ABSTRACT

Artificial collection composed of collected materials, publications and papers of various buildings and landmarks located on the campus of South Dakota State University.

## HISTORICAL NOTE

---

The SDSU Buildings & Landmarks collection is made up of very small artificial collections of material about certain buildings or landmarks that have existed or still exist on the campus.

## CONTENTS NOTE

---

This collection is an artificial collection composed of collected materials, publications and papers of various buildings and landmarks located on the campus of South Dakota State University.

Material is added as it is unearthed. No attempt is made to systematically collect this information. The files consist of such materials as dedication programs, correspondence, clippings, architectural plans and drawings, specifications, and photographs. The files of each building or landmark vary.

## SUBJECT HEADINGS
