the Jacks.

Named to the all-NCC grid team twice, he was the first SDSU player to gain over 1,000 yards receiving (65 catches, 1,094 yards).

Also a defensive standout, he still holds the SDSU record for longest pass interception return, 85 yards against Toledo in 1962.

A native of Canby, Minn., he rolled up a 10-1-1 dual wrestling record as a senior and placed third in the nation at 190 pounds.

JOHN STONE, linebacker, 1962 – A native of Hendricks, Minn., Stone was named All-America after leading the nation in field goal kicking.

Stone kicked nine field goals and 24 point-after-touchdown attempts for 51 points that season, his first as a field goal kicker. He held virtually every place kicking record at SDSU.

Also a stellar linebacker, Stone led the team in interceptions in 1962 and was one of the team’s leading

WAYNE RASMUSSEN, halfback, 1963 – The 1963 College Athlete of the Year in South Dakota, Rasmussen was all-NCC in three sports at SDSU: football, basketball and baseball.

The Most Valuable Back in the NCC as State was unbeaten in league play during a 9-1 season in 1963, Rasmussen rushed for 874 yards and caught 29 passes for 463 more, averaged 32.1 yards per punt, and scored 54 points. He was also the team’s leading kickoff and punt returner and intercepted seven passes. His 11 receptions against Arkansas State stood as an SDSU single-game record until 1986.

The Howard native was also voted the Outstanding Player at the NCAA College Division basketball tournament when he led State to the national championship in 1963.

Following his career at SDSU, he played ten seasons with the Detroit Lions of the National Football League.

DARWIN GONNERMAN, fullback, 1967 & 1968 – This Adrian, Minn., powerhouse became SDSU’s first two-time All-American when he put together back to back 1,000 yard seasons and became the school’s career rushing leader.

Your classic all-purpose player, he rewrote 13 different school records and still holds the record for all-purpose yards in a career with 5,465, and most points scored in a season, 102.

Named the NCC’s Most Valuable Player as a senior, his touchdowns included a 95-yard punt return against NDSU (also still a school record). He rushed for 224 yards against Drake that season.

A standout kicker, he played two seasons with the Ottawa Roughriders in the Canadian Football League. In 1969, he was voted South Dakota College Football Player of the Decade.

LYNN BODEN, offensive guard, 1974 – Boden had the honor of being the first North Central Conference player ever picked in the first round of the National Football League draft, selected by the Detroit Lions.

The NCC’s Most Valuable Offensive Lineman as a senior, he was a Kodak first-team All-American.

Co-captain of the 1974 SDSU team, he played in only three games as a prep senior, sidelined the rest of the season with an injury. He was a 210-pound offensive lineman when he came to SDSU from Osceola, Neb.
BILL MATTHEWS, defensive end, 1977 – Matthews came from a nine-man football program at Wessington to star three years for the Jackrabbits, not only as a player but as a student. He started at defensive tackle as a sophomore and junior, then moved to defensive end as a senior. He was selected in the fifth round of the National Football League draft by the New England Patriots and played for the Patriots and New York Giants of the NFL as well as the Denver Gold of the United States Football League.

CHUCK LOEWEN, offensive tackle, 1979 – Another of those guys who grew into a position, Loewen came to SDSU as a 190 pound freshman and left five years later at 6-5, 265. In between, he was a first-team Kodak All-American after helping the 1979 Jacks to the NCAA Division II playoffs. He also earned third-team Associated Press All-America honors that year. After being honorable mention all-NCC in 1977, Loewen was injured and missed the 1978 season. He came back with a vengeance. He made first-team all-NCC both as a player and academically in 1979, and also became the first interior lineman to earn the league’s Offensive Player of the Week award.

Loewen’s athletic-academic achievements earned him an NCAA post-graduate scholarship and he enrolled in the MBA program at Arizona State, only to have his education interrupted when he was drafted in the seventh round by the San Diego Chargers. He played five seasons in the NFL.

RICK WEGHER, running back, 1984 – Rick “The Quick” Wegher had one of those “career” seasons as a senior. He finished second in the nation in rushing (119.7 ypg) and fourth in scoring. He also put his name in the NCAA record book twice. Wegher and Wyoming back Kevin Lowe co-authored an NCAA record for “Most Yards Gained by Two Opposing Backs...533.” Wegher had 231 of that.

Rick also finished his career with 107 kickoff returns, making him the first player in NCAA history (any division) to go over the 100 mark in that category. He broke a dozen SDSU records, including single-season rushing, and became the first player ever to rush for more the 1,000 yards in an NCC season. He signed with Calgary of the Canadian Football League.

He completely remodeled the school’s pass receiving records, breaking nine of the ten recognized marks. He also set seven NCC records.

Tiefenthaler’s career numbers showed 173 catches, 3621 yards and 32 touchdowns. He was a consensus All-America pick in 1986 (first team by The Associated Press, the Football News and Kodak), and was one of three finalists for the Harlan Hill Award as the Division II Player of the Year. Tiefenthaler also became the first SDSU player ever selected to play in the Senior Bowl.

ADAM TIMMERMAN - 1993 & 1994
Jackrabbit team captain started for Green Bay in the NFL playoffs last season.
Coughlin-Alumni Stadium, the home of the Jackrabbits, is in its 35th season.

The stadium opened September 22, 1962, when the Jacks lost a 9-7 decision to Arkansas State.

Through the first 34 years of operation, there have been 172 games at Coughlin-Alumni Stadium. SDSU has a record of 98-80 at home during that time.

The largest crowd ever to see a football game of any kind in South Dakota came through the turnstiles on Hobo Day, October 19, 1985, when 16,193 saw SDSU defeat the University of South Dakota 24-12.

The stadium project was started after Charles Coughlin, a 1909 SDSU graduate, donated $50,000 towards the building of a new stadium to replace State Field. The remaining $250,000 of the original $300,000 cost was raised from alumni, students and friends of SDSU.

Within two years after the completion of the stadium, a lockerroom facility was constructed and a press box was added.

The field includes a scoreboard complete with a message center, manufactured by Daktronics, Inc., a Brookings-based firm which provided scoreboards for the 1996 Olympic Games in Atlanta.

Over the last five seasons, all of the stadium practice fields have been reworked and replanted, giving SDSU one of the top complexes around. All of the fields feature an underground watering system.

Stadium seating has been upgraded with yellow and blue fiberglass covers on the west grandstand and elevated bleachers on the east side. The addition of end zone bleachers increases the stadium capacity to 16,000.
