PREFACE

This compilation lists works authored by Department of Economics faculty members and other staff working on projects funded through the Department of Economics. Publications resulting from their research and academic activities are indexed by author at the end of this pamphlet for easy access by the public. The articles were published between January 1, 2012 and December 31, 2012, except for those works printed in italics which have been accepted for publication but not actually printed as of December 31, 2012.

To obtain copies of publications, an electronic source has been listed whenever possible. If no source is provided, you may contact the author listed in capital letters at the SDSU Department of Economics (605-688-4141) for information on obtaining copies. Send inquiries to:
