

Doctorate in Nursing Practice (D.N.P.) Collection in Open PRAIRIE

We are excited about sharing your DNP Research project through SDSU's institutional repository, Open PRAIRIE. This will allow your work to be viewed online and cited by other researchers and the general public. It also provides you a permanent link for your paper.

Please complete the form below to grant permission for your project to be included in the College of Nursing collection in Open PRAIRIE.

THIS IS NOT A COPYRIGHT TRANSFER. You maintain copyright of your work.

Name: Lannese Purtell

SDSU Student ID: 1681634

Email Address: lannese.purtell@gmail.com

Primary DNP Advisor: Dr. Dannica Callies

Title of Independent Study Paper: Chronic Pain Assessment and Documentation Protocol Implementation in Home Health Care

Has your independent study work been published or disseminated in another location and/or will you be submitting your work for publication?

Yes

No

If yes, please provide information about where you have published or plan to publish.

If you would like your work embargoed to satisfy publication purposes, please select an Embargo period of 1 -3 years. (Your work will not be accessible during that time)

☐ 1-year embargo

☐ 2-year embargo

☐ 3-year embargo

I hereby give permission for my work to be published in the SDSU Open PRAIRIE repository.
