Preferred Citation

Name of item. Student Research Papers. UA 52.10. South Dakota State University Archives and Special Collections, Hilton M. Briggs Library, Brookings, South Dakota.

Abstract

The Student research papers is an artificial collection, which consists of papers written by graduate degree candidates.

Contents Note

The Student research papers is an artificial collection, which consists of papers written by graduate degree candidates but are not considered to be theses or dissertations submitted for the completion of a degree. Material is added as it is unearthed if it is unique, unusual or illustrative. No attempt is made to systematically collect this information.

This collection is composed of papers produced by graduate degree candidates. Some are professionally bound, while others were spiral bound or placed in report folders. These research papers are not a thesis or dissertation submitted for the completion of a degree.

Key Words

College student writing

Student research

Administrative Information

Conditions Governing Access

This collection is open to researchers without restrictions. The materials in the Archives do not circulate and may be used in-house only.

Researchers conducting extensive research are asked to make an advance appointment to access archival material. Please call or e-mail prior to visiting the collection and indicate as much detail as possible about a particular topic and intended use.

South Dakota State University supports access to the materials, published and unpublished, in its collections. Nonetheless, access to some items may be restricted as a result of their fragile condition or by contractual agreements with donors.

Copyright note

Copyright restrictions apply in different ways to different materials. Many of the documents and other historical materials in the Archives are in the public domain and may be reproduced and used in any way. There are other

materials in the Archive carrying a copyright interest and must be used according to the provisions of Title 17 of the U.S. Code. The Archive issues a warning concerning copyright restrictions to every researcher who requests copies of documents. Although the copyright law is under constant redefinition in the courts, it is ultimately the responsibility of the researcher to properly use copyrighted material.
