Change in Residency

Change of residency policies and applications may be obtained from the Admissions Office, ADM 200. Non-resident students who have met the requirements to qualify for resident status may apply to have their residency changed from non-resident to resident. Application must be made to Michelle Kuebler, Assistant Director of Admissions, ADM 200. Minnesota students attending SDSU on reciprocity are subject to terms of the reciprocity agreement. The deadline for submitting change of residency applications for the Summer Term is May 14, 2001. Any applications received after that date will be processed effective for the next academic semester.

Reciprocity Tuition for Minnesota Students

Minnesota residents may be eligible for reciprocity tuition rates at SDSU. Students graduating from a Minnesota high school in Spring 2000 will automatically be approved for reciprocity without needing to complete a formal application. All other new SDSU students from Minnesota need to complete an application for reciprocity. Applications can be obtained in ADM 318. For information on reciprocity, call 605-688-4493. Continuously enrolled students, with approved reciprocity, maintain their tuition benefits in future semesters.

Other Information

Add-Drop

Must be completed in ADM 208.
Please note "Important Dates For Summer Term 2001" for deadlines, page 3.

Auditor

The regular tuition per credit and all applicable fees will be charged for auditing a course. Other special fees may be assessed to auditors. (See registration procedures.)

Auditing Courses – Procedure

Registration as an auditor must be accomplished in the Registrar's Office after registration day.

Credit-to-audit changes will be allowed through the normal drop period in the Records Office, ADM 208.

Audit-to-credit changes will be allowed through the normal add period in the Records Office, ADM 208.

Audit credits will not be counted as a part of the student's load for figuring full-time student status. A grade of AU will be designated by the instructor. These grades are normally based on class attendance – check with the instructor.

Cancelled Classes

If a class is cancelled, the student has two courses of action: (1) Substitute another class for the cancelled one (use Add/Drop procedure) or (2) Drop to remove from record. Both processes are handled in the Records Office, ADM 208.

Financial Aid Information

Students must complete the 2001-2002 Free Application for Federal Student Aid (FAFSA) and be enrolled in an SDSU degree program to be considered for federal student financial aid. Also, the SDSU Summer Financial Aid Application (available in ADM 106) must be completed before summer financial aid can be processed. Eligible students must be enrolled on at least a half-time status (six (6) undergraduate or five (5) graduate credits) before financial aid is reviewed. Financial aid disbursement is authorized when the student is in the June term and the student will be enrolled and attending classes on at least a half-time status. **Students completing early registration for summer classes will have their financial aid eligibility determined earlier.** Please contact the SDSU Financial Aid Office in ADM 106 or call 605-688-4695 if you have any questions.

Veterans' Certification

Veterans should stop by the Veterans Service Office, ADM 108, at least 45 days prior to the start of the Summer Term to ensure timely benefits. You are also required to contact the Veterans' Office in ADM 108 at registration to confirm credits and enrollment. Application for National Guard half-tuition must be filed with Registrar, ADM 208, by 4 p.m., June 14. Requirements for **full-time** benefits are normally as follows:

For the May-August session

	Credit Hours
a. Full-Time Benefits	12 undergraduate* 9 graduate
b. Half-Time Benefits	6 undergraduate* 4.5 graduate

*and 600 minutes per week every week (Laboratory periods are counted at only half the time actually spent.)

Student Union Dining Service

Java City Coffee Shop and the Market will offer Continental Breakfast and lunch specials Monday through Friday.

Housing

See pages 20-21.

Health Service Availability

The SDSU Health Service Clinic will be available for student needs (June 11-August 3) during the eight-week Summer Session 2001. (Clinic hours 8 a.m. to 5 p.m.) Health Service will close following the 8-week main session until the beginning of the fall semester. After-hours service can be obtained from the Brookings Hospital.

International students are required to have medical insurance coverage. Check at Student Health Clinic for details.

Immunization Requirements for Registration

Due to regulations mandated by the Board of Regents, medically signed proof of TWO properly administered immunizations OR medical proof of immunity for Measles (Rubeola) and Rubella is required for majority of students. If you were born before July 1, 1957, you are exempt from this requirement.

The Student Health Service will assist in reviewing your immune status, and if necessary, provide any needed immunizations for a nominal charge. The student may also be immunized by his/her health care provider.

Counseling Services

Personal/emotional counseling is available on an appointment basis through the Counseling Center located in West Hall. Call 605-688-6146 for an appointment. Confidentiality is assured at all times.

Maximum Enrollment Limitations

Maximum enrollment (without approval) for an under-graduate student is 20 credits and the maximum enrollment (without approval) for a graduate student is 12 credits.

Pass-Fail Electives

Students following the Bachelor's program have the option of enrolling in up to 20 credits of pass-fail elective courses. (See University Bulletin for specific regulations.)

A student may change from pass-fail elective to credit or credit to pass-fail elective during the normal add period.

Refunds/Charges

Cancelled classes: full refund included in student's Statement of Account.

NOTE: Page 3 for full refund deadlines.

Withdrawals from the University

A student who discontinues attendance in all classes must process the necessary withdrawal forms required for academic and financial reporting.

NOTE: When you are enrolled in only one course and you drop that course, you are withdrawing from the University.

Financial aid recipients must comply with the Federal Return to Title IV Funds Calculation and the Federal financial aid loan recipients must have exit loan counseling.

Charges will be payable according to the comments under Withdrawal Information.

Contact Belinda Kruse, West Hall 212, for information and assistance.

Withdrawal Information

Students who withdraw, drop out, or are expelled from the University within the add period receive a 100% refund of tuition and course related fees. Students who withdraw, drop out, or are expelled from the University after the add period for the enrollment period for which they are assessed, may be entitled to a refund of tuition and fees and institutional charges calculated through sixty percent of the enrollment period. The refund shall be determined by computing the percentage of an enrollment period remaining after the date of withdrawal times the tuition and fees originally assessed the student.

Federal financial aid recipients withdrawing from the University will have a Return of title IV Funds calculation to determine the "earned" and "unearned" financial aid as discussed on page 289 in the SDSU 2000-2002 Undergraduate Catalog. Please visit with the Financial Aid Office, ADM 106, if you have any questions or need information about student financial aid policies. (605-688-4695)

Summer Housing Application & Contract

Information you should know:

- Summer Housing will be available from May 14, 2001, through September 1, 2001.
- Students must make their full housing payment at check-in. They will also receive room assignments at check-in.
- Students will receive a confirmation letter with additional housing information after the application is received.
- Single room requests are not guaranteed and will be processed on a first come, first served basis.
- Hansen Hall will be open for check-in 24 hours every day.
- All policies and procedures outlined in the Residence Hall Handbook are effective during Summer Term.
- The possession and consumption of any alcoholic beverage is not allowed on campus, including residence hall rooms.
- Telephone service is available from Swiftel. Contact Swiftel at 605-692-6211.

Special Topics

Special Topics: Power Technology in the North Central States

EE 4/593 Tentative Dates: May 14-18, 2001
CRN 47602/47603 1 credit

The course is a 5-day tour of various sites in a 5 state region concerned with the power industry. We visit generation, transmission and distribution power companies, coal and iron ore mines, paper mills, other end-use large power consumer companies, special power production companies, like photovoltaic and wind machines, etc. If the course is taken for credit, the prerequisites is that you have taken a course that is equivalent to a Circuits I class. If the course is audited, there are no prerequisites.

Sponsor: A significant portion of the expenses are underwritten by the Center for Power Systems Studies, an organization under the direction of the Electrical Engineering Department and supported by ten member power companies and seventeen associate member power companies.

For further information, you may look at last year's tour at the following web site:

AP Course Offerings

Advanced Placement – Institutes

Calculus, Physics, Biology, Geography

South Dakota students have the opportunity to earn college credits through satisfactory performance in nationally normed Advance Placement (AP) examinations. These examinations are administered following the successful completion of appropriate AP courses in high schools. Satisfactory test scores can lead to gaining college credits.

The opportunity to serve students in this way, along with the need for advanced instruction at the high school level has prompted the South Dakota Board of Regents, along with South Dakota State University, to offer "Advanced Placement" Institutes. The intent of these institutes is to train high school teachers to offer Advanced Placement (AP) course to their students. The Math, Physics, Biology, and Geography Departments at South Dakota

State University are offering institutes for high school teachers this summer.

For all institutes, participants may register for two graduate credits, or simply participate without credit and pay a \$50 materials fee. On-campus housing and meals are available.

Additional information about the SD Advanced Placement Institutes may be found at:

http://www.ris.sdbor.edu/ap/2001_AP.htm

Other Advance Placement Institute information is available on the College Board's web sites:

<http://www.collegeboard.org/ap>

Topics: Advanced Placement Physics

PHYS 793-42 June 24-29
CRN 41003 MTWRF 9:00-4:00
2 credits Pugsley Center Addition 117

The summer AP-Physics Institute at SDSU will provide a systematic introduction to the principles of physics and will emphasize the development of conceptual understanding and problem-solving abilities. Both classical and modern physics topics will be covered. The coverage of topics will be directed towards preparing participant to teach at an Advanced Placement level in their local high schools. Participants may register for two graduate credits, or simply participant without credit and pay a \$50 materials fee.

More information and applications and housing forms are available at:
